

MEMORANDUM

TO: Our Valued Providers

FROM: El Paso Health

DATE: September 2, 2017

RE: **Place of Service Changes for PT/OT/ST for all Therapy Types**

Provider Types and Places of Service Changes for Physical, Occupational and Speech Therapy for All Ages for Texas Medicaid Sept. 1. Effective for dates of service on or after Sept. 1, provider types and places of service will change for physical, occupational and speech therapy services for Texas Medicaid.

Provider Type and Place of Service Updates

The table below provides a general overview of which provider types may provide therapy services in different places of service, exceptions may apply.

Place of Service	Provider Types
Office	Independent therapist; Physician; Podiatrist; Physical therapy group
Home	Home health agency; Independent therapist; Physical therapy group
Outpatient Hospital/Clinic	Physician; Podiatrist; Outpatient hospital/clinic; Outpatient rehabilitation center
Other	Independent therapists; Physical therapy group; Home health agency

ECI and SHARS providers and Prescribed Pediatric Extended Care Centers place of service aren't included in this notification.

Updated Provider Type/Place of Service per Discipline by Procedure Codes

The following procedure codes will only be payable to the provider types and places of service listed below. Physical therapists, occupational therapists and speech therapists may only be reimbursed for procedure codes specific to their discipline as designated below. For the purposes of this notification, PT stands for physical therapist, OT stands for occupational therapist and HHA stands for home health agency. Rehabilitation center includes comprehensive outpatient rehabilitation facilities and outpatient rehabilitation facilities.
