Re: TP1 and TP2 Forms

---

Providers are encouraged to submit the new revised therapy forms along with the El Paso First Outpatient Prior Authorization Form.

**Effective July 1, 2014, El Paso First will not accept incorrect forms.**

#### **Form changes**

The **Request for Outpatient Physical, Occupational, or Speech Therapy (PT, OT, and ST) Special Medical Prior Authorization Form** must be used for all acute PT, OT, and ST prior authorization requests.

The *Request for Initial Outpatient Therapy* (Form TP-1) and *Request for Extension of Outpatient Therapy* (Form TP-2) prior authorization forms have been discontinued. A new form, the **Request for CCP Outpatient Therapy**, will replace the TP-1 and TP-2 forms. The *Request for CCP Outpatient Therapy form* should now be used to request prior authorization for CCP therapy services.
