

MEMORANDUM

TO: Our Valued Providers
FROM: El Paso Health
DATE: October 6, 2017
RE: Flu Season 2017-2018

Flu season is here and the Centers for Disease Control (CDC) recommends everyone get a flu vaccine. Flu vaccinations can reduce flu illnesses and prevent flu-related hospitalizations. El Paso Health members are eligible for this benefit at participating in-network providers and pharmacies. The table provided identifies the coverage benefits by age group under the specific health plan with El Paso Health.

As a reminder the Vendor Drug Program (VDP) has specific NDC covered vaccines for Medicaid/CHIP reimbursement. Please visit our website at <http://www.epfirst.com/find-a-pharmacy/> to find participating pharmacies and also view the **Season Flu Vaccine NDC-to-Procedure Code Crosswalk 2017-2018**.
