RE: Texas Health Steps Quick Reference Guide – Updated June 2019

The Texas Health Steps Quick Reference Guide has been updated as of June 01, 2019. The Cervarix-HPV2 vaccine is no longer available through the Texas Vaccines for Children (TVFC) Program. The TVFC vaccine reference procedure code 90650, has been removed from the “Immunizations Administered” column of the Texas Health Steps Quick Reference Guide.

Please refer to the article titled “[HPV2 and HPV4 No Longer Available Through TVFC Program](#),” posted on the TMHP website on June 10, 2016. For additional information providers may contact TMHP at 1-800-925-9126.

Texas Health Steps encourages providers to regularly visit the Texas Health Steps website at <http://www.dshs.texas.gov> for updates and other valuable information on Texas Health Steps medical checkups.

Should you have any questions regarding this correspondence, please feel free to contact our Provider Relations Department at 915-532-3778 ext. 1507.
