RE: Update COVID – 19: Telemedicine, Telehealth & Telephone Services

Telemedicine and Telehealth Services

Providers in the El Paso Health Network can provide telehealth and telemedicine for certain medical and behavioral health services to promote continuity of care for our members. These virtual services allow providers to continue treatment by utilizing telecommunications technology and are considered as an in-office visit.

Prior authorization is still required for services listed on the *El Paso Health Prior Authorization Flyer*. Copays are **not applicable** to these services for CHIP members.

Telephone (Audio Only) / Telemedicine Claims Billing Information – Medical Services

Providers may bill the following codes for telephone (audio only) and telemedicine medical (physician delivered) evaluation and management services delivered on March 20, 2020 through December 31, 2021:
