

Medicaid Re-Enrollment Application Deadline Approaching 6/17/2016: Avoid Medicaid Provider Disenrollment

As a requirement of the Patient Protection and Affordable Care Act (PPACA), state Medicaid agencies must revalidate the enrollment of all providers in state Medicaid programs. The original re-validation deadline was March 24, 2016, and was extended by the Centers for Medicare and Medicaid Services (CMS) to allow states additional time to process provider applications. For Texas Medicaid, this means all providers, including ordering and referring providers, who have not met all PPACA revalidation requirements must do so through re-enrollment by September 24, 2016 (see resources at the bottom of this article for information on how to verify your re-enrollment status). To avoid disenrollment on September 25, 2016, and possible disruption in claims payment, providers should submit a re-enrollment application to the state or TMHP today.

Applications Received On or Before June 17, 2016

To avoid potential disruption in payment, a complete re-enrollment application must be received on or before June 17, 2016 in order to be re-validated by September 24, 2016.

For Texas Medicaid, this means all providers, including ordering and referring providers, who have not met all PPACA revalidation requirements must do so through re-enrollment by September 24, 2016. Complete applications that are received on or before June 17, 2016, will most likely complete the re-enrollment process by September 24, 2016. In the event that the re-enrollment process is not completed by September 24, 2016, and the provider is still working toward addressing identified deficiencies at that time, the provider will continue to remain enrolled in Texas Medicaid as long as the provider continues to respond to deficiency notifications within the defined timeframe for response. Continued enrollment is contingent upon continuing to meet deficiency correction timelines and receiving final application approval.

Providers should submit a re-enrollment application to the state or TMHP today.
