Availity Provider Trainings

Background

Availity is a credentialing application portal that will be used in the implementation of the Credentialing Verification Organization (CVO). All MCOs will be using Availity for submission of the non-practitioner (facility) application. We have five current MCOs who will also be using Availity for their practitioner applications:

- El Paso Health
- Cook Children's Health Plan
- Parkland Community Health Plan
- Scott & White Health Plan
- Texas Children's Health Plan
- Aetna
