RE: COVID-19 Vaccine Admin Procedure Codes Age Changed to 12 Years of Age or Older

Effective for dates of service on or after August 19, 2022, the age range for COVID-19 vaccine administration codes 0041A and 0042A has changed from 18 years of age or older to 12 years of age or older.

These procedure codes are benefits for the administration of the first and second dose of the primary series of the Novavax COVID-19 vaccine. HHSC will continue to cover procedure codes 0041A and 0042A as non-risk payments. Vaccine procedure code 91304 is informational only while the vaccine is distributed to providers free of charge.

Effective August 19, 2022, procedure code M0201 (COVID-19 vaccine administration inside a patient's home) can be billed in the home setting with procedure codes 0041A and 0042A for individuals 12 years of age or older.
