

El Paso First Flu Shot Coverage

Flu season is here and the Centers for Disease Control (CDC) recommends everyone get a flu vaccine. Flu vaccinations can reduce flu illnesses and prevent flu-related hospitalizations. All El Paso First members are eligible for this benefit at participating in-network providers and some pharmacies. The table below identifies the coverage benefits per age group under the specific health plans with El Paso First.

The Vendor Drug Program (VDP) is covering specific vaccine NDCs for Medicaid/CHIP reimbursement. Please visit our website at <http://www.epfirst.com/find-a-pharmacy/> to find participating pharmacies and also view the **Season Flu Vaccine NDC-to-Procedure Code Crosswalk**.

El Paso First Plan	Ages	Location
