SECTION 1: OVERVIEW

INTRODUCTION

El Paso Health is pleased to welcome you into our Provider network.

This Provider Manual contains information about El Paso Health policies and procedures and specific “how to” instructions for providers when working with El Paso Health. As changes occur, we will update the Provider Manual and forward new sections for insertion.

It is the intention of El Paso Health, in the development of this Provider Manual, to help you navigate the process of providing and billing for healthcare services to El Paso Health Members. This Manual describes the services covered by El Paso Health, your responsibilities in providing services and how to bill for your services.

While we strive to streamline operational procedures, in many cases our policies and procedures are shaped by our Health and Human Services Commission (HHSC) contract requirements. El Paso Health has contracted with HHSC to provide services to State of Texas Access Reform (STAR) Medicaid, Children’s Health Insurance Program (CHIP) and CHIP Perinatal Members. If you are interested in obtaining a copy of El Paso Health contract with HHSC, contact Provider Relations at 915-532-3778 ext. 1507.

Our goal is to make working with El Paso Health as easy as possible for all providers. We welcome suggestions and comments on our policies and procedures and on the Provider Manual itself. Comments or suggestions can be submitted to:

El Paso Health
ATTN: Provider Relations
1145 Westmoreland Dr.
El Paso, TX 79925 915-532-3778 ext. 1507

The Provider Relations department is always available to answer any of your questions. Please see the Quick Reference Guide included in this Manual for additional contact information.

BACKGROUND

El Paso Health is a Texas Health Maintenance Organization (HMO) established by the El Paso County Hospital District to enter into contract with HHSC for the purpose of improving access to medical care for STAR, CHIP and CHIP Perinatal recipients. We, at El Paso Health, are pleased that you are a participating Provider and that you share our commitment to improving the health of the El Paso community.
Model for Managed Care

El Paso Health’s managed care model has the following components:

- Case management beginning with the primary care physician as the Member’s “medical home.”
- Preventive care, early intervention, health education and continuity of care in order to improve and maintain Members’ health.
- A full range of resources that are available and accessible to Members.
- A comprehensive Quality Improvement/Utilization Management system, tracking key indicators for improved healthcare outcomes and rewarding providers for preventive care.

Building New Partnerships

El Paso Health believes that a successful managed care program is based on an effective partnership with providers, Members and the community.

Providers

El Paso Health is sensitive to the many demands on a Provider's time and resources. Our Provider Relations department offers support and streamlines administrative procedures. El Paso Health pledges to providers that:

- Compensation is fair and timely.
- A Provider Relations line is available to answer questions and help with Member management.
- Provider education and office staff training programs are offered on an ongoing basis.
- The Board of Directors and Quality Improvement Committees (QIC), composed of physicians and other providers, plays an active role in all policy decisions.
- State-of-the-art information systems provide on-line Member profiles, case management data and administrative support.

Members

El Paso Health offers a comprehensive range of health, social, and support services designed to meet the needs of our Members. In addition to standard benefits, El Paso Health pledges to our Members that:

- Each Member is treated with dignity and respect throughout the care process.
- Services are available and accessible.
- A local, bilingual Member Services Line is available to answer questions and ensure connections to services.
- Providers, Case Managers, and other staff are fully responsive to the unique needs of each Member.
- El Paso Health staff facilitates information and links to necessary social and support programs.
Community

El Paso Health is committed to long-term participation and investment in our community. El Paso Health’s network builds upon the existing structure of community providers and organizations. El Paso Health expects to draw from and add to the community strengths in program development and implementation.

El Paso Health Departments Overview

El Paso Health has different departments to assist you with your day-to-day operations, questions or problems you may encounter. Listed below are the descriptions of El Paso Health Departments and their functions. Departmental Director’s contact information is listed for your convenience.

Provider Relations can assist you with the following:
- Provider Inquiries
- Provider Updates/Demographic changes

Senior Director of STAR+PLUS Operations: Mario Flores 915-298-3778 Ext. 1133

Contracting & Credentialing can assist you with the following:
- Credentialing
- Network Participation
- Contract Related Inquiries that include contract reimbursement

Contracting Manager: Evelyn Lopez 915-532-3778 Ext. 1014

C.A.R.E. (Collaborate, Aide, Resolve and Educate) Unit is responsible for:
- Member education and outreach
- Marketing and material development
- Collaboration with State agencies and local entities serving Member

C.A.R.E Unit Manager: Adriana Cadena 915-532-3778 Ext. 1127

Member Services consist of highly qualified individuals that are fluent in both English and Spanish. Our Member Services staff can:
- Explain what services are covered
- Help Members choose a PCP
- Process PCP changes
- Send new ID cards

Director of Member Services: Edgar Martinez 915-532-3778 Ext. 1064
Claims/Provider Care Unit (PCU) can assist you with:

- Claims inquiry/processing
- Electronic Billing
- Corrected Claims
- Appeals

*Provider Care Unit 915-532-3778 Ext. 1527 (STAR) and Ext. 1512 (CHIP)
Claims Manager: Adriana Villagrana 915-532-3778 Ext. 1097*

Health Services can assist you with the following:

- Referral to in-network and necessary out-of-network services
- Pre-Authorizations/Pre-certifications
- Disease Management
- Utilization Management
- Case Management
- Adverse determination appeals

*Medical Director: Dr. David Palafox 915-532-3778Ext. 1031
Director of Health Services: Dolores Herrada 915-532-3778Ext. 1007*

Compliance can assist you with:

- Administering health plan program compliance with HHSC
- Education and training on rules and regulations such as False Claims Act, Deficit Reduction and HIPAA, Waste, Fraud and Abuse
- Provider complaints and appeals

*Senior Director of Compliance: Rocio Chavez 915-532-3778 Ext. 1032*

Quality Improvement can assist you with:

- Access and Availability
- HHSC and El Paso Health Quality Initiatives
- Member Events Review
- Provider Profiling

*Director of Quality Improvement: Don Gillis 915-532-3778 Ext. 1231*

Sub-Contractors for El Paso Health

El Paso Health subcontracts with qualified companies for specialized services to our Members. The subcontracted vendors are listed below and the telephone numbers where each subcontractor can be reached for questions are listed in the Quick Reference Phone List.

PROGRAM OBJECTIVES

STAR Program Overview

The STAR Program was established in 1993 when the Texas Legislature adopted legislation, which authorized the Texas Health and Human Services Commission to undertake a comprehensive restructuring of the Texas Medicaid Program. This restructuring introduced managed care to the Medicaid Program. Eligible Medicaid clients residing in one of the service delivery areas and who receive certain forms of assistance such as Temporary Assistance to Needy Families (TANF) or TANF related benefits are required to participate in a managed care program.

Goals of the STAR Program

The goals and objectives of the STAR program are to use a managed care delivery system to achieve the following:

- Improve access to care for STAR clients.
- Increase quality and continuity of care, and demonstrate the increase.
- Appropriate utilization of services.
- Improve cost effectiveness.
- Improve Member and Provider satisfaction.

CHIP Overview

CHIP is a state-designed program targeted to provide insurance benefits to children ages 0 through 19 in families between 0 to 200 percent of the Federal Poverty Level (FPL) who are not otherwise eligible for Medicaid, yet cannot afford to buy private insurance. CHIP coverage provides eligible children with coverage for a full range of health services including regular checkups, immunizations, prescription drugs, lab tests, X-rays, hospital visits and more.

CHIP Perinatal Overview

Starting Jan. 1, 2007, CHIP Perinatal coverage began providing prenatal care for the unborn children of low-income women who do not qualify for Medicaid. Once born, the child will receive CHIP benefits for the duration of the 12-month coverage period.

Pharmacy Provider Responsibilities

- Adhere to the Formulary and Preferred Drug List (PDL).
- Coordinate with the prescribing physician.
- Ensure Members receive all medications for which they are eligible.
- Coordination of benefits when a Member also receives Medicare Part D services or other insurance benefits.

For more information about El Paso Health’s Pharmacy Benefit Manager, Navitus Health Solutions, please refer to the Pharmacy Provider Handbook on our website located at: http://www.elpasohealth.com/pdf/PharmacyProviderManual.pdf
SECTION 2: PROVIDERS

GENERAL PROVIDER RIGHTS AND RESPONSIBILITIES

Provider obligations are spelled out in the Provider Agreement. These obligations specify that Providers agree to:

- Maintain any and all licenses required by the State of Texas that govern a Provider’s profession or business
- Notify El Paso Health immediately of any limitation, suspension, or revocation of any license or medical staff Membership
- Maintain a facility that promotes patient safety
- Maintain appropriate professional liability insurance in an amount consistent with the Department of State Health Services (DSHS) requirements
- Meet all credentialing and re-credentialing requirements
- Provider must **never** bill an El Paso Health Member for covered services
- Maintain all medical records for a period of at least seven years from the date of service
- Participate in Provider Orientations and continuing education
- Participate in El Paso Health Quality Assessment and Performance Improvement Program (QIP) Initiatives
- Arrange referrals/authorizations for care and service within El Paso Health network, including facilities and contractors
- Facilitate inpatient and ambulatory services at in-network facilities
- Provider understands that nothing contained in this Manual shall be construed to require any Provider to recommend or withhold any procedure or course of treatment that is not consistent with Provider's best medical judgment. Provider is free to make independent medical recommendations and Members are free to choose to accept or reject any treatment course.
- Not to subcontract for the performance of Contracted Services without the prior written consent of El Paso Health. Any of Provider’s subcontractors providing Contracted Services to El Paso Health Members shall be required to comply with the terms in the provider agreement to the same extent as the Provider.
- Comply with all El Paso Health policies, procedures, rules and regulations including those found in the Provider Manual.
- Comply with requests from:
  - Texas Health and Human Services Commission (THHSC)
  - The Texas Attorney General’s Medicaid Fraud Control Unit
- Comply with State and Federal laws and administrative regulations concerning nondiscrimination on the grounds of race, color, national origin, age, sex, disability, political beliefs, or religion. These laws and codes include
o Title VI of the Civil Rights Act of 1964 (Public Law 88-352)
o Section 504 of the Rehabilitation Act of 1973 Public Law 93-112)
o The Americans with Disabilities Act of 1990 (Public Law 101-336)
o Title 40, Chapter 73, of the Texas Administrative Code
o And all amendments to each and all requirements imposed by the regulations issued about these acts
• Comply with the Health Insurance Portability and Accountability Act of 1996 (HIPAA) (Public Law 104-191)
• Comply with environment protection laws
  o Pro-children Act of 1994 (20 U.S.C 6081)
o National Environmental Policy Act of 1969
  o Clean Air Act and Water Pollution Control Act Regulations (Executive Order 11738)
o State Clean Air Implementation Plan (42 U.S.C. 740)
o Safe Drinking Water Act of 1974 (21 U.S.C 349)
• Comply with Health and Safety Code 85.113, as described in the Texas Medicaid
• Service Delivery Guide under “HIV/AIDS Model Workplace Guidelines”

PLAN TERMINATION

If a Provider wishes to terminate his/her contract with El Paso Health because of re-location outside Texas, retirement or any other reason, they must submit a letter to the Provider Relations Department stating the effective date of their termination from the network. If the Provider has any Members assigned, El Paso Health needs to re-assign them to another Primary Care Provider, thus, at least a 90-day notice is preferred. For other provisions regarding Termination, the Provider is encouraged to refer to Section 9 of their Provider Agreement with El Paso Health.

ROLE OF PRIMARY CARE PROVIDER (PCP)
FOR STAR, CHIP, CHIP PERINATAL NEWBORN MEMBERS

PCP’s Medical Home Responsibilities

The PCP is responsible for establishing the “Medical Home” for those Members who have selected them. The “medical home” concept establishes a patient-Provider relationship to ultimately provide better health outcomes. Primary care includes ongoing responsibility for preventive healthcare, health maintenance, treatment of illness and injuries, and the coordination of access to in-network specialty providers, network Facilities and/or other medically necessary
services. Please refer to ATTACHMENT 1 for a list of services and procedures requiring a pre-authorizations/pre-certification.

PCP’s may provide Behavioral Health related services within the scope if their practice. PCP’s must also be available for urgent or emergency care, directly or through on-call arrangement, 24 hours a day, 7 days a week.

Provider types who are eligible to serve as a PCP include:

- Pediatricians
- Family/General Practitioners
- Internal Medicine
- Obstetrician/Gynecologists (OB/GYN)
- Advanced Practice Registered Nurses (APRNs) and Physician Assistants (PAs) (Practicing under the supervision of a physician specializing in Family Practice, Internal Medicine, Pediatrics or Obstetrics/Gynecology)
- Certified Nurse-Midwives
- Rural Health Clinics (RHCs)
- Federally Qualified Health Centers (FQHCs)
- Specialist Physicians (Willing to provide medical homes to Members who have special needs)

Specialists as PCP

Specialty providers may function as PCPs for Members with disabilities, special health care needs, chronic or complex special healthcare needs or a life threatening illness. The specialty Provider must agree to perform all PCP duties required under the contract and the duties must be within the scope of the specialist’s license. A request for a specialist to serve as a PCP must include the following information to the Medical Director.

- Specific medical need for Member to utilize the specialist as a PCP.
- Written statement signed by the Specialist accepting responsibility for the coordination of all of the Members healthcare needs.
- Completed “Request for Specialist as a PCP” form included for your convenience as ATTACHMENT 2 of this manual. Signature of the Member is also a requirement on the form.
- Specialist must also be willing to contract as a PCP as well as meet all of El Paso Health credentialing requirements.
- Specialist must also be willing to accept responsibility for coordination of all of the Members healthcare needs.

The Medical Director will review all documentation submitted to determine the clinical appropriateness of the request. Written notification of a denial to serve as the Members PCP will be mailed within 30 days. Denials of such request may be appealed following the process.
outlined under Adverse Determination Appeal Process, Section 9; or under Provider Complaints/Appeals Process, Section 10 of this manual.

ROLE OF SPECIALTY CARE PROVIDER FOR STAR, CHIP and CHIP PERINATAL NEWBORN MEMBERS

A Specialty Care Provider partners with the PCP to deliver specialty care to Members. El Paso Health operates a closed specialty network. This means that PCPs must refer Members to El Paso Health Network specialists and facilities only. A key component of the specialist responsibility is to maintain ongoing communication with the Members PCP. The Members PCP must initiate a referral to the specialty care Provider that outlines the necessary treatment for the Member. If the Member’s condition requires urgent care, the specialist should see the Member within 24 hours. For routine care, the specialist should see the Member within two weeks. Specialty care providers and facilities are responsible for ensuring the necessary pre-authorizations/pre-certification has been obtained prior to providing services. Specialty Care Provider responsibilities must adhere to availability and accessibility standards found on p. 23.

Some specialties may include:
- Cardiology
- Dermatology
- Obstetrician/Gynecologists (OB/GYN)
- Orthopaedic Surgery
- Hematology

Referrals are good for a limited number of days as specified by the Member’s PCP. If additional treatment is needed, the Specialty Care Provider must coordinate with the Member’s PCP.

Note: If a specific specialty, facility or contractor does not appear in the network the PCP should contact the El Paso Health’s Utilization Management Department at 915-532-3778 for authorization to refer to an out-of-network Provider.

Members have the right to select and have access to, without a Primary Care Provider referral, a Network ophthalmologist or therapeutic optometrist to provide eye Health Care Services, other than surgery.

ROLE OF A CHIP PERINATAL PROVIDER

To provide OB/GYN services to a CHIP Perinatal mother for the duration of the pregnancy in addition to providing all other services covered under CHIP Perinatal for the CHIP Perinatal newborn Member.
ROLE OF MAIN DENTAL HOME

Dental plan Members may choose their Main Dental Homes. Dental plans will assign each Member to a Main Dental Home if he/she does not timely choose one. Whether chosen or assigned, each Member who is 6 months or older must have a designated Main Dental Home.

A Main Dental Home serves as the Member’s main dentist for all aspects of oral health care. The Main Dental Home has an ongoing relationship with that Member, to provide comprehensive, continuously accessible, coordinated, and family-centered care. The Main Dental Home Provider also makes referrals to dental specialists when appropriate. Federally Qualified Health Centers and individuals who are general dentists and pediatric dentists can serve as Main Dental Homes. Dental plan Members may choose their Main Dental Homes. Dental plans will assign each Member to a Main Dental Home if he/she does not timely choose one. Whether chosen or assigned, each Member who is 6 months or older must have a designated Main Dental Home.

How to Help a Member Find Dental Care

The Dental Plan Member ID card lists the name and phone number of a Member’s Main Dental Home provider. The Member can contact the dental plan to select a different Main Dental Home provider at any time. If the Member selects a different Main Dental Home provider, the change is reflected immediately in the dental plan’s system, and the Member is mailed a new ID card within 5 business days.

If a Member does not have a dental plan assigned or is missing a card from a dental plan, the Member can contact the Medicaid/CHIP Enrollment Broker’s toll-free telephone number at 1-800-964-2777.

ROLE OF PHARMACY

While responsibilities vary among the different areas of pharmacy practice, the main objective of pharmacists is to help Members get well. Pharmacist responsibilities include a range of care for patients, from dispensing medications to monitoring patient health and progress to maximize their response to the medication. Pharmacists also educate consumers and patients on the use of prescriptions and over-the-counter medications, and advice physicians, nurses, and other health professionals on drug decisions. Pharmacists also provide expertise about the composition of drugs, including their chemical, biological, and physical properties and their manufacture and use. They ensure drug purity and strength and make sure that drugs do not interact in a harmful way. Pharmacists are drug experts ultimately concerned about their patients' health and wellness. (Pharmacy College Application Service retrieved from http://www.pharmcas.org/advisors/roleofpharmacist.htm)

Pharmacy Provider Responsibilities

- Pharmacy Providers participating in the El Paso Health’s Provider Network will adhere to the Formulary and Preferred Drug List (PDL) mandated by the Health and Human Services Commission (HHSC).
• Pharmacy Providers will work in coordination with the Member’s prescribing physician to ensure that El Paso Health Members receive the correct medications in accordance with all clinical protocols and administrative policies.

• Pharmacy Providers will ensure that El Paso Health Members receive all medications they are eligible to receive as prescribed by the Members’ physician.

• Pharmacy Providers will ensure that the coordination of benefits occurs when a Member also receives Medicare Part D services or other insurance benefits.

El Paso Health Members have the right to obtain medications from any pharmacy participating in the El Paso Health network.

**Durable Medical Equipment and Other Products Normally Found in a Pharmacy**

El Paso Health reimburses for covered durable medical equipment (DME) and products commonly found in a pharmacy. For all qualified Members, this includes medically necessary items such as nebulizers, ostomy supplies or bed pans, and other supplies and equipment. For children (birth through age 20), El Paso Health also reimburses for items typically covered under the Texas Health Steps Program, such as prescribed over-the-counter drugs, diapers, disposable or expendable medical supplies, and some nutritional products.

All Pharmacy Providers must be enrolled with HHSC’s Vendor Drug Program and are required to adhere to the Preferred Drug List (PDL). Providers must also have a National Provider Identifier (NPI).

To be reimbursed for DME or other products normally found in a pharmacy for children (birth through age 20), a pharmacy must follow the process outlined below:

• El Paso Health obtains a Provider Demographic Form and W-9.

• A credentialing and contract packet is prepared for the Provider.

• Provider goes through the credentialing process and contract remains pending until the completion of the Credentialing Peer Review Committee (CPRC) approval process.

• Provider Agreement is executed and becomes effective the 1st day of the following month after the CPRC approves.

• Copy of the original executed agreement is given to the Provider.

The claims process works the same as for other Providers in the network. For more information, please see Section 12. However, the reimbursement is only for DME services unless the Pharmaceutical is included in the Provider Agreement; Provider must be contracted through the Pharmacy Benefit Manager (PBM) for reimbursement of Pharmacy services. Call 1-877-532-3778 for information about DME and other covered products commonly found in a pharmacy for children (birth through age 20).
NETWORK LIMITATIONS FOR CHIP PERINATAL

The CHIP Perinatal Network is limited to the providers listed below:
- OB/GYN
- Family Practitioners
- General Practitioners
- Nurse Practitioners
- Internists
- Nurse Midwives
- Anesthesiologist
- Neonatologists
- Inpatient Hospital

OB/GYN Providers

El Paso Health allows the Member to pick any OB/GYN, whether that doctor is in the same network as the Member’s Primary Care Provider or not.

Notification of Pregnant Teen

Providers are required to notify El Paso Health immediately when a pregnant CHIP or Medicaid Member is identified. Providers should call 1-877-532-3778 to notify El Paso Health of the pregnancy. For convenience, Providers can use the Case Management Referral Form which can be found on the El Paso Health website at under Providers Forms. This form may be faxed directly to the Case Management Department at 915-298-7866.

ATTENTION FEMALE MEMBERS

Members have the right to pick an OB/GYN without a referral from their Primary Care Provider. An OB/GYN can give the Member:
- One well-woman checkup each year
- Care related to pregnancy
- Care for any female medical condition
- Referral to specialist doctor within the network

Due to CHIP program eligibility changes, most pregnant CHIP teenagers and their newborns may qualify for Medicaid. Since the Medicaid program now provides a much more comprehensive scope of services for both a pregnant teen and their newborn, it is in the best interest of the pregnant teen to receive Medicaid coverage as early as possible. El Paso Health OB Case Management Program will refer the pregnant teen to the eligibility broker. Pregnant CHIP teens that are eligible for Medicaid will be transferred from CHIP to Medicaid as soon as possible. El Paso Health is not responsible for this process.
FAMILY PLANNING PROGRAMS

El Paso Health must educate providers about the following: Family planning programs including the Texas Women's Health Program and DSHS Family Planning, Primary Health Care, and Expanded Primary Health Care programs.

Healthy Texas Women Program provides family planning services and annual exams at no cost to eligible, low income women. Providers may refer Members who are between the ages of 18 – 44 years old and do not receive full Medicaid, CHIP or Medicare Part A or B benefits. Providers may obtain additional information at www.healthytexaswomen.org.

The DSHS Family Planning program partners with local health departments, medical schools and hospitals across the state to provide quality, comprehensive, low-cost and easily accessible reproductive health care to women and men. Eligible individuals include women who have not had sterilization surgery to prevent pregnancy and men who have not had a vasectomy. Providers may learn more about eligibility requirements and available services at http://www.dshs.state.tx.us/famplan/default.shtm.

The Primary Health Care program through DSHS serves women, children and men whose income is at or below 200% of the Federal Poverty Level and are unable to access healthcare through insurance or other programs. Primary Health Care includes early prevention, early detection, and early intervention of health problems. Please visit the Primary Health Care Program website for more information (http://www.dshs.state.tx.us/phc/default.shtm).

DSHS offers primary, preventive and screening services to women age 18 and above whose income is at or below 200% of the Federal Poverty Level through the Expanded Health Care Program. Eligible women receive outreach and direct services through community based clinics and community health workers. Providers may obtain more information at http://www.dshs.state.tx.us/ephc/Expanded-Primary-Health-Care.aspx.

ANCILLARY PROVIDERS

Ancillary providers participating in the El Paso Health Provider network include:

- Durable Medical Equipment
- Outpatient facilities
- Laboratory
- Hospice Care
- Home Health
- Prosthetics and Orthotics
- Home Health
- Physical Therapy and Rehabilitation
- Radiology
- Audiology
- Dietary

Please refer to ATTACHMENT 1 for specific services that must be prior authorized.
MONTHLY MEMBER PANEL ROSTER

Each PCP will receive a monthly roster of all assigned patients before the 5th of each month. The roster will identify each Member assigned to that PCP by location. Any patient appearing on this roster will be the responsibility of that PCP for that particular month.

NETWORK CAPACITY AND LIMITATIONS

All PCPs reserve the right to designate the number of patients they are willing to accept into their practice. PCPs have no limitations on the number of patients that can be assigned to his/her practice. Since assignment is based on the Member’s choice, El Paso Health does not guarantee that any Provider will receive a set number of Members.

If a PCP does declare a specific capacity for his/her practice and wants to make a change to that capacity, the PCP must contact El Paso Health’s Provider Relations Department.

However, HHSC oversees all Medicaid enrolled providers to assure accessibility and quality of care for all Medicaid patients. If HHSC determines that a Medicaid Provider fails to maintain quality and accessible care, the PCP’s panel will be frozen to new enrollments by HHSC. This may also include reassignment of current Members to another PCP panel if necessary.

Specialty Care Providers are not assigned a patient panel but can elect to limit their practice to established patients. Specialty Care Providers must contact El Paso Health’s Provider Relations Department at 915-532-3778 to make these arrangements.

Coordination of Care

El Paso Health and its Providers partner to identify and manage health care services for all Members to include persons with medical and behavioral disabilities, chronic or complex conditions, and Members with Special Health Care Needs (MSHCN) to ensure these Members have a medical home, a system of care that remains stable, services are consistent and unduplicated. These services include developing a plan of care to meet the needs of the Member, and continually updated when applicable. The plan of care or service plan is based on health needs, specialist(s) recommendations, periodic reassessment of the Member’s developmental and functional status and service delivery needs. Members with Special Health Care Needs (MSHCN) are identified by the following groups:

1. ECI program participants
2. Pregnant women identified as high risk, including:
   a. Pregnant Members age 35 and older or 15 and younger;
   b. Pregnant Members diagnosed with pre-eclampsia, high blood pressure, or diabetes;
   c. Pregnant Members with mental health or substance abuse diagnoses;
   d. Pregnant Members with previous pre-term birth, as identified on the perinatal risk report;
3. Members with high-cost catastrophic cases or high service utilization, such as high volume ER or hospital visits;
4. Members with mental illness and co-occurring substance abuse diagnoses;
5. Members with serious ongoing illness or a chronic complex condition that is anticipated to last for a significant period and requires ongoing therapeutic intervention and evaluation such as:
   a. Members diagnosed with respiratory illness (such as COPD, chronic asthma, or cystic fibrosis), diabetes, heart disease, kidney disease, HIV, or AIDS:
   b. Child Members receiving ongoing therapy services which may include PT, OT, ST (e.g. for longer than six months);
   c. Member receiving PCS, PDN, or PPECC services
6. Members identified as having behavioral health issues including substance use disorders, or serious emotional disturbance or serious and persistent mental illness, that may affect their physical health or treatment compliance;

El Paso Health provides information, education and health management programs to Members, families, legally authorized representatives (LAR), PCPs, specialty physicians, and training for community agencies about the care and treatment available in the plan of care or service plan, which will include:

- A multidisciplinary team responsible for the delivery of care when determined to be medically necessary for effective treatment to avoid separate and fragmented evaluations and service plans;
- The patient’s behavioral health Provider, if applicable in the multidisciplinary team serving the Member’s physical and behavioral health needs, to include an exchange of medical records for the patient, as needed;
- Participation in hospital discharge planning;
- Participation in pre-admission hospital planning for non-emergency hospitalizations;
- Developing specialty care and support service recommendations to be incorporated;
- Providing information to the Member, a LAR or the Member’s family concerning the specialty care recommendations; and
- Providing necessary laboratory and ancillary medical tests or procedures to monitor disabilities within the Provider’s office (if available), or at an El Paso Health contracted Provider’s office/facility, which is located at or near the Provider’s office.

El Paso Health’s Health Services Department is available to assist providers with coordination of care efforts and assist Members by issuing referrals for other needed community services. Contact Health Services at 915-532-3778 extension 1500.

**PCPs and Continuity of Care**

El Paso Health requires that the Provider assist in the transition of care for the following circumstances:

- El Paso Health must allow pregnant Members with 12 weeks or less remaining before the expected delivery date to remain under the care of the Member’s current OB/GYN through the Member’s postpartum checkup, even if the Provider is Out-of-Network. If a
Member wants to change her OB/GYN to one who is in the Network, she must be allowed to do so if the Provider to whom she wishes to transfer agrees to accept her in the last trimester of pregnancy.

- El Paso Health’s obligation to reimburse the Member’s existing out-of-network providers for on-going care does not extend to the following:
  1. More than 90 days after a Member enrolls in the HMO’s Program, or
  2. For more than nine (9) months in the case of a Member who, at the time of enrollment in the HMO, has been diagnosed with and receiving treatment for a terminal illness and remains enrolled in the HMO.

- An out-of-network Provider treating a new El Paso Health Member must comply with El Paso Health’s Utilization Management Program and accept standard managed care rates. The out-of-network Provider must transfer the patient’s records to the in-network Provider.

- El Paso Health will continue to facilitate services for Members who move out of the Service Area until such time that Member is removed from El Paso Health’s eligibility.

- Pre-existing conditions are not imposed.

**MEDICAL RECORD STANDARDS**

El Paso Health promotes maintenance of medical records in a legible, current and comprehensive manner that permits effective patient care and quality review. Each Provider must maintain and make available medical records in accordance with the applicable Provider agreement. Medical records must reflect all aspects of patient care, including ancillary services. The use of electronic medical records must conform to the requirements of the Health Insurance Portability and Accountability Act (HIPAA) and other federal and state laws.

As stated in the Provider agreement, section 7.1, the Provider agrees to maintain with respect to each Member a medical record in such form, containing such information, and preserved for such time as is required by reasonable medical practice standards by State and Federal law and applicable licensing and accreditation agencies. Provider also agrees to maintain in accordance with generally-accepted accounting principles, books and records relating to the services rendered to Members and the payment therefore.

El Paso Health requires all providers to have an organized record keeping system with office standards for medical record availability. There are also requirements regarding what information should be kept on the medical record.

El Paso Health has strict internal standards regarding the confidentiality of medical records. No information should be released from the Members’ records without the written consent of the individual Member.
AVAILABILITY AND ACCESSIBILITY

Primary Care Providers are required to have at least one of the following arrangements in place to provide 24-hour, 7-day a week access for managed care clients:

- An office phone answered after-hours by a medical exchange or a professional answering service. If an answering service is used, the following must be met:
  - The answering exchange or service must be able to contact the PCP or designated back-up Provider for immediate assistance
  - The PCP, or designated back-up Provider, must be notified of all calls
  - All calls must be returned in a timely manner by the PCP or designated back-up Provider, no more than 30 minutes after the call
  - The answering service must meet the language requirements of the major population groups in the PCP’s area

- An office phone answered after office hours by an answering machine that instructs the client (in the language of the major population groups) to do one of the following:
  - Call the name and phone number of a medical facility where the client can request to speak with a medical professional to determine whether emergency treatment is appropriate
  - Call another number where the PCP can be reached
  - Call the name and phone number of a medical professional serving as designated back-up. In this situation, the client must be able to speak with the back-up Provider or a clinician who can offer immediate assistance

- An office phone transferred after hours to another location where someone will answer and be able to contact the PCP or designated back-up Provider who can return the call within 30 minutes

PCP’s and Specialty care providers must have adequate office hours to accommodate appointments for Members and arrange for coverage with another El Paso Health Provider during scheduled and unscheduled time off.

Appointment Availability

PCP’s and Specialist must have adequate office hours to accommodate appointments for Members.

The standards listed below are consistent with HHSC requirements for STAR and CHIP.

1. Emergency Services must be provided upon Member presentation at the service delivery site, including at non-network and out-of-area facilities;
2. Urgent care, including urgent specialty care and behavioral health services, must be provided within 24 hours of request; treatment for behavioral health services may be provided by a licensed behavioral health clinician.
3. Primary Routine Care must be provided within 14 days of request;
4. Specialty Routine Care must be provided within 21 days;
5. Initial outpatient behavioral health visits must be provided within 14 days of request;
6. Referrals for routine specialty care must be provided within 5 days of request;
7. Pre-natal care must be provided within 14 days of request, except for high-risk pregnancies or new Members in the third trimester, for whom an appointment must be offered within 5 days, or immediately, if an emergency exists;
8. Preventive health services for adults (21 years and older) must be offered within 90 days of request; and
9. Preventive Health Services for children less than 6 months of age must be provided within 14 days of request. For children 6 months to 20 years of age, services must be provided within 60 days of request. CHIP Members should receive preventive care in accordance with the American Academy of Pediatrics (AAP) periodicity schedule. Medicaid Members should receive preventive care in accordance with the Texas Health Steps periodicity schedule. MCOs must encourage new Members 20 years of age or younger to receive a Texas Health Steps checkup within 90 days of enrollment. For purposes of this requirement, the terms “New Member” is defined in Chapter 12.4 of the UMCM.

Updates to contact information

Network Providers must inform both El Paso Health and HHSC’s administrative services contractor of any changes to the Provider’s address, telephone number, group affiliation, etc.

Member Right to a Second Opinion

El Paso Health requires that each Member have access to a second opinion regarding the use of any healthcare service. A Member must be allowed access to a second opinion from a network or out-of-network Provider if a network Provider is not available, at no additional cost to the Member.

Advanced Directives

Federal and state law require providers to maintain written policies and procedures for informing and providing written information to all adult Members 18 years of age and older about their rights under state and federal law, in advance of their receiving care (Social Security Act §§1902[a][57] and 1903[m][1][A]). The written policies and procedures must contain procedures for providing written information regarding the Member’s right to refuse, withhold, or withdraw medical treatment advance directives. These policies and procedures must comply with provisions contained in 42 CFR §§434.28 and 489, Subpart I, relating to the following state laws and rules:

- A Member’s right to self-determination in making healthcare decisions
  - The Advance Directives Act, Chapter 166, Texas Health and Safety Code, which includes:
    - A Member’s right to execute an advance written directive to physicians and family or surrogates, or to make a non-written directive to administer, withhold or
withdraw life-sustaining treatment in the event of a terminal or irreversible condition

- A Member’s right to make written and non-written Out-of-Hospital Do-Not-Resuscitate Orders
- A Member’s right to execute a Medical Power of Attorney to appoint an agent to make healthcare decisions on the Member’s behalf if the Member becomes incompetent

- These policies can include a clear and precise statement of limitation if a participating Provider cannot or will not implement a Member’s advance directive. A statement of limitation on implementing a Member’s advance directive should include at least the following information:
  - A clarification of the Provider’s conscience objections
  - Identification of the state legal authority permitting a Provider’s conscience objections to carrying out an advance directive
  - A description of the range of medical conditions or procedures affected by the conscience objection

- A Provider cannot require a Member to execute or issue an advance directive as a condition for receiving healthcare services. A Provider cannot discriminate against a Member based on whether or not the Member has executed or issued an advance directive.

A Provider’s policies and procedures must require the Provider to comply with the requirements of state and federal law relating to advance directives

**REPORTING ABUSE, NEGLECT, OR EXPLOITATION (ANE)**

**MEDICAID MANAGED CARE**

**Report suspected Abuse, Neglect, and Exploitation:**

MCOs and providers must report any allegation or suspicion of ANE that occurs within the delivery of long-term services and supports to the appropriate entity. The managed care contracts include MCO and provider responsibilities related to identification and reporting of ANE. Additional state laws related to MCO and provider requirements continue to apply.

**Report to the Department of Aging and Disability Services (DADS) if the victim is an adult or child who resides in or receives services from:**

- Nursing facilities;
- Assisted living facilities;
- Home and Community Support Services Agencies (HCSSAs) – Providers are required to report allegations of ANE to both DFPS and DADS;
- Adult day care centers; or
- Licensed adult foster care providers
Contact DADS at 1-800-647-7418.

**Report to the Department of Family and Protective Services (DFPS) if the victim is one of the following:**

- An adult who is elderly or has a disability, receiving services from:
  - Home and Community Support Services Agencies (HCSSAs) – also required to report any HCSSA allegation to DADS;
  - Unlicensed adult foster care provider with three or fewer beds

- An adult with a disability or child residing in or receiving services from one of the following providers or their contractors:
  - Local Intellectual and Developmental Disability Authority (LIDDA), Local mental health authority (LMHAs), Community center, or Mental health facility operated by the Department of State Health Services;
  - a person who contracts with a Medicaid managed care organization to provide behavioral health services;
  - a managed care organization;
  - an officer, employee, agent, contractor, or subcontractor of a person or entity listed above; and

- An adult with a disability receiving services through the Consumer Directed Services option

Contact DFPS at 1-800-252-5400 or, in non-emergency situations, online at www.txabusehotline.org

**Report to Local Law Enforcement:**

- If a provider is unable to identify state agency jurisdiction but an instance of ANE appears to have occurred, report to a local law enforcement agency and DFPS.

**Failure to Report or False Reporting:**

- It is a criminal offense if a person fails to report suspected ANE of a person to DFPS, DADS, or a law enforcement agency (See: Texas Human Resources Code, Section 48.052; Texas Health & Safety Code, Section 260A.012; and Texas Family Code, Section 261.109).

- It is a criminal offense to knowingly or intentionally report false information to DFPS, DADS, or a law enforcement agency regarding ANE (See: Texas Human Resources Code, Sec. 48.052; Texas Health & Safety Code, Section 260A.013; and Texas Family Code, Section 261.107).

- Everyone has an obligation to report suspected ANE against a child, an adult that is elderly, or an adult with a disability to DFPS. This includes ANE committed by a family member, DFPS licensed foster parent or accredited child placing agency foster home, DFPS licensed general residential operation, or at a childcare center.
The Provider must provide El Paso Health with a copy of the abuse, neglect, and exploitation report findings within one business day of receipt of the findings from the Department of Family and Protective Services (DFPS).

MARKETING GUIDELINES FOR PROVIDERS

E Paso Health providers must adhere to marketing guidelines as outlined by HHSC and in your El Paso Health contract for the STAR Medicaid and CHIP programs. Those guidelines include the following:

Providers must:

- Inform patients of all health plans in which they participate when a patient is making an enrollment decision.
- Market and communicate based on the continuance of the patient/Provider relationship.

Providers (or their office staff) may:

- Display in their offices state approved marketing materials provided it is done equally for all Plans in which they participate.
- Inform the patients of particular hospital services, specialists, or specialty care available in all Plans in which they participate.
- Assist a patient contacting a Plan (or Plans) to determine if a particular specialist or service is available.
- Provide the necessary information for the patient to contact a particular Plan (*but cannot promote any Plan over another*).
- Inform Medicaid recipients they can enroll by calling the STAR Program Help Line at 1-800-964-2777 (*Cannot assist in placing the phone call.*).
- Inform potential CHIP Members they can enroll by calling CHIP at 1-800-647-6558 (*can assist in placing the phone call.*).
- Only directly contact potential Members with whom they have an established relationship (*Relationship is defined as one where services have been provided within the previous 12 months.*).

Providers (or their office staff) cannot:

- Influence a patient to choose one health plan over another.
- Influence patients based upon reimbursement rates or methodology used by a particular Plan.
- Enroll patients in a Plan.
- Stock, reproduce or assist in filling out or otherwise handle the enrollment form.
- Perform direct marketing efforts for one or more health plans.
CREDENTIALING

El Paso Health Credentialing Department follows Utilization Review Accreditation Commission (URAC), National Committee for Quality Assurance (NCQA) guidelines in addition to relevant and federal regulations for initial and re-credentialing standards. El Paso Health requires Providers to be credentialed prior to joining the network with the exception of Hospital Based Providers. Providers are required to be re-credentialed every three years. El Paso Health uses Aperture, the states Credentialing Verification Organization (CVO) vendor for primary source verification. Credentialing applications can be submitted by using Availity’s web-based portal at www.availity.com Providers can contact the Contracting and Credentialing Department at Contracting_Dept@elpasohealth.com for any questions.

COMMUNITY FIRST CHOICE

Program Provider Responsibilities

• The CFC services must be delivered in accordance with the Member’s service plan.

• The program provider must have current documentation which includes the member’s service plan, ID/RC (if applicable), staff training documentation, service delivery logs (documentation showing the delivery of the CFC services), medication administration record (if applicable), and nursing assessment (if applicable)

• The HCS or TxHmL program provider must ensure that the rights of the Members are protected (ex. e.g., privacy during visitation, to send and receive sealed and uncensored mail, to make and receive telephone calls, etc.).

• The program provider must ensure, through initial and periodic training, the continuous availability of qualified service providers who are trained on the current needs and characteristics of the Member being served. This includes the delegation of nursing tasks, dietary needs, behavioral needs, mobility needs, allergies, and any other needs specific to the Member that are required to ensure the Member’s health, safety, and welfare. The program provider must maintain documentation of this training in the Member’s record.

• The program provider must ensure that the staff members have been trained on recognizing and reporting acts or suspected acts of abuse, neglect, and exploitation. The program provider must also show documentation regarding required actions that must be taken when from the time they are notified that a DFPS investigation has begun through the completion of the investigation (ex. e.g., providing medical and psychological services as needed, restricting access by the alleged perpetrator, cooperating with the investigation, etc.). The program provider must also provide the Member/LAR with information on how to report acts or suspected acts of abuse, neglect, and exploitation and the DFPS hotline. (1-800-647-7418).

• The program provider must address any complaints received from a Member/LAR and have documentation showing the attempt(s) at resolution of the complaint. The program provider must provide the Member/LAR with the appropriate contact information for filing a complaint.

• The program provider must not retaliate against a staff member, service provider, Member (or someone on behalf of a Member), or other person who files a complaint,
presents a grievance, or otherwise provides good faith information related to the misuse of restraint, use of seclusion, or possible abuse, neglect, or exploitation.

- The program provider must ensure that the service providers meet all of the personnel requirements (age, high school diploma/GED OR competency exam and three references from non-relatives, current Texas driver’s license and insurance if transporting, criminal history check, employee misconduct registry check, nurse aide registry check, OIG checks). For CFC ERS, the program provider must ensure that the provider of ERS has the appropriate licensure.

- For CFC ERS, the program provider must have the appropriate licensure to deliver the service.

- Per the CFR §441.565 for CFC, the program provider must ensure that any additional training requested by the Member/LAR of CFC PAS or habilitation (HAB) service providers is procured.

- The use of seclusion is prohibited. Documentation regarding the appropriate use of restrictive intervention practices, including restraints must be maintained, including any necessary behavior support plans.

- The program provider must adhere to the MCO financial accountability standards.

- The program provider must prevent conflicts of interest between the program provider, a staff member, or a service provider and a Member, such as the acceptance of payment for goods or services from which the program provider, staff member, or service provider could financially benefit.

- The program provider must prevent financial impropriety toward a Member, including unauthorized disclosure of information related to a Member’s finances and the purchase of goods that a Member cannot use with the Member’s funds.
SECTION 3: COVERED SERVICES

STAR COVERED SERVICES

El Paso Health STAR plan Members are entitled to all medically necessary services covered under the Texas Medicaid Program. Please refer to the current Texas Medicaid Provider Procedures Manual, weekly Texas Medicaid Banner Messages and the bi-monthly Texas Medicaid Bulletin for a more inclusive listing of limitations and exclusions. These services include, but may not be limited to:

- Ambulance services
- Audiology services, including hearing aids, for adults (audiology services and hearing aids for children are a non-capitated service)
- (These services are not subject to the quantitative treatment limitations that apply under traditional, fee-for-service Medicaid coverage. The services may be subject to the HMO’s non-quantitative treatment limitations, provided such limitations comply with the requirements of the Mental Health Parity and Addiction Equity Act of 2008.) Behavioral Health Services, including:
  - Acute Inpatient psychiatric benefits for adults
  - Inpatient mental health services for Children (under age 21)
  - Outpatient mental health services
  - Psychiatry services
  - Counseling services for adults (21 years of age and over)
  - Outpatient substance use disorder treatment services including:
    - Assessment
    - Detoxification services
    - Counseling treatment
    - Medication assisted therapy
  - Residential substance use disorder treatment services including:
  - Detoxification services
  - Substance use disorder treatment (including room and board)
- Birthing services provided by a physician or Advanced Practice Nurse in a licensed birthing center
- Birthing services provided by a licensed birthing center
- Cancer screening, diagnostic, and treatment services
- Chiropractic services
- Dialysis
- Durable medical equipment and supplies
- Emergency Services
• Family planning services
• Home health care services
• Hospital services, including inpatient and outpatient
• Laboratory
• Mastectomy, breast reconstruction, and related follow-up procedures, including:
  o inpatient services; outpatient services provided at an outpatient hospital and ambulatory health care center as clinically appropriate; and physician and professional services provided in an office, inpatient, or outpatient setting for:
  o all stages of reconstruction on the breast(s) on which medically necessary mastectomy procedure(s) have been performed;
  o surgery and reconstruction on the other breast to produce symmetrical appearance;
  o treatment of physical complications from the mastectomy and treatment of lymphedemas; and
  o prophylactic mastectomy to prevent the development of breast cancer.
  o external breast prosthesis for the breast(s) on which medically necessary mastectomy procedure(s) have been performed.
• Medical checkups and Comprehensive Care Program (CCP) Services for children (under age 21) through the Texas Health Steps Program
• Oral evaluation and fluoride varnish in the Medical Home in conjunction with Texas Health Steps medical checkup for children 6 months through 35 months of age.
• Podiatry
• Prenatal care
• Primary care services
• Preventive services including an annual adult well check for patients 21 years of age and over
• Radiology, imaging, and X-rays
• Specialty physician services
• Therapies – physical, occupational and speech
• Transplantation of organs and tissues
• Vision (Includes optometry and glasses. Contact lenses are only covered if they are medically necessary for vision correction, which cannot be accomplished by glasses.)

Attention Deficit Hyperactivity Disorder (ADHD)

Providers will be reimbursed for the treatment of ADHD in children who are Members and providers may conduct follow-up visits with children for whom they have prescribed ADHD medications.
For training materials, please reference the clinical practice guidelines found here Practice Parameter for the Assessment and Treatment of Children and Adolescents with Attention-Deficit/Hyperactivity Disorder.

El Paso Health (EPH) encourages Providers during quarterly Provider Orientation, trainings and on-site visits to utilize evidence-based guidelines for the effective diagnosis and treatment of ADHD and other behavioral health conditions by promoting mental health screening for Members from birth to age 20. EPH supports delivery of services to include the following assessments that will assist Providers in determining the best course of action for our Members:

<table>
<thead>
<tr>
<th>Assessments</th>
</tr>
</thead>
<tbody>
<tr>
<td>Health and Behavior Assessment (HBAI)</td>
</tr>
<tr>
<td>To identify the psychological, behavioral, emotional, cognitive and social factors important to prevention, treatment or management of physical health symptoms.</td>
</tr>
<tr>
<td>Screening, Brief Intervention, and Referral to Treatment (SBIRT)</td>
</tr>
<tr>
<td>Early intervention and treatment services for Members who are 10 years of age and older and who have alcohol or substance use disorders or are at risk of developing such disorders.</td>
</tr>
</tbody>
</table>

**Prescribed Pediatric Extended Care Centers and Private Duty Nursing**

A Member has a choice of PDN, PPECC, or a combination of both PDN and PPECC for ongoing skilled nursing. PDN and PPECC are considered equivalent services, and must be coordinated to prevent duplication. A Member may receive both in the same day, but not simultaneously (e.g., PDN may be provided before or after PPECC services are provided.) The combined total hours between PDN and PPECC services are not anticipated to increase unless there is a change in the Member's medical condition or the authorized hours are not commensurate with the Member's medical needs. Per 1 Tex. Admin. Code §363.209 (c)(3), PPECC services are intended to be a one-to-one replacement of PDN hours unless additional hours are medically necessary.

**Vision**

El Paso Health has contracted with Envolve Benefit Options (formerly OptiCare/AECC Total Vision Health Plan of Texas, Inc.) to provide our Members’ eye care benefits.

Envolve has been providing comprehensive and affordable eye care services for over 25 years. Envolve has an extensive local Provider network of Optometrists and Ophthalmologists. For more information please use the Envolve website [www.opticare.com](http://www.opticare.com) or call (888) 310-8037.

**MEDICAL TRANSPORTATION PROGRAM (MTP)**

**What is MTP?**

MTP is a state administered program that provides Non-Emergency Medical Transportation (NEMT) services statewide for eligible Medicaid clients who have no other means of
transportation to attend their covered healthcare appointments. MTP can help with rides to the doctor, dentist, hospital, drug store, and any other place you get Medicaid services.

What services are offered by MTP?
- Passes or tickets for transportation such as mass transit within and between cities or states, to include rail, bus, or commercial air
- Curb to curb service provided by taxi, wheelchair van, and other transportation vehicles
- Mileage reimbursement for a registered individual transportation participant (ITP) to a covered healthcare event. The ITP can be the responsible party, family member, friend, neighbor, or client.
- Meals and lodging allowance when treatment requires an overnight stay outside the county of residence
- Attendant services (a responsible adult who accompanies a minor or an attendant needed for mobility assistance or due to medical necessity, who accompanies the client to a healthcare service)
- Advanced funds to cover authorized transportation services prior to travel

Call MTP:
For more information about services offered by MTP, clients, advocates and providers can call the toll free line at 1-877-633-8747. In order to be transferred to the appropriate transportation provider, clients are asked to have either their Medicaid ID# or zip code available at the time of the call.

ADDITIONAL TRANSPORTATION BENEFITS
El Paso Health also offers additional transportation services for medical appointments, when MTP is not an option or is unavailable. Members or their advocates may call the Member Services Department at 915-532-3778 to request transportation services offered through El Paso Health Value Added Services. Transportation requests should be requested at least 48-hours before the scheduled appointment. The following Member information must be provided to the intake operator at the time of the call:
- Medicaid ID number
- Name, address, and telephone number
- Name, address, and telephone number of the healthcare Provider
- Purpose of the trip
- Affirmation that no other means of transportation are available
- Special needs, wheelchair lift, or attendant need

Transportation Limitations
Members and their attendants are not eligible to receive medical transportation services under the following circumstances:
• Transportation for children who are younger than 18 years of age and not accompanied by a parent or legal guardian, unless one of the following conditions exists:
  • The Member is between 15 through 17 years of age and presents the parent’s or legal guardian’s signed, written consent for the transportation services
  • Transportation to or from a day activity health services facility, personal care home, state institution, nursing facility (unless the Member requires dialysis treatment), or facility participating in another Title XIX program for which the reimbursement rate structure includes transportation funds
  • Transportation when the Member or another person or entity providing care for the Member receives direct payment of worker’s compensation benefits, U.S. Department of Veterans Affairs benefits, or other third-party resources for transportation to healthcare services on the Member’s behalf
  • Transportation when the Member is an inpatient in a healthcare facility
  • Transportation of deceased Members

Self-Referred Services

Members enrolled in El Paso Health STAR plan may self-refer to any Medicaid participating Provider for the following services:

• Emergency Services – In case of a true medical emergency, Members may seek emergency medical services from the nearest facility. The emergency facility is required to contact the Member’s PCP within 24 hours or close of the next business day after providing service. PCPs or designee must be available to respond to an ER call promptly. If the emergency visit results in an admission, the facility must also notify El Paso Health within 10 days of admission.

• Family Planning Services – Include preventive health, medical counseling, and educational services that assist individuals to control their fertility and achieve optimal reproductive and general health. Members are free to select any Texas Medicaid family planning Provider to access family planning services. PCPs are encouraged to provide these services if requested by a Member. Members are not required to obtain Family Planning services from their PCP.

• Early Childhood Intervention (ECI) – Case Management for Early Childhood Intervention.

• Case Management for Children and Pregnant Women (CPW) – provides services to children with a health condition/health risk, birth through 20 years of age and to high-risk pregnant women of all ages, in order to help them gain access to medical, social, educational and other health-related services.

• School Health and Related Services (SHARS) – Members may select any qualified Provider to access medically necessary and reasonable services to ensure that Medicaid-eligible children with disabilities receive the benefits mandated by Federal and state legislation that guarantees a free and appropriate public education.

• School-Based Clinic Services – Members may receive services from school-based clinics without a referral from their PCP.
• Routine Vision Services – Members may self-refer themselves to any participating Provider in the Opti-Care Provider network without a referral from their PCP.

• Behavioral Health Services – Members may go to any participating behavioral health Provider in the Provider network without a referral from their PCP.

El Paso Health will require an authorization for subsequent visits. Authorization of services may be obtained by submitting a prior authorization form to the Health Services Department via fax, telephonically or electronically. Providers should submit prior authorization requests utilizing the Pre-certification Fax Form for OUTPATIENT /INPATIENT Behavioral Health included as ATTACHMENT 11 of this manual.

• Dental Services – Members may self-refer themselves to any Medicaid participating dentist. Children under the age of 21 can receive dental care. This care includes: fillings, getting teeth pulled, crowns, root canals, and teeth cleaning every 6 months and getting wisdom teeth pulled. If Member are 21 or older, Medicaid will cover Members’ dental care only if it is an emergency that puts Members’ life in danger.

Additional STAR Benefits

• Unlimited Prescriptions for Adults – the three prescriptions per month limit has been eliminated. Under the STAR program, El Paso Health Members are entitled to all medically necessary prescriptions. El Paso Health is responsible for administering the prescription program. A Medicaid formulary listing is included on the Vendor Drug Programs Website, at: http://www.hhsc.state.tx.us/HCF/vdp/vdpstart.html

• Unlimited Medically Necessary Inpatient Days – The 30-day spell of illness limitation has been removed for STAR program and El Paso Health Members over age of 21 who require inpatient hospital care

• Spell-of-illness limitation does not apply for STAR Members.

• $200,000 annual limit on inpatient services does not apply for STAR Members.

Additional CHIP and CHIP Perinatal Benefits

There is no spell-of-illness limitation for CHIP Members and CHIP Perinatal Newborn Members.
VALUE ADDED SERVICES FOR STAR MEMBERS

El Paso Health is pleased to offer additional services to our Members. We believe these services will help promote wellness by teaching children how to manage a chronic condition. Through a combination of Case Management and Health Education, El Paso Health staff will use a variety of sources to develop training and educational programs for Members. For more information, please call an El Paso Health Case Manager for more information at 915-532-3778. The following is a list of the value added services:

Effective September 1, 2020 - El Paso Health STAR Members:

- The First-Steps program offers Baby Shower gifts and a convertible car seat. Gift cards are offered for completion of specific activities related to your pregnancy and delivery. The gift card awards are given for the following:
  - $25 – Prenatal visit in the first trimester or within 42 days of enrollment.
  - $20 – 3rd prenatal visit.
  - $20 – 6th prenatal visit.
  - $20 – 9th prenatal visit.
  - $20 – a flu shot during pregnancy,
  - $25 – postpartum visit within 21-56 days of delivery.

## Member Handbook

All Members receive a Member handbook when enrolled with El Paso Health. This handbook includes information about El Paso Health that the Member needs to know, including benefits. A copy of the El Paso Health Member handbook can be obtained by contacting Member Services at 915-532-3778.

## Network Hospitals

A network hospital is one that is contracted to provide services to El Paso Health Members. Individual reimbursement arrangements are negotiated between El Paso Health and the hospital. The following hospitals are considered to be in network.

- University Medical Center of El Paso
- Sierra/Providence/Sierra-Providence East/ Sierra-Providence Rehabilitation
- Las Palmas/Del Sol
- Physicians East
El Paso Children’s Hospital
Peak Behavioral Health
University Behavioral Health

Out-of-Network Hospitals

An out-of-network hospital is one that is not contracted to provide services to El Paso Health Members:

- Out-of-network hospitals are reimbursed only for inpatient services provided to El Paso Health Members as the result of an emergency admission. Inpatient services are reimbursed at the rate paid by the traditional Medicaid program.
- Reimbursement for emergency treatment will be made at the current Medicaid rates.

Hospitals that are not contracted with El Paso Health are reimbursed according to traditional fee-for-service rates.

Coordination with Non-Medicaid Managed Care Covered Services

The State of Texas has chosen to provide certain services to clients under individual contracts with those providers. El Paso Health staff will work closely with providers and vendors to assure that Members receive all medically appropriate and necessary services. A PCP is the coordinator of health services for his/her Members, whether services are delivered within or outside their office. They are responsible for arranging and coordinating appropriate referrals to other providers and specialists and for managing, monitoring, and documenting the services of other providers. Providers may call the Case Manager for assistance in accessing these services and scheduling of appointments.

PCPs are responsible for the appropriate coordination and referral of El Paso Health Members for the following non-Medicaid Managed Care Covered Services (Non-Capitated Services), as identified in the Texas Medicaid Provider Procedures Manual:

- Texas Health Steps Dental (including orthodontia)
- Texas Health Steps environmental lead investigation (ELI)
- Early Childhood Intervention (ECI) Case Management/Service Coordination
- Early Childhood Intervention Specialized Skills Training
- Department of State Health Services (DSHS) Targeted Case Management (non-capitated service coordinated by LMHAs until August 31, 2014)
- DSHS Mental health rehabilitation (non-capitated until August 31, 2014)
- Mental Health Targeted Case Management
- Case Management for Children and Pregnant Women (CPW)
- Texas Health Steps Medical Case Management (STAR)
- Texas School Health and Related Services (SHARS)
• Department of Assistive and Rehabilitative Services (DARS) Blind Children’s Vocational Discovery and Development Program
• Texas Commission for the Blind (TCB) Case Management
• Tuberculosis services provided by DSHS-approved providers (directly observed therapy and contact investigation)
• Women, Infants and Children nutrition program (WIC)
• Texas Agency Administered Programs and Case Management Services
• Health and Human Services Commission’s Medical Transportation Program (MTP)
  o A summary of the MTP services can be found p. 32 of this Manual
• Department of Aging and Disability Services (DADS) hospice services
• Admissions to inpatient mental health facilities as a condition of probation
• Texas Health Steps Personal Care Services for Members birth through age 20
• DADS contracted providers of long-term services and supports (LTSS) for individuals who have intellectual or developmental disabilities.
• DADS contracted providers of case management or service coordination services for individuals who have intellectual or developmental disabilities.
• Essential Public Health Services
• Gastric procedures for weight loss

El Paso Health contracts with the City/County Health Department to ensure its Members have the availability of all public health services, such as TB services. Should Member desire assistance with referring a Member to the City/County Health Department, Member may call a Case Manager.

El Paso Health and providers must coordinate services with the Texas Department of Family and Protective Services (DFPS) (formerly the Department of Protective and Regulatory Services) for those children who are receiving services from or are placed in conservatorship with DFPS. These services cannot be denied, reduced, or converted for any reason without court approval. A Member or the parent or guardian whose rights are subject to an Order or Service Plan cannot use El Paso Health’s Complaint or Appeal processes, or the HHSC Fair Hearing process to Appeal the necessity of the Covered Services.

Providers are required to cooperate with TDFPS by providing medical records when requested, scheduling medical and behavioral health appointments within 14 days unless requested earlier by TDFPS and recognizing and referring abuse and neglect as appropriate. El Paso Health will continue to provide all Covered Services to a Member receiving services from, or in the protective custody of, TDFPS until the Member has been: (1) disenrolled due to loss of Medicaid managed care eligibility; or (2) enrolled in HHSC’s managed care program for children in foster care.
CHIP COVERED SERVICES

Benefits

- Inpatient General Acute and Inpatient Rehabilitation Hospital Services
- Transplants
- Outpatient Hospital, Comprehensive Outpatient Rehabilitation Hospital, Clinic (including Health Center) and Ambulatory Health Care Center
- Physician/Physician Extender Professional Services
- Home and Community Health Services
- Rehabilitation Services
- Emergency Services, including Emergency Hospitals, Physicians, and Ambulance Services
- Chiropractic Services
- Tobacco Cessation Programs

A copy of the Evidence of Coverage (EOC) is included as ATTACHMENT 7 of this manual. The CHIP Schedule of Benefits is as follows:

<table>
<thead>
<tr>
<th>Covered Benefit</th>

### Notification of Pregnant CHIP Member

The Provider will be required to notify El Paso Health in the event that a CHIP Member becomes pregnant. Teens will be directed to enroll in Medicaid when a pregnancy has been diagnosed. A Member who is potentially eligible for Medicaid must apply for Medicaid. A Member who is determined to be Medicaid eligible will no longer be eligible for CHIP. Please call 1-877-532-3778 to notify El Paso Health of the pregnancy. For convenience of our providers the Case Management Referral Form which can be found on the El Paso Health website at under Providers Forms. This form may be faxed directly to the Case Management Department at 915-298-7866 for any Member with a high risk condition.

### CHIP Member Prescriptions
CHIP Members are eligible to receive an unlimited number of prescriptions per month and may receive up to a 90-day supply of the drug.

VISION

El Paso Health has contracted with Envolve Benefit Options (formerly OptiCare/AECC Total Vision Health Plan of Texas, Inc.) to provide our Members’ eye care benefits.

Envolve has been providing comprehensive and affordable eye care services for over 25 years. Envolve has an extensive local Provider network of Optometrists and Ophthalmologists. For more information please use the Envolve website www.opticare.com or call (888) 310-8037.

CHIP VACCINE PROGRAM

The Texas Department of State Health Services (DSHS) will use the Centers for Disease Control and Prevention federal contracts to purchase vaccines for provision to providers enrolled in the CHIP. The vaccines purchased will be based on the most current recommended childhood immunization schedule of the Advisory Committee on Immunization Practices (ACIP). DSHS will purchase, store, and distribute vaccines purchased using the vaccine delivery system operated by DSHS.

DSHS and the Texas Health and Human Services Commission (HHSC) will provide information and training, as necessary, to providers, healthcare plans, and parents of CHIP-eligible children regarding the CHIP vaccine program. CHIP providers must complete and submit the vaccine accounting documents to DSHS. The documentation required tracks the requirements for the Texas Vaccines for Children Program (TVFC) with forms designated as "CHIP".

Please feel free to contact the nearest health service regional office or a TVFC Consultant at 512-458-7284, or toll-free at 1-800-252-9152 as the vaccines are available through the Texas Vaccines for Children Program, El Paso Health will reimburse providers an administration fee only.

CHIP CO-PAYMENTS

The following table lists the CHIP co-payment schedule according to family income. Co-payments for medical services or prescription drugs are to be collected by the healthcare Provider at the time of service. There are no co-payments for preventive care such as well-child or well-baby visits or immunizations.

Each child’s health plan ID card lists the co-payments that apply to that family situation. The member’s ID card must be presented when they receive an office visit, emergency services, or have a prescription filled. The table below lists the various co-payments.

<table>
<thead>
<tr>
<th>Federal Poverty Levels</th>
<th>Office Visit</th>
<th>None-Emergency ER</th>
<th>Prescription Generic Drugs</th>
<th>Prescription Brand Name Drugs</th>
<th>Facility Co-pay Inpatient</th>
<th>Annual Co-pay Maximum</th>
</tr>
</thead>
</table>
COORDINATION WITH NON-CHIP COVERED SERVICES

The services listed in the following are accessed outside of the El Paso Health network, and are not part of the CHIP managed care programs.

- Texas Agency Administered Programs and Case Management Services
- Essential Public Health Services

All El Paso Health providers are encouraged to refer to and coordinate services with the above agencies. If more information or assistance is required, contact El Paso Health’s Member Services at (915)532-3778.

CHIP PERINATAL COVERED SERVICES

CHIP COVERED SERVICES FOR CHIP PERINATAL (Pregnant Mother)
CHIP Perinatal Evidence of Coverage is included as ATTACHMENT 8 of this manual. The schedule of benefits is as follows:

**Emergency Services, including Emergency Hospitals, Physicians, and Ambulance Services**

El Paso Health cannot require authorization as a condition for payment for emergency conditions related to labor and delivery.

Covered services are limited to those emergency services that are directly related to the delivery of the covered unborn child until birth.

- Emergency services based on prudent lay person definition of emergency health condition
- Medical screening examination to determine emergency when directly related to the delivery of the covered unborn child.
- Stabilization services related to the labor and delivery of the covered unborn child.
- Emergency ground, air and water transportation for labor and threatened labor is a covered benefit.
- Emergency services associated with (a) miscarriage or (b) a non-viable pregnancy (molar pregnancy, ectopic pregnancy, or a fetus that expired in utero.)

Post-delivery services or complications resulting in the need for emergency services for the mother of the CHIP Perinate are not a covered benefit.

<td>A $10 movie gift card is offered to members 18 years and younger who complete a follow-up psychiatrist visit within 7 days of a behavioral health inpatient hospital stay. Members can receive one movie gift card per year.</td>
</tr>
</tbody>
</table>

### CHIP PERINATAL EXCLUSIONS FROM COVERED SERVICES FOR CHIP PERINATES (PREGNANT MEMBER)

- For CHIP Perinates in families with incomes at or below 185% of the Federal Poverty Level, inpatient facility charges are not a covered benefit if associated with the initial Perinatal Newborn admission. “Initial Perinatal Newborn admission” means the hospitalization associated with the birth.
- Inpatient and outpatient treatments other than prenatal care, labor with delivery, and postpartum care related to the covered unborn child until birth. Services related to preterm, false or other labor not resulting in delivery are excluded services.
- Inpatient mental health services.
- Outpatient mental health services.
- Durable medical equipment or other medically related remedial devices.
- Disposable medical supplies.
- Home and community-based health care services.
- Nursing care services.
- Dental services.
- Inpatient substance abuse treatment services and residential substance abuse treatment services.
- Outpatient substance abuse treatment services.
- Physical therapy, occupational therapy, and services for individuals with speech, hearing, and language disorders.
- Hospice care.
- Skilled nursing facility and rehabilitation hospital services.
- Emergency services other than those directly related to the delivery of the covered unborn child.
- Transplant services.
- Tobacco Cessation Programs.
- Chiropractic Services.
• Medical transportation not directly related to the labor or threatened labor and/or delivery of the covered unborn child.

• Personal comfort items including but not limited to personal care kits provided on inpatient admission, telephone, television, newborn infant photographs, meals for guests of patient, and other articles that are not required for the specific treatment related to labor and delivery or post-partum care.

• Experimental and/or investigational medical, surgical or other health care procedures or services that are not generally employed or recognized within the medical community. This exclusion is an adverse determination and is eligible for review by an Independent Review Organization (as described in D, “External Review by Independent Review Organization”).

• Treatment or evaluations required by third parties including, but not limited to, those for schools, employment, flight clearance, camps, insurance or court.

• Private duty nursing services when performed on an inpatient basis or in a skilled nursing facility.

• Mechanical organ replacement devices including, but not limited to artificial heart

• Hospital services and supplies when confinement is solely for diagnostic testing purposes and not a part of labor and delivery.

• Prostate and mammography screening.

• Elective surgery to correct vision.

• Gastric procedures for weight loss.

• Cosmetic surgery/services solely for cosmetic purposes.

• Dental devices solely for cosmetic purposes.

• Out-of-network services not authorized by the Health Plan except for emergency care related to the labor and delivery of the covered unborn child.

• Services, supplies, meal replacements or supplements provided for weight control or the treatment of obesity.

• Medications prescribed for weight loss or gain.

• Acupuncture services, naturopathy and hypnotherapy.

• Immunizations solely for foreign travel.

• Routine foot care such as hygienic care (routine foot care does not include treatment of injury or complications of diabetes).

• Diagnosis and treatment of weak, strained, or flat feet and the cutting or removal of corns, calluses and toenails (this does not apply to the removal of nail roots or surgical treatment of conditions underlying corns, calluses or ingrown toenails).

• Corrective orthopedic shoes.

• Convenience items.

• Over-the-counter medications

• Orthotics primarily used for athletic or recreational purposes
- Custodial care (care that assists with the activities of daily living, such as assistance in walking, getting in and out of bed, bathing, dressing, feeding, toileting, special diet preparation, and medication supervision that is usually self-administered or provided by a caregiver. This care does not require the continuing attention of trained medical or paramedical personnel.)
- Housekeeping.
- Public facility services and care for conditions that federal, state, or local law requires be provided in a public facility or care provided while in the custody of legal authorities.
- Services or supplies received from a nurse that do not require the skill and training of a nurse.
- Vision training, vision therapy, or vision services.
- Reimbursement for school-based physical therapy, occupational therapy, or speech therapy services is not covered.
- Donor non-medical expenses.
- Charges incurred as a donor of an organ.
- Coverage while traveling outside of the United States and U.S. Territories (including Puerto Rico, U.S. Virgin Islands, Commonwealth of Northern Mariana Islands, Guam, and American Samoa).

**CHIP COVERED SERVICES FOR CHIP PERINATAL (NEWBORN MEMBERS)**

must be presented to the court with jurisdiction over the matter for determination.

▪ A Qualified Mental Health Provider – Community Services (QMHP-CS), is defined by the Texas Department of State Health Services (DSHS) in Title 25 T.A.C., Part I, Chapter 412 Subchapter G, Division 1, §412.303(31). QMHP-CSs shall be providers working through a DSHS-contracted Local Mental Health Authority or a separate DSHS-contracted entity. QMHP-CSs shall be supervised by a licensed mental health professional or physician and provide services in accordance with DSHS standards. Those services include individual and group skills training (that can be components of interventions such as day treatment and in-home services), patient and family education, and crisis services.

<td></td>
<td>• Inpatient and outpatient infertility treatments or reproductive services other than prenatal care, labor and delivery, and care related to disease, illnesses, or abnormalities related to the reproductive system.</td>
<td></td>
</tr>
<tr>
<td></td>
<td>• Contraceptive medications prescribed only for the purpose of primary and preventive reproductive health care (i.e. cannot be prescribed for family planning).</td>
<td></td>
</tr>
</tbody>
</table>
• Personal comfort items including but not limited to personal care kits provided on inpatient admission, telephone, television, newborn infant photographs, meals for guests of patient, and other articles that are not required for the specific treatment of sickness or injury.

• Experimental and/or investigational medical, surgical or other health care procedures or services that are not generally employed or recognized within the medical community. This exclusion is an adverse determination and is eligible for review by an Independent Review Organization (as described in D, “External Review by Independent Review Organization”).

• Treatment or evaluations required by third parties including, but not limited to, those for schools, employment, flight clearance, camps, insurance or court.

• Private duty nursing services when performed on an inpatient basis or in a skilled nursing facility.

• Mechanical organ replacement devices including, but not limited to artificial heart.

• Hospital services and supplies when confinement is solely for diagnostic testing purposes, unless otherwise pre-authorized by Health Plan.

• Medications prescribed for weight loss or gain

• Prostate and mammography screening.

• Elective surgery to correct vision.

• Gastric procedures for weight loss.

• Cosmetic surgery/services solely for cosmetic purposes.

• Dental devices solely for cosmetic purposes.

• Out-of-network services not authorized by the Health Plan except for emergency care and physician services for a mother and her newborn(s) for up to 48 hours following an uncomplicated vaginal delivery and 96 hours following an uncomplicated delivery by caesarian section.

• Services, supplies, meal replacements or supplements provided for weight control or the treatment of obesity, except for the services associated with the treatment for morbid obesity as part of a treatment plan approved by the Health Plan.

• Acupuncture services, naturopathy and hypnotherapy.

• Immunizations solely for foreign travel.

• Routine foot care such as hygienic care (routine foot care does not include treatment injury or complications of diabetes).

• Diagnosis and treatment of weak, strained, or flat feet and the cutting or removal of corns, calluses and toenails (this does not apply to the removal of nail roots or surgical treatment of conditions underlying corns, calluses or ingrown toenails).

• Replacement or repair of prosthetic devices and durable medical equipment due to misuse, abuse or loss when confirmed by the Member or the vendor.

• Corrective orthopedic shoes.

• Convenience items.
• Over-the-counter medications.
• Orthotics primarily used for athletic or recreational purposes.
• Custodial care (care that assists a child with the activities of daily living, such as assistance in walking, getting in and out of bed, bathing, dressing, feeding, toileting, special diet preparation, and medication supervision that is usually self-administered or provided by a parent. This care does not require the continuing attention of trained medical or paramedical personnel.) This exclusion does not apply to hospice.
• Housekeeping.
• Public facility services and care for conditions that federal, state, or local law requires be provided in a public facility or care provided while in the custody of legal authorities.
• Services or supplies received from a nurse that does not require the skill and training of a nurse.
• Vision training and vision therapy.
• Reimbursement for school-based physical therapy, occupational therapy, or speech therapy services are not covered except when ordered by a Physician/PCP.
• Donor non-medical expenses.
• Charges incurred as a donor of an organ when the recipient is not covered under this health plan.
• Coverage while traveling outside of the United States and U.S. Territories (including Puerto Rico, U.S. Virgin Islands, Commonwealth of Northern Mariana Islands, Guam, and American Samoa).

**CHIP PERINATE DME/SUPPLIES**

Note: DME/SUPPLIES are not a covered benefit for CHIP Perinate Members but are a benefit for CHIP Perinate Newborns.

</table>

*CHIP Perinatal Members with household incomes at or below 198% FPL must apply for Emergency Medicaid coverage for labor and delivery services. HHSC mails the pregnant woman an Emergency Medicaid application 30 days before her reported due date. When Emergency Medicaid covers a birth, the newborn is certified for 12 months of Medicaid coverage, beginning on the date of birth.

**These newborns will be in FFS Medicaid until they are enrolled with a STAR MCO. Claims should be filed with TMHP using the newborn’s Medicaid ID if the mother does not have coverage.
SECTION 4: TEXAS HEALTH STEPS

TEXAS HEALTH STEPS OVERVIEW

The Early and Periodic Screening, Diagnosis, and Treatment (EPSDT) service is Medicaid’s comprehensive preventive child health service for children, adolescents and young adults birth through 20 years of age. In Texas, EPSDT is known as Texas Health Steps. EPSDT was defined by federal law as part of the Omnibus Budget Reconciliation Act (OBRA) of 1989 and includes periodic screening, vision, hearing, and dental preventive and treatment services. These additional services are available through the Comprehensive Care Program (CCP). For information regarding Texas Health Steps please refer to the most current issue of the Texas Medicaid Provider Procedures Manual.

STATUTORY REQUIREMENTS

Several specific legislative requirements affect the Texas Health Steps Program and the providers participating in the program. Please refer to the current Texas Medicaid Provider Procedures Manual for information regarding Texas Health Steps and Comprehensive Care Program services, including private duty nursing, prescribed pediatric extended care centers, and therapies. Some of the requirements include, but are not limited to, the following:

- The Health and Safety Code (HSC), Chapter 33, Section §33.011, implemented by the rules found at 25 TAC, Part 1, Chapter 37, Subchapter D, requires testing of all newborns for phenylketonuria (PKU), other heritable diseases, or hypothyroidism. A current list of 27 disorders is found at www.dshs.state.tx.us/newborn /quickreference.shtml.

- Parental Accompaniment, as outlined in Appendix K of the Texas Health Steps Statutory Requirements, “Parental Accompaniment” HRC §§32.024(s)-(s-1) requires, as a condition for Provider reimbursement, a child 14 years of age or younger be accompanied by the child’s parent, guardian, or other authorized adult during medical and dental checkups and dental treatment. DSHS implemented this requirement through rules found in 25 TAC §33.2 (Definitions) and 25 TAC §33.6 (THSteps Provider Responsibilities).

- Professionals, as defined in TFC §261.101 (b), are required to report abuse or neglect no later than the 48th hour after the hour in which the professional first has cause to believe the child has been or may be abused or is the victim of the offense of indecency with a child.

- ECI is a coordinated system of services available in every Texas County for children who are birth through 36 months of age with disabilities or delays. ECI is federally and state funded through the Title 20 Individuals with Disabilities Education Act (IDEA), Chapter 33, and Texas Human Resources Code (HRC), Chapter 73. ECI provides support to families to help their children reach their potential through developmental services.

- Reports of Childhood Lead Poisoning, Chapter 88, Health & Safety Code, and Title 25 Texas Administrative Code (TAC), Chapter 37. The Texas Childhood Lead Poisoning Prevention Program (TXCLPPP) maintains a surveillance system of blood lead results on
children younger than 15 years of age. Texas law requires reporting of blood lead tests, elevated and non-elevated, for children younger than 15 years of age. Physicians, laboratories, hospitals, clinics, and other healthcare facilities must report all blood lead tests to the Texas Child Lead Registry.

- Teen Confidentiality Issues. The Department of State Health Services has developed the Adolescent Health Guide, designed for health care providers, social workers, counselors, teachers and other professionals who provide services, information, and support to young people. It offers guidelines on health and health-related legal issues pertinent to the adolescent years. A link to the Adolescent Health Guide can be found at www.dshs.state.tx.us/thsteps/providers.shtm

Texas Health Steps is the Medicaid healthcare program for children, teens and young adults, birth through age 20, covering comprehensive medical checkups and treatment services. Texas Health Steps medical checkups are important and should be set up within 60 days of becoming an El Paso Health Member. Even if a child looks and feels good, he or she may still have a health problem that needs to be treated. Effective July 1, 2009 as per the Frew v. Suehs' Corrective Action Order: Healthcare Provider Training, HHSC must recognize Medicaid enrolled health care providers who complete training on Frew and/or Texas Health Steps related topics. HHSC and DSHS recognize providers on a quarterly basis on the HHSC website. The Frew Provider training recognition requirement also requires that providers will be given an opt-out option if they choose not to be recognized by HHSC for completing the required training. El Paso Health encourages their health care providers to take the training modules available through the DSHS Online Provider Education located on the DSHS website at http://www.txhealthsteps.com. All Texas Health Steps Providers who have their own practice or belong to a group are required to complete the Online Modules. Additional information may be found on the website. You can also access this link at the El Paso Health website by clicking at: http://www.elpasohealth.com/providers/texas-health-steps-for-providers and selecting Texas Health Steps Online Provider Education.

DOCUMENTATION OF COMPLETED TEXAS HEALTH STEPS COMPONENTS AND ELEMENTS

Each of the six components and their individual elements according to the recommendations established by the Texas Health Steps periodicity schedule for children as described in the Texas Medicaid Provider Procedures Manual must be completed and documented in the medical record.

Any component or element not completed must be noted in the medical record, along with the reason it was not completed and the plan to complete the component or element. The medical record must contain documentation on all screening tools used for TB, growth and development, autism, and mental health screenings. The results of these screenings and any necessary referrals must be documented in the medical record. THSteps checkups are subject to retrospective review and recoupment if the medical record does not include all required documentation.
THSteps checkups are made up of six primary components. Many of the primary components include individual elements. These are outlined on the Texas Health Steps Periodicity Schedule based on age and include:

1. **Comprehensive health and developmental history** which includes nutrition screening, developmental and mental health screening and TB screening
   - A complete history includes family and personal medical history along with developmental surveillance and screening, and behavioral, social and emotional screening. The Texas Health Steps Tuberculosis Questionnaire is required annually beginning at 12 months of age, with a skin test required if screening indicates a risk of possible exposure.

2. **Comprehensive unclothed physical examination** which includes measurements; height or length, weight, fronto-occipital circumference, BMI, blood pressure, and vision and hearing screening
   - A complete exam includes the recording of measurements and percentiles to document growth and development including fronto-occipital circumference (0-2 years), and blood pressure (3-20 years). Vision and hearing screenings are also required components of the physical exam. It is important to document any referrals based on findings from the vision and hearing screenings.

3. **Immunizations**, as established by the Advisory Committee on Immunization Practices, according to age and health history, including influenza, pneumococcal, and HPV.
   - Immunization status must be screened at each medical checkup and necessary vaccines such as pneumococcal, influenza and HPV must be administered at the time of the checkup and according to the current ACIP “Recommended Childhood and Adolescent Immunization Schedule-United States,” unless medically contraindicated or because of parental reasons of conscience including religious beliefs.
   - The screening provider is responsible for administration of the immunization and are not to refer children to other immunizers, including Local Health Departments, to receive immunizations.
   - Providers are to include parental consent on the Vaccine Information Statement, in compliance with the requirements of Chapter 161, Health and Safety Code, relating to the Texas Immunization Registry (ImmTrac).
   - Providers may enroll, as applicable, as Texas Vaccines for Children providers. For information, please visit [https://www.dshs.texas.gov/immunize/tvfc/](https://www.dshs.texas.gov/immunize/tvfc/).

4. **Laboratory tests**, as appropriate, which include newborn screening, blood lead level assessment appropriate for age and risk factors, and anemia
   - **Newborn Screening**: Send all Texas Health Steps newborn screens to the DSHS Laboratory Services Section in Austin. Providers must include detailed identifying information for all screened newborn Members and the Member’s mother to allow DSHS to link the screens performed at the Hospital with screens performed at the newborn follow up Texas Health Steps medical checkup.
   - **Anemia screening at 12 months.**
• Dyslipidemia Screening at 9 to 12 years of age and again 18-20 years of age
• HIV screening at 16-18 years
• Risk-based screenings include:
  o dyslipidemia, diabetes, and sexually transmitted infections including HIV, syphilis and gonorrhea/chlamydia.

5. **Health education** (including anticipatory guidance), is a federally mandated component of the medical checkup and is required in order to assist parents, caregivers and clients in understanding what to expect in terms of growth and development. Health education and counseling includes healthy lifestyle practices as well as prevention of lead poisoning, accidents and disease.

6. **Dental referral** every 6 months until the parent or caregiver reports a dental home is established.
   • Clients must be referred to establish a dental home beginning at 6 months of age or earlier if needed. Subsequent referrals must be made until the parent or caregiver confirms that a dental home has been established. The parent or caregiver may self-refer for dental care at any age.

Use of the THSteps Child Health Record Forms can assist with performing and documenting checkups completely, including laboratory screening and immunization components. Their use is optional, and recommended. Each checkup form includes all checkup components, screenings that are required at the checkup and suggested age appropriate anticipatory guidance topics. They are available online in the resources section at [www.txhealthsteps.com](http://www.txhealthsteps.com).

**Exceptions to the Periodicity Schedule**

On occasion, a child may require a Texas Health Steps checkup that is outside of the recommended schedule. Such reasons for an exception to periodicity include:

• Medical necessity (developmental delay, suspected abuse).
• Environmental high-risk (for example, sibling of child with elevated lead blood level).
• Required to meet state or federal exam requirements for Head Start, day care, foster care or pre-adoption.
• Required for dental services Provider under general anesthesia.

Exceptions to periodicity must be billed on the CMS 1500 and should comply with the standard billing requirements as discussed in the Section entitled “Filing Encounters and Claims”.

If a Provider other than the PCP performs the Exception to Periodicity medical checkup, the PCP must be provided with medical record information. In addition, all necessary follow-up care and treatment must be referred to the PCP.

**Newborn Screening**

Inpatient newborn examinations billed with newborn procedure codes 99460, 99461, or 99463 are counted as Texas Health Steps medical checkups and should not be billed with modifier 52. The descriptions of these newborn exam codes reflect the completion of all the
Texas Health Steps checkup components. Newborn screening must include, at a minimum, the components listed below:

- Family and neonatal history
- Physical Exam (including height, weight and head circumference)
- Vision and Hearing Screening
- Health Education/Anticipatory Guidance
- State-required newborn hereditary / metabolic test
- Hepatitis B immunizations
- Newborn screening for critical congenital heart disease (CCHD) performed in the birth facility in accordance with Health and Safety Code (HSC), Chapter 33, §§ 33.011, and the Texas Administrative Code (TAC), Title 25, Part 1, Chapter 37, Subchapter E, §§ 37.75 - 37.79.

**Newborn Testing**

Any Provider attending the birth of a baby must require newborn hereditary/metabolic testing on all newborns as required by Texas law. All infants must be tested a second time at 3 to 5 days of age.

These tests must be submitted to the DSHS Laboratory Services Section. For complete information, instructions and newborn screening forms contact:

**DSHS Laboratory Services Section**

1100 West 49th Street  
Austin, Texas 78756-3199  
512-458-7318  
www.dshs.state.tx.us/lab/default.shtm

**Texas Health Steps and Laboratory Testing**

Laboratory specimen collection testing materials, and necessary forms and supplies are made available free of charge to all Texas Health Steps providers. For forms and supplies providers should contact:

**DSHS Laboratory Services Section**

1100 West 49th Street  
Austin, Texas 78756-3199  
512-458-7318  
www.dshs.state.tx.us/lab/default.shtm

Providers may not bill for supplies and services provided by the DSHS laboratory.

Tests for hemoglobin/hematocrit, Chlamydia, gonorrhea, and lead must be sent to the DSHS lab, with the exception of point-of-care testing in the Provider’s office for the initial lead specimen. All other tests may be sent to the lab of the Provider’s choice.
TEXAS VACCINES FOR CHILDREN PROGRAM

The Texas Vaccines for Children (TVFC) Program is a federally funded, state-operated vaccine distribution program. It provides vaccines free of charge to enrolled providers for administration to individuals birth through 18 years of age.

Qualified Medicaid and CHIP Providers can enroll in the TVFC Program by completing the TVFC Provider Enrollment Application form from the DSHS TVFC web page http://www.dshs.state.tx.us/immunize/tvfc/default.shtm

El Paso Health will pay for TVFC Program Provider’s private stock of vaccines, but only when the TVFC posts a message on its website that no stock is available. In that case, providers should submit claims for vaccines with the “U1” modifier, which indicates private stock. Providers should only submit claims for private stock until the vaccine is available from TVFC again. El Paso Health will no longer reimburse providers for private stock when the TVFC stock is replenished.

DSHS Region 9 & 10 – El Paso
401 E. Franklin
El Paso, Texas 79901
915-834-7675

MEDICAL TRANSPORTATION PROGRAM

The Medical Transportation Program (MTP) is part of the Texas Health and Human Services Commission (HHSC). It helps CSHCN Services Program clients get to their doctor's office, drugstore, or any place that they get medical services. If you have no way to get to these places, all MTP at 1-877-MED-TRIP (1-877-633-8747).

Routine Medical Transportation
This is the type of service that MTP arranges for you to go to a place in the county where you live or a county nearby. If you need this help, call MTP at 1-877-MED-TRIP (1-877-633-8747). You must call MTP at least two business days before the day you need the ride. This is a free call in Texas.

Special Medical Transportation
This service is when you need help getting to the doctor or hospital in another city. It can help pay for travel, lodging and meals in some cases if you must stay away from home overnight or longer for medical reasons.

Special medical transportation includes:

- Paying you back for mileage when you drive a vehicle for services outside of your immediate area.
- Prepaid bus tickets or airline tickets for trips of long distances.
- The cost of a hotel when you must stay overnight for medical reasons.
In many Texas towns and cities, MTP can make special arrangements for you to stay at places that are designed for children with special needs and their families, such as the Ronald McDonald House.

Call MTP at 1-877-MED-TRIP (1-877-633-8747) at least five business days before you need to travel to set up this type of help. This is a free call in Texas.

TEXAS HEALTH STEPS DENTAL CHECKUPS

Patients should be encouraged to visit a Texas Health Steps dental Provider for routine dental exams.

Dental exams are required once every six months from the last date of dental service for Medicaid clients age 6 months through 20 years.

If dental exams result in treatment requiring a facility or anesthesia charge, the dentist must contact El Paso Health for prior approval.

Starting March 1, 2012, Members will need to go to the dentist they picked. All children and young adults age 20 and younger with Medicaid need to pick a dental plan. Individuals who are receiving Medicaid and who meet the conditions listed below will continue to receive dental services through their existing service delivery models and not through Medicaid and CHIP Dental Managed Care:

- Medicaid clients who are 21 years of age and older.
- All Medicaid clients, regardless of age, who reside in Medicaid-paid facilities such as nursing homes, state supported living centers or intermediate care facilities for mentally retarded persons (ICF/MR).
- STAR Health Program clients (foster care).

With a dental plan, children will get the same Medicaid dental services they do now:

- Regular dental checkups starting at 6 months of age.
- Services to keep teeth healthy like cleanings, exams, and tips for good health.
- Services like fillings, crowns, and root canals when needed.
- Emergency dental services.

Each dental plan also gives these benefits:

- A main dentist who takes care of a child’s basic dental needs.
- A list of dental specialists.
- Extra services not covered by Medicaid. These extra services are called value-added services.
If a Member wants to change their dental plan, they must call 1-800-964-2777 (toll-free) or TTY 1-800-267-5008. You can call Monday to Friday, 8 a.m. to 8 p.m. Central Time.

CASE MANAGEMENT FOR CHILDREN AND PREGNANT WOMEN

This is another Texas Health Steps service available to children, teens, young adults (birth through age 20) and pregnant women who get Medicaid and have health problems or are at risk for getting health problems.

A case manager will visit with them:

- Find out what services they need.
- Find services near where they live.
- Teach them how to find and get other services.
- Make sure they are getting the services they need.

Case managers can help them:

- Get medical and dental services.
- Get medical supplies or equipment.
- Work on school or education issues.
- Work on other problems.

Providers or Members can call Texas Health Steps Case Management for Children and Pregnant Women by calling 1-877-847-8377 (toll-free), Monday to Friday, 8 a.m. to 8 p.m. To learn more, go to: www.dshs.state.tx.us/caseman

COMPREHENSIVE CARE PROGRAM (CCP) COORDINATION

CCP is an expansion of the Texas Health Steps program. CCP services are designed to treat and improve specific physical and mental health problems of STAR children, adolescents and young adults discovered during the Texas Health Steps checkup. Providers should follow the Referral and Prior Authorization procedures as outlined in Section 9, for all services.

CHILDREN OF MIGRANT FARMWORKERS

Children of Migrant Farmworkers due for a Texas Health Steps medical checkup can receive their periodic checkup on an accelerated basis prior to leaving the area. A checkup performed under this circumstance is an accelerated service, but should be billed as a checkup.

Performing a make-up exam for a late Texas Health Steps medical checkup previously missed under the periodicity schedule is not considered an exception to periodicity nor an accelerated service. It is considered a late checkup.
TEXAS HEALTH STEPS PROVIDER

A Provider must be an enrolled Texas Health Steps Provider in order to conduct and be reimbursed for Texas Health Steps medical and dental checkups. The Texas Medicaid Healthcare Partnership (TMHP) is responsible for Medicaid Provider enrollment in Texas and a link to the Provider application can be found at www.tmhp.com

Remember that a child may go to any Medicaid Texas Health Steps Provider for Texas Health Steps medical checkups but they must go to the dentist they picked when they picked their dental plan. Most of the El Paso Health PCPs who work with children are also able to offer Texas Health Steps services. Members are issued an El Paso Health Premier Plan ID card and Your Texas Medicaid Benefits ID card as proof of eligibility. Providers are responsible for verifying the Member’s eligibility for a Texas Health Steps checkup. Providers may refer to the Texas Medicaid Provider Procedures Manual for more Texas Health Steps information.

El Paso Service Area Texas Health Steps Regional Office

The Department of State Health Services regional office for Culberson, El Paso and Hudspeth Counties is located in El Paso. DSHS regional staff for the El Paso Service Area are available at:

401 E. Franklin #210
El Paso, Texas 79901
915-834-7675
Fax: 915-834-7799

If you need assistance or have questions regarding the Texas Health Steps Program you can contact the Department of State and Human Services Provider Relations staff regarding how to enroll as a Texas Health Steps Provider or how to obtain supplies from the state as well as if you need an overview on the Program’s components and history. However, if you have questions regarding Texas Health Steps claims status or need to know your progress regarding Texas Health Steps checkup completion for your Membership with El Paso Health please contact Adriana Cadena, C.A.R.E. Unit Manager at 915-298-7198 ext. 1127. We can also provide training for your staff on the Program components and additional services part of Texas Health Steps as well as El Paso Health initiatives to increase Member compliance.
SECTION 5: MEMBER INFORMATION

STAR MEMBER IDENTIFICATION

Your Texas Benefits Medicaid Card. Medicaid recipients received a plastic credit card-type ID. This new plastic card will take the place of the paper Medicaid ID letter (Form3087). Information on the new Medicaid ID card is included as ATTACHMENT 10 of this manual. If Members lose the Your Texas Benefits Medicaid Card, they will be issued a temporary ID form 1027-A that they can present as proof of eligibility at Provider offices.

STAR MEMBER ELIGIBILITY

HHSC has identified the TANF, TANF related and those individuals receiving blind and disabled benefits living in the community as participants in the STAR Program. TANF and TANF related clients are primarily women and their dependent children under the age of 21. The following clients are NOT eligible for participation in STAR:

- Those with Medicare eligibility
- Those residing in a nursing home, intermediate care facility or MR facility
- Clients enrolled in the Medically Needy Program
- Live in an area excluded from the Texas STAR Program area
- Refugees

VERIFYING MEMBER MEDICAID ELIGIBILITY

Providers should verify Member eligibility prior to delivering services at each visit.

Each person approved for Medicaid benefits gets a Your Texas Benefits Medicaid card. However, having a card does not always mean the patient has current Medicaid coverage. Providers should verify the patient’s eligibility for the date of service prior to services being rendered. There are two ways to do this:

- Use TexMedConnect on the TMHP website at www.tmhp.com.
- Call Provider Services at the patient’s medical or dental plan.

Important: Members can request a new card by calling 1-800-252-8263. Members also can go online to order new cards or print temporary cards at www.YourTexasBenefits.com and see their benefit and case information, view Texas Health Steps Alerts, and more.

Important: Providers should request and keep hard copies of any Medicaid Eligibility Verification (Form H1027) submitted by clients. A copy is required during the appeal process if the client’s eligibility becomes an issue.
El Paso Health Members are also issued an identification card that includes their date of birth and identifies their Primary Care Provider. Specialists must ensure that they have a referral from the Primary Care Provider whose name appears on the ID card. An example of an El Paso Health Membership ID card is included as ATTACHMENT 3 of this manual.

All providers must verify eligibility before medical care is provided, except in cases of emergency. In an emergency situation, eligibility should be determined as soon as possible.

Providers can verify eligibility based on the effective date on the Members ID card, contacting El Paso Health Member Services at 915-532-3778 or accessing El Paso Health’s Provider Portal at www.elpasohealth.com.

Disenrollment from El Paso Health

Member’s disenrollment request from managed care will require medical documentation from Primary Care Provider or documentation that indicates sufficiently compelling circumstances that merit disenrollment.

El Paso Health can request that a Member be terminated from the Plan only under certain conditions. HHSC will make the final decision on these requests.

El Paso Health has a limited right to request a Member be disenrolled from the plan without the Member’s consent. HHSC must approve requests for disenrollment of a Member for cause. HHSC may permit disenrollment of a Member under the following circumstances (This list is not all inclusive):

- Member steadfastly refuses to comply with managed care restrictions (e.g., repeatedly using emergency room in combination with refusing to allow HMO to treat the underlying medical condition).
- Member is disruptive, unruly, threatening or uncooperative to the extent that Member’s Membership seriously impedes HMO’s or Provider’s ability to provide services to Member or to obtain new Members, and Member’s behavior is not caused by a physical or behavioral health condition.

Providers cannot take retaliatory action against a Member.

Removal from Provider Panel

Providers may request that a Member be removed from his/her panel for the following reasons:

- The Member loans/gives their Membership identification card to another person for the purpose of obtaining services.
- The Member continually disregards the advice of his/her PCP.
- The Member repeatedly uses the emergency room in an inappropriate fashion.

The request to remove a Member from the panel must be in writing and sent to the El Paso Health Provider Relations Department. Before the Member is removed from the panel, there will
be an attempt at educating the Member to change his/her behavior. The Member has the right to appeal this attempt to remove him/her from the panel.

Neither the Provider nor El Paso Health can request a Member be removed based on a change in the Member’s health or the utilization of services that are medically necessary for the treatment of the Member’s condition.

If a Member loses Medicaid eligibility and then regains eligibility within six months, the Member is automatically reassigned to his or her previous plan and PCP.

**Enrollment Broker Roles and Responsibilities**

The Texas Department of Health and Human Services (HHSC) provides MAXIMUS updated information on the status of Medicaid, CHIP and CHIP Perinatal recipients who are eligible to participate in the STAR and CHIP programs. MAXIMUS is responsible for:

- Issuing enrollment packets in order to educate and enroll the recipients.
- The enrollment broker assists these clients in selecting a health plan.
- The management of information to HHSC and other state agencies using interface files.
- Providing updated changes and new Member enrollment information for rosters.
- Updating the Primary Care Provider (PCP) and Specialist lists for the HMOs based on the data submitted by El Paso Health.

Note: The date a Medicaid client becomes eligible for Medicaid and the effective date of enrollment in the health plan are not the same.

*Members can change health plans by calling the Texas STAR Program Hotline at 1-800-964-2777.* The Member has 30 days to choose a health plan or one will be chosen for them by MAXIMUS. Benefits with the health plan usually begin on the first day of the next month following the selection of a plan and a PCP. A Member cannot change from one health plan to another health plan during an inpatient hospital stay.

If a Member calls to change health plans on or before the 15th of the month, the change will take place on the first day of the next month. If they call after the 15th of the month, the change will take place the first day of the second month after that. For example:

- If a request for plan change is made on or before April 15, the change will take place on May 1st.
- If a request for plan change is made after April 15, the change will take place on June 1st.

The Texas Health and Human Services Commission (HHSC) is responsible for determining Medicaid, CHIP and CHIP Perinatal eligibility. Contact El Paso Health Member Services if you need information about or location of HHSC eligibility offices. The State’s Enrollment Broker, MAXIMUS, is responsible for enrolling individuals into the STAR and CHIP programs. MAXIMUS can be contacted through the Texas STAR Program Hotline at 1-800-964-2777 or the CHIP Helpline at 1-800-647-6558. El Paso Health is not financially responsible for services until the actual date of enrollment.
**Automatic Re-Enrollment**

Members who are disenrolled because of temporary ineligibility will be automatically re-enrolled in the same health plan when they regain eligibility. Temporary loss of eligibility is defined as a period of six months or less. Members may also choose to enroll with another STAR managed care plan in their service area at that time if they so desire. Providers should use special caution to verify eligibility to determine if a plan change has occurred.

**CHIP PROGRAM MEMBER ELIGIBILITY**

The State’s Administrative Services contractor is responsible to provide El Paso Health with new Member and Member change information within five days of the beginning of the month, for that month’s eligibility information. However, HHSC makes the final decision of enrollment for all CHIP Members.

Once enrolled with El Paso Health, a CHIP Member is enrolled for a period of twelve (12) months from the date the Member is first covered by the Plan. There is no retroactive enrollment in the CHIP program.

A CHIP Perinate (unborn child) who is born to a family with an income at or below 185% of the FPL will be deemed eligible for Medicaid and moved to Medicaid for 12 months of continuous coverage (effective on the date of birth) after the birth is reported to HHSC’s enrollment broker.

A CHIP Perinate mother in a family with an income at or below 185% of the FPL may be eligible to have the costs of the birth covered through Emergency Medicaid. Clients under 185% of the FPL will receive a Form H3038 with their enrollment confirmation. Form H3038 must be filled out by the Doctor at the time of birth and returned to HHSC’s enrollment broker.

A CHIP Perinate will continue to receive coverage through CHIP Perinatal as a “CHIP Perinate Newborn” if born to a family with an income above 185% to 200% FPL and the birth is reported to HHSC’s enrollment broker.

A CHIP Perinate Newborn is eligible for 12 months continuous CHIP enrollment, beginning with the month of enrollment as a CHIP Perinate (month of enrollment as an unborn child plus 11 months). A CHIP Perinate Newborn will maintain coverage in his or her CHIP Perinatal health plan.

El Paso Health Members will be provided an ID card that serves as initial evidence that a patient is an El Paso Health Member. Please see ATTACHMENT 4 for CHIP, ATTACHMENT 5 for CHIP Perinatal Mother and ATTACHMENT 6 for CHIP Perinatal Newborn for examples of Membership cards. The Member ID card is not a guarantee of enrollment or payment.

**CHIP Cost Sharing Schedule**

Co-payments for medical services or prescription drugs are paid to the health care provider at the time of service. CHIP Perinatal members and CHIP members who are Native American or
Alaskan Native are exempt from all cost-sharing obligations, including enrollment fees and co-pays. Additionally, for all CHIP Members there is no cost-sharing on benefits for well-baby and well-child services, preventive services, or pregnancy-related assistance.

The El Paso Health ID card lists the co-payments that apply to the member’s family situation. The member’s ID card must be presented when they receive an office visit, emergency services, or have a prescription filled.

It is important that members keep track of their CHIP related expenses. This will help them know when they have reached their cap. When members reach their annual cap, they can contact HHSC. HHSC will contact El Paso Health and the health plan will issue a new ID card. This new card will show that no co-payments are due when the child receives services.

The member may also have to pay a premium, unless they are Native American or are at or below the 100% Federal Poverty Level. If the member needs to pay a premium, they will receive a bill from HHSC with the amount they need to send. If members have any questions regarding their premium, contact HHSC at 1-800-647-6558.

If the member gets a bill from the child’s doctor, they should call El Paso Health at 915-532-3778 or 1-877-532-3778. A Member Services Representative will be happy to help. The member needs to have their El Paso Health ID card and the bill ready.

**Determination by the Administrative Services Contractor Section**

In the 10th month of coverage, the family will receive a CHIP renewal form. The family must complete and submit the renewal form, which will be pre-populated and will include CHIP Perinate Newborn’s and CHIP Program Members currently receiving CHIP benefits.

El Paso Health Members are issued an identification card that includes their date of birth and identifies their PCP. Specialists must ensure that they have a referral from the PCP whose name
appears on the ID card. The appropriate co-pays are noted on the card. An example of a CHIP Program Member ID Card is included as ATTACHMENT 4 of this manual.

![Providers can verify eligibility by verifying the effective date on the Members ID card by contacting Member Services line at 915-532-3778 or 1-877-532-3778 by accessing El Paso Health’s Provider Portal at www.elpasohealth.com.](image)

**Plan Changes**

Members are allowed to make health plan changes under the following circumstances:

- for any reason within 90 days of enrollment in CHIP;
- for cause at any time;
- if the client moves to a different service delivery area; and,
- during the annual re-enrollment period.

HHSC will make final decision.

**Disenrollment**

The State’s Administrative Services contractor is responsible to provide El Paso Health with new Member and Member change information within five days of the beginning of the month, for that month’s eligibility information. However, HHSC makes the final decision of enrollment for all CHIP Members.

Disenrollment occurs due to loss of eligibility, including, but not limited to the following events:

- when a child turns nineteen
- failure to re-enroll at the conclusion of the twelve month eligibility period
- change in health insurance status, such as a child enrolling in an employer-sponsored insurance plan
- permanent move out of the state
- enrollment in Medicaid
- death of a child

**Retaliation Prohibited**

Providers cannot take retaliatory action against a Member.

El Paso Health will not take any retaliatory action, including refusal to renew coverage, against a CHIP Member because the Member or person acting on behalf of the Member has filed a complaint against El Paso Health or appealed a decision made by El Paso Health.
El Paso Health shall not engage in any retaliatory action, including terminating or refusal to renew a contract, against a physician or Perinatal Provider because the physician or Perinatal Provider has, on behalf of a Member, reasonably filed a complaint against El Paso Health or has appealed a decision made by El Paso Health.

**CHIP PERINATAL MEMBER ELIGIBILITY**

**Enrollment**

- 12-month eligibility for CHIP and CHIP Perinatal Members.
- The mother of the CHIP Perinatal has 15 calendar days from the time the enrollment packet is sent by the Enrollment Broker to enroll in a Managed Care Organization.

**Newborn Process**

When a Member of a household enrolls in CHIP Perinatal all traditional CHIP Members in the household will be disenrolled from their current health plans and prospectively enrolled in the CHIP Perinatal Member’s health plan if those health plans are different. All Members of the household must remain in the same health plan until the later of: (1) the end of the CHIP Perinatal Member’s enrollment period, or (2) the end of the traditional CHIP Members’ enrollment period. Co-payments, cost-sharing, and enrollment fees still apply to children enrolled in the CHIP Program.

In the 10th month of the CHIP Perinate Newborn’s coverage, the family will receive a CHIP renewal form. The family must complete and submit the renewal form, which will be pre-populated to include the CHIP Perinate Newborn’s and the CHIP Members’ information. Once the child’s CHIP Perinatal coverage expires, the child will be added to his or her siblings’ existing CHIP case.

**Plan Changes**

A CHIP Perinate (unborn child) who lives in a family with an income at or below Medicaid Eligibility Threshold (an unborn child who will qualify for Medicaid once born) will be deemed eligible for Medicaid and moved to Medicaid for 12 months of continuous coverage (effective on the date of birth) after the birth is reported to HHSC’s enrollment broker.

A CHIP Perinate mother in a family with an income at or below Medicaid Eligibility Threshold may be eligible to have the costs of the birth covered through Emergency Medicaid. Clients under Medicaid Eligibility Threshold will receive a Form H3038 with their enrollment confirmation. Form H3038 must be filled out by the Doctor at the time of birth and returned to HHSC’s enrollment broker.

A CHIP Perinate will continue to receive coverage through the CHIP Program as a “CHIP Perinate Newborn” if born to a family with an income above Medicaid Eligibility Threshold and the birth is reported to HHSC’s enrollment broker.
A CHIP Perinate Newborn is eligible for 12 months continuous CHIP enrollment, beginning with the month of enrollment as a CHIP Perinate (month of enrollment as an unborn child plus 11 months). A CHIP Perinate Newborn will maintain coverage in his or her CHIP Perinatal health plan.

CHIP Perinate mothers must select an MCO within 15 calendar days of receiving the enrollment packet or the CHIP Perinate is defaulted into an MCO and the mother is notified of the plan choice. When this occurs, the mother has 90 days to select another MCO.

When a Member of a household enrolls in CHIP Perinatal, all traditional CHIP Members in the household will be disenrolled from their current health plans and prospectively enrolled in the CHIP Perinatal Member’s health plan if the plan is different. All Members of the household must remain in the same health plan until the later of (1) the end of the CHIP Perinatal Member’s enrollment period, (2) the end of the traditional CHIP Members’ enrollment period. In the 10th month of the CHIP Perinate Newborn’s coverage, the family will receive a CHIP renewal form. The family must complete and submit the renewal form, which will be pre-populated to include the CHIP Perinate Newborn’s and the CHIP Members’ information. Once the child’s CHIP Perinatal coverage expires, the child will be added to his or her siblings’ existing CHIP program case.

CHIP Perinatal Members may request to change health plans under the following circumstances:

- for any reason within 90 days of enrollment in CHIP Perinatal;
- if the Member moves into a different service delivery area; and,
- for cause at any time.

**Disenrollment**

The State’s Administrative Services contractor is responsible to provide El Paso Health with new Member and Member change information within five days of the beginning of the month, for that month’s eligibility information. However, HHSC makes the final decision of enrollment for all CHIP Members.

Disenrollment occurs due to loss of eligibility, including, but not limited to the following events:

- failure to re-enroll at the conclusion of the twelve-month eligibility period
- change in health insurance status, such as a child enrolling in an employer-sponsored insurance plan
- permanent move out of the state
- enrollment in Medicaid

**Note:**
The switch of the CHIP Members from their Managed Care Organization to the Managed Care Organization providing CHIP Perinatal coverage does not count as their one Managed Care Organization plan change per year.
• Members may request to change Managed Care Organizations for exceptional reasons or good cause.

**Retaliation Prohibited**

Providers cannot take retaliatory action against a Member.

El Paso Health will not take any retaliatory action, including refusal to renew coverage, against an UNBORN CHILD or CHIP Member because the UNBORN CHILD/Member or person acting on behalf of the UNBORN CHILD/Member has filed a complaint against El Paso Health or appealed a decision made by El Paso Health.

El Paso Health shall not engage in any retaliatory action, including terminating or refusal to renew a contract, against a physician or Perinatal Provider, because the physician or Perinatal Provider has, on behalf of an UNBORN CHILD, reasonably filed a complaint against El Paso Health or has appealed a decision made by El Paso Health.

**Verify Eligibility for Service**

El Paso Health Members are issued an identification card that includes their date of birth and identifies their PCP. Specialists must ensure that they have a referral from the PCP whose name appears on the ID card. A copy of the CHIP Perinatal (Newborn) ID card is included as ATTACHMENT 5 and Perinatal (Mother) ID card as ATTACHMENT 6.

**NOTE:** CHIP Perinatal newborns are not responsible for co-pays during the 12 month enrollment period.

**Pharmacy Providers** can verify eligibility electronically for example through NCPDP E1 Transaction.

Providers can verify eligibility by verifying the effective date on the Members ID card, contacting Member Service at 915-532-3778 or 1-877-532-3778 accessing El Paso Health’s Provider Portal at [www.elpasohealth.com](http://www.elpasohealth.com)

**Member Portal and Mobile App**

El Paso Health Members can now stay connected with El Paso Health’s Member Portal and Mobile App!

El Paso Health’s member portal and mobile app are convenient and secure tools to help them manage their health care. By downloading the app and/or accessing the member portal website; they can create a free account, that will allow them to:

• View and print a temporary ID
• View eligibility coverage information
• Find a Provider or request a PCP change
• View authorizations
• View claims

Members can access the Member Portal on our website at www.elpasohealth.com, by clicking on the Member Portal Login. Members can also access the mobile app by downloading the free app to their mobile devices through the Apple App Store or Google Play.

If you have questions or concerns about the El Paso Health’s member portal or mobile app, call Member Services at 1-877-532-3778.
SECTION 6: ROUTINE, URGENT AND EMERGENCY SERVICES

Based on the following definitions, Members of El Paso Health may seek care from any Provider in an office, clinic, or emergency room. Treatment of emergency conditions does not require pre-certification or a referral from the Member’s PCP. Emergency Room (ER) staff is requested to call the PCP or El Paso Health if a Member presents with a non-emergent condition at 915-532-3778 ext. 1500.

Routine Care means health care for covered preventive and medically necessary Health Care Services that are non-emergent or non-urgent.

An urgent condition means a health condition including an Urgent Behavioral Health Situation that is not an emergency but is severe or painful enough to cause a prudent layperson, possessing the average knowledge of medicine, to believe that his or her condition requires medical treatment evaluation or treatment within 24 hours by the Member’s PCP or PCP designee to prevent serious deterioration of the Member’s condition or health.

An emergency medical condition means a medical condition manifesting itself by acute symptoms of recent onset and sufficient severity (including severe pain), such that a prudent layperson, who possesses an average knowledge of health and medicine, could reasonably expect the absence of immediate medical care could result in:

1. Place the patient’s health in serious jeopardy;
2. Result in serious impairment to bodily functions;
3. Result in serious dysfunction of a bodily organ or part;
4. Result in serious disfigurement; or
5. For a pregnant woman result in serious jeopardy to the health of the fetus.

A Member may select any Provider or hospital for true emergency care.

El Paso Health will pay for professional, facility, and ancillary services provided in a hospital emergency department that are medically necessary to perform the medical screening examination and stabilization of a Member presenting with an Emergency Medical Condition or an Emergency Behavioral Health Condition, whether rendered by Network Providers or Out-of-Network providers.

Emergency care obtained out-of-network and out of El Paso Health’s service area will be reviewed as soon as notification is received.

El Paso Health will not require prior authorization as a condition for payment for an Emergency Medical Condition, an Emergency Behavioral Health Condition, or labor and delivery. El Paso Health will not limit what constitutes an Emergency Medical Condition on the basis of lists of diagnoses or symptoms. El Paso Health will not refuse to cover Emergency Services based on the emergency room Provider, hospital, or fiscal agent not notifying the Member’s PCP or El
Paso Health of the Member’s screening and treatment within ten (10) calendar days of presentation for Emergency Services.

El Paso Health will pay for post-stabilization care services obtained within or outside the Network that are not pre-approved by a Provider or other El Paso Health representative, but administered to maintain, improve, or resolve the Member’s stabilized condition if:

- El Paso Health does not respond to a request for pre-approval within one (1) hour;
- El Paso Health cannot be contacted; or
- El Paso Health representative and the treating physician cannot reach an agreement concerning the Member’s care and a Network physician is not available for consultation. In this situation, El Paso Health will give the treating physician the opportunity to consult with a Network physician and the treating physician may continue with care of the patient until a Network physician is reached. El Paso Health’s financial responsibility ends as follows:
  - the Network physician with privileges at the treating Hospital assumes responsibility for the Member’s care;
  - the Network physician assumes responsibility for the Member’s care through transfer;
  - El Paso Health’s representative and the treating physician reach an agreement concerning the Member’s care; or
  - the Member is discharged.

**APPOINTMENT ACCESSIBILITY**

Providers must assure that Members have access to routine, urgent, and emergent services within the following time frames:

1. Emergency Services must be provided upon Member presentation at the service delivery site, including at non-network and out-of-area facilities;
2. Urgent care, including urgent specialty care and behavioral health services, must be provided within 24 hours of request; treatment for behavioral health services may be provided by a licensed behavioral health clinician.
3. Primary Routine Care must be provided within 14 days of request;
4. Specialty Routine Care must be provided within 21 days;
5. Initial outpatient behavioral health visits must be provided within 14 days of request;
6. Referrals for routine specialty care must be provided within 5 days of request;
7. Pre-natal care must be provided within 14 days of request, except for high-risk pregnancies or new Members in the third trimester, for whom an appointment must be offered within 5 days, or immediately, if an emergency exists;
8. Preventive health services for adults (21 years and older) must be offered within 90 days of request; and
9. Preventive Health Services for children less than 6 months of age must be provided within 14 days of request. For children 6 months to 20 years of age, services must be provided within 60 days of request. CHIP Members should receive preventive care in
accordance with the American Academy of pediatrics (AAP) periodicity schedule. Medicaid Members should receive preventive care in accordance with the Texas Health Steps periodicity schedule. MCOs must encourage new Members 20 years of age or younger to receive a Texas Health Steps checkup within 90 days of enrollment. For purposes of this requirement, the terms “New Member” is defined in Chapter 12.4 of the UMCM.

TRANSPORTATION SERVICES

El Paso Health is committed to providing accessibility to all healthcare needs of Members by facilitating transportation to obtain covered services, supplies, or equipment.

Non-emergency transportation

Members requesting help in finding transportation to a non-emergency appointment with a network Provider must be:

- Over age 18 years (unless accompanied by their parent or legal guardian), or emancipated due to pregnancy.
- Eligible for services on the scheduled appointment date.
- Have no other means of transportation to his/her healthcare Provider.

Members may call the Member Services Department at 915-532-3778 to request transportation services. Transportation should be requested at least 48 hours before the scheduled appointment. The following Member information must be provided to the intake operator at the time of the call:

- Medicaid ID number.
- Name, address, and telephone number.
- Name, address, and telephone number of the healthcare Provider.
- Purpose of the trip.
- Confirmation that no other means of transportation are available.
- Special needs, wheelchair lift, or attendant need.

Transportation Limitations

Members and their attendants are not eligible to receive medical transportation services under the following circumstances:

- Transportation to or from a day activity health services facility, personal care home, state institution, nursing facility (unless the Member requires dialysis treatment), or facility participating in another Title XIX program for which the reimbursement rate structure includes transportation funds
- Transportation when the Member or another person or entity providing care for the Member receives direct payment of worker’s compensation benefits, U.S. Department of Veterans Affairs benefits, or other third-party resources for transportation to healthcare services on the Member’s behalf
• Transportation when the Member is an inpatient in a healthcare facility
• Transportation of deceased Members

Emergency Transportation

Emergency transport is a service provided by an ambulance Provider for a Member whose condition meets the definition of an emergency medical condition. Conditions requiring cardio pulmonary resuscitation (CPR) in transit or the use of routine restraints for the safety of the Member or crew are also considered emergencies.

Emergencies include medical conditions for which the absence of immediate medical attention could reasonably be expected to result in serious impairment, dysfunction, or failure of one or more organs or body parts, and the required emergency treatment is not available at the first facility. Claims for such transports must document the aforementioned criteria. Emergency transports do not require prior authorization.

Examples of conditions considered for emergency transports include, but are not limited to:
• Acute and severe illnesses
• Untreated fractures
• Loss of consciousness
• Semi-consciousness
• Seizures
• Necessity for CPR
• Injuries from auto accidents
• Extensive burns

Non-Emergency Ambulance Transportation

Effective April 1, 2016 all medically necessary non-emergency ambulance transports (service provided to or from a scheduled medical appointment, to or from a licensed facility for treatment, or to the Member’s home after discharge when the Member has a medical condition such that the use of an ambulance is the only appropriate means of transportation) provided for a STAR member will require the authorization to be obtained by a Medicaid-enrolled physician, nursing facility, health-care provider, or other responsible party (other responsible parties include staff working with a health care service provider submitting prior authorization on behalf of the provider or facility).

An ambulance provider may not request a prior authorization for non-emergent ambulance transports. The ambulance provider is responsible for ensuring that a prior authorization has been obtained prior to transport; non-payment may result for services provided without a prior authorization or when the authorization request is denied.
ROLE OF MAIN DENTAL HOME

Dental Services

Dental plan Members may choose their Main Dental Homes. Dental plans will assign each Member to a Main Dental Home if he/she does not timely choose one. Whether chosen or assigned, each Member who is six (6) months or older must have a designated Main Dental Home.

A Main Dental Home serves as a Member’s main dentist for all aspects of oral health care. The Main Dental Home has an ongoing relationship with that Member, to provide comprehensive, continuously accessible, coordinated, and family-centered care. The Main Dental Home Provider also makes referrals to dental specialists when appropriate. Federally Qualified Health Centers and individuals who are general dentists and pediatric dentists can serve as Main Dental Homes.

Medicaid Emergency Dental Services

El Paso Health is responsible for emergency dental services provided to Medicaid Members in a hospital or ambulatory surgical center setting. We will pay for hospital, physician, and related medical services (e.g., anesthesia and drugs) for:

- treatment of a dislocated jaw, traumatic damage to teeth, and removal of cysts; and
- treatment of oral abscess of tooth or gum origin

CHIP Emergency Dental Services

El Paso Health is responsible for emergency dental services provided to CHIP Members and CHIP Perinate newborn Members in a hospital or ambulatory surgical center setting. We will pay for hospital, physician, and related medical services (e.g., anesthesia and drugs) for:

- treatment of a dislocated jaw, traumatic damage to teeth, and removal of cysts; and
- treatment of oral abscess of tooth or gum origin

Medicaid Non-Emergency Dental Services

El Paso Health is not responsible for paying for routine dental services provided to Medicaid Members. These services are paid through Dental Managed Care Organizations.

El Paso Health is responsible for paying for treatment and devices for craniofacial anomalies, and of Oral Evaluation and Fluoride Varnish Benefits (OEFV) provided as part of a Texas Health Steps medical checkup for Members age 6 months through 35 months.

The intermediate oral evaluation with fluoride varnish application must be billed on the same date of service as a medical checkup or an exception to the periodicity visit (procedure code S-99381, S-99382, S-99391, or S-99392) and is limited to 6 services per lifetime by any Provider. Procedure code 99429 must be billed with modifier U5 and diagnosis code V202. Federally
qualified health centers (FQHCs) must submit modifier EP in addition to modifier U5 when billing procedure code S-99429).

OEFV benefit includes (during a visit) intermediate oral evaluation, fluoride varnish application, dental anticipatory guidance, and assistance with a Main Dental Home choice.

- OEFV is billed by Texas Health Steps providers on the same day as the Texas Health Steps medical checkup.
- OEFV must be billed concurrently with a Texas Health Steps medical checkup utilizing CPT code 99429 with U5 modifier.
- Documentation must include all components of the OEFV.
- Texas Health Steps providers must assist Members with establishing a Main Dental Home.

**CHIP Non-Emergency Dental Services**

El Paso Health is **not responsible** for paying for routine dental services provided to CHIP and CHIP Perinate Members. These services are paid through Dental Managed Care Organizations.

El Paso Health is **responsible** for paying for treatment and devices for craniofacial anomalies.

**How to Help a Member Find Dental Care**

The Dental Plan Member I.D. card lists the name and phone number of the Member’s Main Dental Home Provider. The Member can contact the Dental Plan to select a different Main Dental Home Provider at any time. If the Member selects a different Main Dental Home Provider, the change is reflected immediately in the dental plan’s system and the Member is mailed a new I.D. card within five (5) business days.

If a Member does not have a dental plan assigned or is missing a card from a dental plan, the Member can contact the Medicaid/CHIP enrollment broker’s toll free telephone number at 1-800-964-2777.

**EMERGENCY PRESCRIPTION SUPPLY**

A 72-hour emergency supply of a prescribed drug must be provided when a medication is needed without delay and prior authorization (PA) is not available. This applies to all drugs requiring a prior authorization (PA), either because they are non-preferred drugs on the Preferred Drug List or because they are subject to clinical edits.

The 72-hour emergency supply should be dispensed any time a PA cannot be resolved within 24 hours for a medication on the Vendor Drug Program formulary that is appropriate for the Member’s medical condition. If the prescribing Provider cannot be reached or is unable to request a PA, the pharmacy should submit an emergency 72-hour prescription.
A pharmacy can dispense a product that is packaged in a dosage form that is fixed and unbreakable, e.g., an albuterol inhaler, as a 72-hour emergency supply.

To be reimbursed for a 72-hour emergency prescription supply, pharmacies should submit the following information:

- “8” in “Prior Authorization Type Code” (Field 461-EU).
- “8Ø1” in “Prior Authorization Number Submitted” (Field 462-EV).
- “3” in “Days’ Supply” (Field 4Ø5-D5, in the Claim segment of the billing transaction)
- The quantity submitted in “Quantity Dispensed” (Field 442-E7) should not exceed the quantity necessary for a three-day supply according to the directions for administration given by the prescriber. If the medication is a dosage form that prevents a three-day supply from being dispensed, e.g. an inhaler, it is still permissible to indicate that the emergency prescription is a three-day supply, and enter the full quantity dispense.

Call El Paso Health toll-free at 1-877-532-3778 or 915-532-3778 for more information about the 72-hour emergency prescription supply policy.

**72-hour Emergency Prescription Rejection Message**

The following message will be returned to pharmacies on all electronically-submitted claims that the PBM rejects because the prior authorization criteria have not been met:

“Prior Authorization Required. Prescriber call 877-908-6023 or RPH should submit 72HR Emergency fill if Dr. not available.”

**CHIP Member Prescriptions**

CHIP Members are eligible to receive an unlimited number of prescriptions per month and may receive up to a 90-day supply of a drug.

For additional information about the 72-hour emergency prescription supply call El Paso Health at 915-532-3778 or toll-free at 1-877-532-3778.
SECTION 7: BEHAVIORAL HEALTH SERVICES FOR STAR, CHIP AND CHIP PERINATAL

DEFINITION OF BEHAVIORAL HEALTH

Behavioral Health - Covered Services for the treatment of mental, emotional, or chemical dependency disorders.

Severe and Persistent Mental Illness (SPMI)- means a diagnosis of bipolar disorder, major clinical depression, schizophrenia, or another behavioral health disorder as defined by the Diagnostic and Statistical Manual of Mental Disorders, 5th Edition (DSM-5) accompanied by:

- impaired functioning or limitations of daily living (including personal grooming, housework, basic home maintenance, managing medications, shopping, or employment) due to the disorder, or.
- impaired emotional or behavioral functioning that interferes substantially with the Member’s capacity to remain in the community without supportive treatment or services.

Severe Emotional Disturbance (SED) - means psychiatric disorders in children and adolescents which cause severe disturbances in behavior, thinking and feeling.

Behavioral Health Covered Services

STAR Medicaid Covered Services, CHIP Covered Services and CHIP Perinatal Covered Services.

Coordination between behavioral health and physical health services

El Paso Health (EPH) is committed to promote integrated medical and behavioral health care. Currently, PCPs are responsible for coordinating the Member’s physical and behavioral health which includes making referrals to behavioral health providers when necessary, however, a referral is not required to access services.

The PCP is required to obtain consent for disclosure of information from the Member to permit the exchange of clinical information between the behavioral health Provider and the Member’s PCP. If the Member refuses to release the information, they will sign the consent for disclosure of information that indicates their refusal to release the information. The Provider will document the reason(s) for declination in the medical record. El Paso Health monitors the Provider’s compliance with the completion of a release of information to promote the integrated communication between the behavioral health Provider and the PCP via summary reports of the Member’s behavioral health status.

Screening tools available to PCPs are the Health and Behavior Assessment (HBAI) and Screening, Brief Intervention, and Referral to Treatment (SBIRT). PCPs may provide any clinically appropriate Behavioral Health Services within the scope of their practice.
EPH notifies in-network PCPs on available resources to screen for and identify behavioral health disorders, EPH’s referral process for Behavioral Health Services, and clinical coordination requirements for such services. EPH must include training on coordination and quality of care such as behavioral health screening techniques for PCPs and new models of behavioral health interventions.

Behavioral Health Service Providers are aware that they must refer Members with known or suspected and untreated physical health problems or disorders to their PCP for examination and treatment, with the Member’s or the Member’s legal guardian’s consent. Behavioral Health Providers may only provide physical Health Care Services if they are licensed to do so. EPH behavioral health Providers are encouraged to send initial and quarterly, or more frequently if clinically indicated, summary reports of a Members’ behavioral health status to the PCP and other subspecialty Providers with the Member’s or the Member’s legal guardian’s consent.

**STAR COVERED BENEFITS**

Behavioral Health Services*, including:

- Inpatient mental health services for Children (birth through age 20)
- Acute inpatient mental health services for Adults
- Outpatient mental health services
- Psychiatry services
- Counseling services for adults (21 years of age and over)
- Outpatient substance use disorder treatment services including:
  - Assessment
  - Detoxification services
  - Counseling treatment
  - Medication assisted therapy
- Residential substance use disorder treatment services including:
  - Detoxification services
  - Substance use disorder treatment (including room and board)

*These services are not subject to the quantitative treatment limitations that apply under traditional, fee-for-service Medicaid coverage. The services may be subject to El Paso Health’s non-quantitative treatment limitations, provided such limitations comply with the requirements of the Mental Health Parity and Addiction Equity Act of 2008.

Hospital services, including inpatient and outpatient:

- El Paso Health may provide inpatient services for acute psychiatric conditions in a free-standing psychiatric hospital in lieu of an acute care inpatient hospital setting.
- El Paso Health may provide substance use disorder treatment services in a chemical dependency treatment facility in lieu of an acute care inpatient hospital setting.
Mental Health Rehabilitative (MHR) Services and Targeted Case Management (TCM)

El Paso Health STAR Members have access to and benefits of MHR Services and TCM.

Provider Requirements

- Training and certification to administer Adult Needs and Strengths Assessment (ANSA) and Child and Adolescent Needs andStrengths (CANS) assessment tools.
- Providers can reference the Department of State Health Services Resiliency and Recovery Utilization Management Guidelines (RRUMG) for these services.
- Attestation from Provider entity to El Paso Health that organization has the ability to provide, either directly or through sub-contract the Members with the full array of MHR and TCM services as outlined in the RRUMG.
- HHSC-established qualifications and supervisory protocols.

Providers can contact the Provider Relations Department for further information.

CHIP COVERED BENEFITS

Outpatient Mental Health Services

- Attention Deficit Hyperactivity Disorder (ADHD)
- Mental health services, including for serious mental illness, provided on an outpatient basis, including, but not limited to:
  - The visits can be furnished in a variety of community-based settings (including school and home-based) or in a state-operated facility
  - Neuropsychological and psychological testing
  - Medication management
  - Rehabilitative day treatments
  - Residential treatment services
  - Sub-acute outpatient services (partial hospitalization or rehabilitative day treatment)
  - Skills training (psycho-educational skill development)
  - When outpatient psychiatric services are ordered by a court of competent jurisdiction under the provisions of Chapters 573 and 574 of the Texas Health and Safety Code, relating to court ordered commitments to psychiatric facilities, the court order serves as binding determination of medical necessity. Any modification or termination of services must be presented to the court with jurisdiction over the matter for determination.
- A Qualified Mental Health Provider – Community Services (QMHP-CS), is defined by the Texas Department of State Health Services (DSHS) in Title 25 T.A.C., Part I, Chapter 412, Subchapter G, Division 1, §412.303(48). QMHP-CSs shall be providers working through a DSHS-contracted Local Mental Health Authority or a separate DSHS-
contracted entity. QMHP-CSs shall be supervised by a licensed mental health professional or physician and provide services in accordance with DSHS standards. Those services include individual and group skills training (which can be components of interventions such as day treatment and in-home services), patient and family education, and crisis services.

- Does not require PCP referral.

**INPATIENT SUBSTANCE ABUSE TREATMENT SERVICES**

Services include, but are not limited to:

- Inpatient and residential substance abuse treatment services including detoxification and crisis stabilization, and 24-hour residential rehabilitation programs.
- Does not require PCP referral.

**OUTPATIENT SUBSTANCE ABUSE TREATMENT SERVICES**

Services include, but are not limited to, the following:

- Prevention and intervention services that are provided by physician and non-physician providers, such as screening, assessment and referral for chemical dependency disorders.
- Intensive outpatient services.
- Partial hospitalization.
- Intensive outpatient services is defined as an organized non-residential service providing structured group and individual therapy, educational services, and life skills training which consists of at least 10 hours per week for four to 12 weeks, but less than 24 hours per day.
- Outpatient treatment service is defined as consisting of at least one to two hours per week providing structured group and individual therapy, educational services, and life skills training.
- Does not require PCP referral.

**INPATIENT MENTAL HEALTH SERVICES**

Mental health services, including for serious mental illness, furnished in a free-standing psychiatric hospital, psychiatric units of general acute care hospitals and state-operated facilities, including, but not limited to:

- Neuropsychological and psychological testing.
- When inpatient psychiatric services are ordered by a court of competent jurisdiction under the provisions of Chapters 573 and 574 of the Texas Health and Safety Code, relating to court ordered commitments to psychiatric facilities, the court order serves as binding determination of medical necessity. Any modification or termination of services must be presented to the court with jurisdiction over the matter for determination.
- Does not require PCP referral.
NON-COVERED BEHAVIORAL HEALTH SERVICES

Members may access local community resources for behavioral health services that are not covered. Services may be sought through the local office of the Texas Department of State Health Services (DSHS) or located through the Texas 211 website: www.211texas.org.

Members may also receive services through the local mental health authority (LMHA). The LMHA accepts patients with chronic mental health disorders (i.e. schizophrenia, bi-polar disorder, severe major depression). In the event that an El Paso Health Member will need to access services through the LMHA, the El Paso Health case management staff will assist the Member through the LMHA system of care.

MEMBER ACCESS TO BEHAVIORAL HEALTH CARE

Members may access services through:

- A self-referral to any Network behavioral health Provider
- A referral from the PCP
- El Paso Health case management 915-532-3778

Members may receive behavioral health services from licensed professionals including:

- Child and Adult Psychiatrists (MD)
- Psychologists (PhD)
- Licensed Professional Counselors (LPC)
- Licensed Marriage and Family Therapists (LMFT)
- Licensed Masters Social Worker – Advanced Clinical Practitioner (LMSW-ACP)

El Paso Health provides a Behavioral Health crisis hotline staffed by trained personnel 24 hours a day, seven (7) days a week at (877) 377-6184 for CHIP Members and (877) 377-6147 for STAR Members.

PRIOR AUTHORIZATION

El Paso Health engages in a utilization review process to ensure services are reasonable and necessary for the diagnosis and treatment of a mental health or chemical dependency disorder. There is no lifetime maximum on the benefits; however, annual limitations do apply to certain services and are regulated by HHSC. Providers should submit prior authorization requests utilizing the Pre-certification Fax Form for OUTPATIENT/INPATIENT Behavioral Health included as ATTACHMENT 11 of this manual. For Mental Health Rehabilitation or Targeted Case Management services use the Texas Standard Prior Authorization Request Form for Health Care Services only.

OUTPATIENT
Fax: (915) 298-7866
Toll Free Fax: 1-844-298-7866
Phone: (915) 532-3778 ext. 1500
Toll Free: 1-877-532-3778

INPATIENT
Fax: (915) 298-5278
Toll Free Fax: 1-844-200-5278
Phone: (915) 532-3778 ext. 1500
Toll Free: 1-877-532-3778

NOTE: A referral from a PCP is NOT required to access behavioral health services.
El Paso Health is responsible for authorized inpatient Hospital services. This includes inpatient services provided in Freestanding Psychiatric Facilities for children in STAR.

**El Paso Health does not require prior authorization as a condition for payment for an Emergency Medical Condition or Emergency Behavioral Health Condition.**

Emergency inpatient admissions must be faxed to El Paso Health by 5 p.m. of the next business day following admission to determine authorized inpatient hospital services.

The Pre-certification Fax Form for OUTPATIENT/INPATIENT Behavioral Health should be submitted for notification of inpatient psychiatric admissions.

### PRIOR AUTHORIZATION PROCESS

Providers may contact the Behavioral Health Unit for questions regarding prior authorization. The Behavioral Health Unit can be reached at 915-532-3778 or 1-877-532-3778 x 1500.

- Authorization request determinations are communicated to the Provider within 3 business days.
- Authorizations will not be retroactive at any time for any reason.
- Authorizations are approved by the El Paso Health Medical Director and are based on medical necessity.
- Failure to request authorization for services requiring authorization may result in payment denials.

**El Paso Health Behavioral Health Network Providers agree to:**

- Refer Members with known or suspected physical health problems or disorders to the PCP for examination and treatment.
- Refer Members for needed lab and ancillary services at a convenient location if not available in the Provider’s office.
- Provide medical services if they are licensed to do so.
- Ensure their patients are knowledgeable about their rights to execute Behavioral Health powers.
Health Advance Directives.

- Schedule STAR/CHIP Members that receive inpatient psychiatric services for outpatient follow up and/or continuing treatment within 7 days from the date of discharge.
- Contact Members who have missed appointments within 24 hours to reschedule.
- Send initial and quarterly (or more frequently if clinically indicated) summary reports of Member’s behavioral health status to the PCP and other subspecialty Providers.

PRIMARY CARE PROVIDERS (PCP) AND BEHAVIORAL HEALTH

PCPs are responsible for coordinating the Member’s physical and behavioral healthcare, including making referrals to behavioral health providers when necessary. The PCP is required to obtain consent for disclosure of information from the Member to permit the exchange of clinical information between the behavioral health Provider and the Member’s PCP. If the Member refuses to release the information, they will sign the consent for disclosure of information that indicates their refusal to release the information. The Provider will document the reason(s) for declination in the medical record. El Paso Health monitors the Provider’s compliance with the completion of a release of information to promote the integrated communication between the behavioral health Provider and the PCP via summary reports of the Member’s behavioral health status.

PCP’s may provide behavioral health related services within the scope of their practice. PCP’s must adhere to screening and evaluation procedures for the detection and treatment of, or referral for any known or suspected behavioral health problems or disorders. Providers should follow generally accepted clinical practice guidelines for screening and evaluation procedures, as published through appropriate professional societies and governmental agencies, such as the National Institute of Health or the Texas Medicaid Manual. El Paso Health requires, through contract provisions, that PCPs have screening and evaluation procedures for the detection and treatment of, or referral for, any known or suspected behavioral health problems and disorders.

DSM Diagnostic Codes and Behavioral Health Claims

Behavioral health claims should be filed using the appropriate and current DSM diagnostic code to define the patient’s condition.

DSM Diagnostic Codes and Medical Records and Referrals

Medical records and referrals documentation are required to use the most current DSM classification to define the patient’s condition.

BEHAVIORAL HEALTH QUALITY INITIATIVES

El Paso Health assures quality behavioral health services are provided to all El Paso Health Members. This assurance is monitored through the following quality efforts:

- Quality Improvement committees
• Focus studies
• Education and assistance to providers regarding the appropriate exchange of medical information.
• Behavioral health inpatient and outpatient utilization reports
• Benchmarks for performance
• Behavioral health assessment instruments for use by PCPs which are made available through Clinical Practice Guidelines for behavioral health published on the El Paso Health website.

COURT ORDERED COMMITMENTS

El Paso Health provides inpatient psychiatric services to Members birth through age 20, up to the annual limit, who have been ordered to receive the services by a court of competent jurisdiction under Texas Health and Safety Code Chapters 573 and 574, relating to Court-Ordered Commitments to inpatient mental health facilities. El Paso Health is not obligated to cover placements as a condition of probation, authorized by the Texas Family Code. These placements are Non-capitated services.

El Paso Health cannot deny, reduce, or controvert the Medical Necessity of inpatient mental health services provided pursuant to a Court-ordered Commitment for Members birth through age 20. Any modification or termination of services must be presented to the court with jurisdiction over the matter for determination.

A Member who has been ordered to receive treatment under Texas Health and Safety Code Chapter 573 or 574 can only Appeal the commitment through the court system.

El Paso Health coordinates with the Local Mental Health Authority (LMHA) and state psychiatric facility regarding admission and discharge planning, treatment objectives and projected length of stay for Members committed by a court of law to the state psychiatric facility.

EARLY CHILDHOOD INTERVENTION

El Paso Health ensures Network Providers are educated regarding the federal laws on child find and referral procedures. Providers should refer any child who is 35 months of age and younger (i.e. before their third birthday) who have a disability or developmental delay as defined by Early Childhood Intervention (ECI) criteria for screening and assessment as soon as possible, but no longer than seven (7) calendar days after identifying a disability or suspected delay in development. Referrals can be based on professional judgment or a family’s concern. El Paso Health does not require a medical diagnosis or a confirmed developmental delay for referrals. To refer families for services, providers can call an El Paso Health Case Manager at 915-532-3778 or toll free at 1-877-532-3778 for assistance; or contact the Department of Assistive and Rehabilitative Services (DARS) Inquiry Line at 1-800-628-5115.
For additional ECI information, providers can visit the DARS website at [www.dars.state.tx.us/ecis](http://www.dars.state.tx.us/ecis). Persons who are hearing-impaired can call the TDD/TTY line at 1-866-581-9328.

ECI Providers must submit claims for all physical, occupational, speech, and language therapy to El Paso Health.

El Paso Health permits Members to self-refer to local ECI Service Providers without requiring a referral from the Member’s PCP.
SECTION 8: QUALITY IMPROVEMENT PROGRAM

El Paso Health’s Quality Assessment and Performance Improvement Program (QAPI) is designed to evaluate and measure the degree of quality healthcare our Members receive and the quality of services we offer to our Members and to you our Provider. The aim of the QAPI is to assure that the healthcare Members receive is optimal and consistent with the mission of El Paso Health. Our commitment is to improve the health status of the Members we serve through an integrated Quality Improvement (QI) approach to health and social services. El Paso Health’s QAPI is actively involved in the following aspects:

- Accessibility & Availability Surveys
- Clinical Practice Guidelines
- Inter-Rater Reliability Audit
- Medical Record Review
- Member Events Review
- Member Complaints
- Process Improvement
- Provider Profiling
- Studies & UM Reporting
- Quality Improvement Committees

Your partnership is paramount in the success in any of our QI initiatives and in fulfilling the requirements mandated by Texas Health and Human Services Commission (HHSC) and Texas Department of Insurance (TDI). For this reason, we highly encourage your participation in our quality improvement endeavors to continuously improve the delivery of healthcare services that are coordinated to meet Member needs in a timely, safe, efficient, effective and caring manner.

ACCESSIBILITY & AVAILABILITY SURVEYS

El Paso Health’s QI Department monitors our Primary Care Providers (PCP), OB, Specialist, and Behavioral Health Providers on an annual basis for office accessibility compliance. In addition, PCPs are assessed for 24 hour availability. El Paso Health’s QI Department will coordinate annual Office Accessibility & 24 hour Availability Surveys. Here’s an in-depth look at how this process works.

El Paso Health’s QI personnel will conduct a random sampling of the PCP, OB, Specialist, and Behavioral Health Providers network every quarter. Based on compliance with El Paso Health’s A & A standards our Providers may be surveyed more than once a year.

El Paso Health Members must be able to schedule an appointment for covered services within the time frames mandated by TDI and HHSC.
The standards for Providers are as follows:

1. **Emergency Services** must be provided upon member presentation at the service delivery site, including at non-network and out-of-area facilities.
2. **Urgent Care** including specialty urgent care and behavioral health services must be provided within 24 hours of request.
3. **Routine Primary Care** must be provided within 14 days of request.
4. **Specialty Routine Care** must be provided within 21 days of request.
5. **Initial Outpatient Behavioral Health** visits must be provided within 14 days of request.
6. **Routine Specialty Care** referrals must be provided within 5 days of request.
7. **Pre-natal Care** must be provided within 14 days of request, except for high-risk pregnancies or new members in the third trimester, for whom an appointment must be offered within 5 days, or immediately, if an emergency exists.
8. **Preventive Health Services** for **adults** (21 years and older) must be provided within 90 days of request.
9. **Preventive Health Services** for **children** less than 6 months of age must be provided within 14 days of request. For children 6 months to 20 years of age, services must be provided within 60 days of request.

El Paso Health will also assess the Member wait at the office (should not be longer than 15 minutes to be taken to the exam room).

As mandated by TDI and HHSC all PCPs must be available 24 hours, 7 days a week. If the Provider delegates this duty, the covering Provider must also be available 24 hours, 7 days a week.

The standards for 24-hour availability are as follows:

1. Answering service meets language requirements of that for major population groups. Answering service must be able to contact the Provider or other designated medical practitioner.
2. Recording meets language requirements. Directs patient to call another phone number to reach the Provider or designated medical practitioner. Other phone number provided must be answered by someone at the time of call.
3. Call is transferred to an on-call person. Call meets language requirements. Person on-call must be able to reach the Provider or designated medical practitioner to return call to patient.

Once the Provider is paged, he/she or the designated medical practitioner must return call within 30 minutes.

The following is considered *non-acceptable* criteria:

1. Office telephone is only answered during office hours.
2. Office telephone is answered by a recording that tells patients to leave message.
3. Office telephone is answered by a recording that tells patient to go to an Emergency Room for services needed.

4. Returning after-hours calls past 30 minutes.

5. Member is informed of a fee for after hour calls.

The results of the Provider Accessibility and Availability surveys will be recorded on the QI Credentialing Report as well as any Provider Profiling reports conducted by El Paso Health. Results are also shared with the Credentialing and Peer Review Committee (CPRC) and the Quality Improvement Committee (QIC).

**CLINICAL PRACTICE GUIDELINES**

El Paso Health defines clinical practice guidelines as practice parameters, recommendations, or an agreed upon set of principles for the delivery of a certain type or aspect of health care. El Paso Health’s Quality Improvement Committee (QIC) has adopted both preventive practice guidelines for adults and children (such as public health guidelines that, when followed, are likely to reduce the incidence of a disease or undesired behavior) as well as clinical practice guidelines (disease/condition specific guidelines). Our Practice Guidelines are designed to address the needs of our Members.

You can obtain a copy of our Practice Guidelines in one of the following methods:

- Contacting the Quality Improvement Department at 915-532-3778 or toll free at 1-877-532-3778.

**INTER-RATER RELIABILITY AUDIT**

El Paso Health’s QI Department monitors authorization process within the Health Services Department. El Paso Health’s QI personnel conduct quarterly Inter-Rater Reliability (IRR) audits on the Prior Authorization, Behavioral Health and Utilization Review Units to ensure there is a consistent application of review criteria and uniform decision-making. The audit determines if authorizations maintain consistency and accuracy based on clinical criteria and/or the Medical Director review. An effective authorization process is beneficial to our organization, Members and you, the Provider. Please contact our Health Services Department at **915-532-3778 or toll-free 877-532-3778** if you would like to have a copy of the clinical guidelines our medical staff utilizes when making Utilization Management and Prior-Authorization determinations.

**MEDICAL RECORD REVIEW**

In accordance with the standards set forth by HHSC and TDI, El Paso Health Providers are expected to maintain medical records in a current, detailed, and comprehensive manner that conform to good, professional medical practices. El Paso Health employs the American Medical Association (AMA) and National Committee for Quality Assurance (NCQA) medical record standards such as documentation legibility, medical record organization and medical record content. Medical record reviews include auditing the required documentation for Texas Health
Steps periodic exams and HEDIS hybrid measures. Providers must make the El Paso Health Member medical records available to El Paso Health’s Quality staff and approved external reviewers including HHSC and the Institute for Child Health Policy (ICHP).

The Medical Record Review (MRR) is performed to systematically review and collect data on the documentation and appropriateness of services provided for use in evaluating the care provided to El Paso Health Members. The results of the MRR are reviewed by the Medical Director and presented to the Credentialing and Peer Review Committee (CPRC). The CPRC considers the results of MRR when conducting physician peer review in making credentialing and/or re-credentialing determinations. El Paso Health’s Quality Improvement Committee (QIC) determines the threshold of acceptability for MRR compliance. It is the protocol of El Paso Health, that if a Provider scores less than the established threshold they are required to comply with a Corrective Action Plan (CAP) developed. The Provider will be re-audited to assess compliance with the corrective action. Please feel free to contact our QI Department at 915-532-3778 or toll-free 877-532-3778 if you would like a copy of our audit tool used for conducting MRR.

MEMBER EVENTS REVIEW

El Paso Health’s QI Department has established a process by which any possible quality issue is referred for investigation. El Paso Health is committed to investigating and correcting any issues, which interfere with the quality of health care delivered to our Members. In accordance with The National Quality Forum report on serious reportable events in healthcare and The Joint Commission, El Paso Health’s QI Department monitors possible triggers for Member events to include, but are not limited to:

- Post-operative complications/unplanned return to surgery.
- Nosocomial infection.
- Trauma suffered in the hospital.
- Mortality that is not a direct result of a terminal condition.
- Hospital readmissions within 30 days of discharge.

The QI Department systematically evaluates the process of care that may have led to an adverse event. Member events that are determined to have had a significant adverse effect on the Member will be referred to the Quality Improvement Committee (QIC) for an appropriate course of action. El Paso Health therefore urges that any possible quality issues be reported. To report a quality issue, please contact our QI Department at 915-532-3778 or toll-free 877-532-3778.

MEMBER COMPLAINTS

It is inevitable that Providers will encounter a patient that is displeased with the quality of service or care that is provided at one time or another. However, when this does occur, and the patient/Member files a complaint, El Paso Health must acknowledge their concern and attempt to achieve the best resolution. A complaint is defined by HHSC as an expression of dissatisfaction expressed by a complainant, orally or in writing to El Paso Health. Possible triggers for
complaints include, but are not limited to, the quality of care or services provided, and aspects of interpersonal interactions such as rudeness of a Provider or office staff, or failure to value the Member’s rights.

It is the intent of El Paso Health to resolve Member complaints informally and to the mutual satisfaction of our Members and providers. El Paso Health must exercise due diligence by confirming all facts in any quality of care or service complaint we receive. How do we safeguard our Members’ satisfaction? The following measures are employed to ensure that we keep our Members content with the quality of health care or service they receive:

**Acknowledgement**
When we receive a verbal or written complaint from a Member about the quality of service or quality of care they received during their visit to a Provider office, the Member will receive an acknowledgement letter within five (5) days of receipt of their complaint. The purpose of the acknowledgement letter is to recognize the time and effort our Member has invested in informing us of their concerns.

**Examine**
As part of our commitment to quality we must examine all facts in the complaint filed in order to achieve satisfactory and fair resolution. El Paso Health’s QI Department will contact the Member directly and ask for a detailed account of the situation that triggered the complaint. El Paso Health will also contact the Provider to explain the complaint received and obtain the Provider’s account of the situation. Collaboratively with the Provider we determine the best resolution to the Member’s complaint. As mandated by our regulators, El Paso Health has thirty (30) calendar days to provide a written resolution to our Member’s complaint from the date of receipt.

**Resolution**
Once we have identified the problem and determined a course of action to obtain resolution, we communicate the resolution to the Member via written correspondence. Our main objective for issuing a resolution to our Member is to ensure their satisfaction with the outcome. If our Members are not satisfied with the complaint resolution, he/she has the right to file a complaint with the Texas Health and Human Services Commission (HHSC) or Texas Department of Insurance (TDI).

**PROCESS IMPROVEMENT**
El Paso Health’s QAPI stresses as its utmost priority the need to continually improve the quality of care provided and service we offer. El Paso Health accomplishes this ongoing process through data collection and multidisciplinary analysis of data, identifying opportunities to improve processes, and implementing improvement. El Paso Health develops performance thresholds and benchmarks for all of our QI indicators incorporating the following elements:

- Assessment of Expectations. El Paso Health recognizes that no matter how much work we put into our QI process, if we do not get our Providers and Member’s input, achieving a successful process can be hindered. For that reason, El Paso Health identifies what our Providers and Members are seeking through our annual satisfaction survey that assesses on a continuous basis whether or not we are achieving those expectations.
• Identification of Opportunities. El Paso Health approaches the QI process as the opportunity to assess the quality and appropriateness of service provision to improve performance.

• Setting Goals. El Paso Health translates expectations into measurable goals which are attainable. El Paso Health actively and continuously seeks to assess, understand and respond to identified needs and expectations with the intention of meeting or exceeding the goals set.

• Assessment of Outcome. El Paso Health analyzes the results of QI initiatives to determine if it brought a positive outcome and identify any barriers faced. These results are used toward improving the quality of care and service delivery for the next cycle of improvement.

PROVIDER PROFILING

Provider profiling allows El Paso Health to compare individual and aggregate Provider performance to other Providers at the specialty, Health Plan, state and national levels. Indicators may include HEDIS results; Emergency Department usage; hospital days/1000; cost; average length of stay; outpatient encounters; THSteps rates; information from QI activities such as adverse events and access and availability; and member satisfaction. Provider profiles are used to identify outlier providers for under-utilization and over-utilization and to evaluate Health Plan performance. El Paso Health encourages our Provider’s input on what information would be pertinent to your practice patterns, please feel free to contact our Medical Director at 915-532-3778 or toll-free 877-532-3778.

STUDIES AND UM REPORTING

El Paso Health recognizes the importance of conducting focus studies around health problems or services that are particularly important or prevalent to our Member population. Our focus studies are typically geared towards preventative services for our pediatric and adult populations. The aim of a focused study is provide objective data necessary for problem identification; implementation of corrective action, assessment of corrective action, and problem resolution. El Paso Health’s QI Department may require the assistance of our Provider network when collecting precise data for our focus study. For that reason, your collaboration and consideration is imperative to our QI endeavors that assist in delivery of quality of care and service.

Additionally, El Paso Health monitors inpatient admissions, emergency room utilization, ancillary and out of areas services as described in the Utilization Management Program Description. All utilization patterns and trends are reviewed quarterly at the Utilization Management Committee (UMC) and subsequently reviewed by the Quality Improvement Committee (QIC). Ultimately all utilization trends and patterns are reported to the BOD on a monthly and quarterly basis.
QAPI Committees

It would be both a privilege and pleasure to have you join in on our Quality Improvement journey. El Paso Health’s QAPI has physician driven committees as we value your input. All physician committees are peer protected and the various meetings are held monthly, quarterly or as needed. El Paso Health has the following physician committees:

- Quality Improvement Committee (QIC)
- Credentialing and Peer Review Committee (CPRC)
- Utilization Management Committee (UMC)

If you are interested in joining any of our committees, please feel free to contact our Medical Director at 915-532-3778 or toll-free 1-877-532-3778.
DEFINITIONS

**Action (Medicaid only)** means:

1. the denial or limited authorization of a Member or Provider requested services, including the type or level of service, requirements for medical necessity, appropriateness, setting, or effectiveness of a covered benefit;
2. the reduction, suspension, or termination of a previously authorized service;
3. the denial in whole or in part of payment for service (*Please refer to Section 10*);
4. the failure to provide services in a timely manner as determined by the State;
5. the failure of El Paso Health to act within the timeframes set forth in the Contract and 42 C.F.R. §438.408(b) (*Please refer to Section 10*); or
6. for a resident of a rural area with only one health plan, the denial of a Medicaid Members’ request to obtain services outside of the Network (*Please refer to Section 10*); or,
7. the denial of a Member’s request to dispute a financial liability, including cost sharing, copayments, premiums, deductibles, coinsurance, and other Member financial liabilities.
8. **Adverse Determination** is a one type of Action.

**Administrative Appeal** means the formal process by which a Provider requests a review of any of the below actions **that do not require a medical review**:

- The failure of El Paso Health to act within the described timeframes
- The denial in whole or in part of payment for a service not related to medical necessity
- Dispute of a claim denial for a non-covered benefit
- Reimbursement dispute
- Claims Coding dispute

**Administrative Denial** is **not** a determination of the medical necessity or appropriateness of health care services furnished or proposed to be furnished to a Member.

**Adverse Determination (CHIP)**. A determination by a URA made on behalf of any payor that the health care services provided or proposed to be provided to an enrollee are not medically necessary or appropriate or are experimental or investigational. The term does not include a denial of health care services due to the failure to request prospective or concurrent utilization review.

**Adverse Determination (STAR)** means a determination by an MCO or Utilization Review agent that the Health Care Services furnished, or proposed to be furnished to a Member, are not Medically Necessary or not appropriate.
Adverse Determination Appeal means the formal process by which a Provider, a Member or their legal representative requests a review of any of actions requiring medical interpretation such as:

- The denial or limited authorization of a requested service, including the type or level of service
- The reduction, suspension, or termination of a previously authorized service
- Denial of a request to obtain services outside of the network
- A determination that a service is not medically necessary, experimental, or investigational in nature

Business Day means any day other than a Saturday, Sunday, or a state or federal holiday on which HHSC’s offices are closed, unless the context clearly indicates otherwise.

Emergency Medical Condition means a medical condition manifesting itself by acute symptoms of recent onset and sufficient severity (including severe pain), such that a prudent layperson, who possesses an average knowledge of health and medicine, could reasonably expect the absence of immediate medical care could result in:

1. placing the Member's health in serious jeopardy;
2. serious impairment to bodily functions;
3. serious dysfunction of any bodily organ or part;
4. serious disfigurement; or
5. in the case of a pregnant women, serious jeopardy to the health of a woman or her unborn child.

Emergency Services means covered inpatient and outpatient services furnished by a provider that is qualified to furnish such services under the Contract and that are needed to evaluate or stabilize an Emergency Medical Condition and/or an Emergency Behavioral Health Condition, including Post-stabilization Care Services.

Expedited MCO Internal Appeal means an appeal to the MCO in which the decision is required quickly based on the Member's health status, and the amount of time necessary to participate in a standard appeal could jeopardize the Member's life or health or ability to attain, maintain, or regain maximum function.

Health Care Provider means a person, corporation, facility, or institution that is:

- licensed by a state to provide or is otherwise lawfully providing health care services; and
- eligible for independent reimbursement for those health care services.

Life-threatening means a disease or condition from which the likelihood of death is probable unless the course of the disease or condition is interrupted.

Physician means a licensed doctor of medicine or a doctor of osteopathy.
Provider of Record means the physician or other health care provider with primary responsibility for the care, treatment, and services provided to an enrollee. The term includes a health care facility if treatment is provided on an inpatient or outpatient basis.

Utilization Review includes a system for prospective, concurrent, or retrospective review of the medical necessity and appropriateness of health care services and a system for prospective, concurrent, or retrospective review to determine the experimental or investigational nature of health care services. The term does not include a review in response to an elective request for clarification of coverage.

Utilization Review Agent (URA) means an entity that conducts utilization review for:

- an employer with employees in this state who are covered under a health benefit plan or health insurance policy;
- a payor; or
- an administrator holding a certificate of authority under Chapter 4151.

Utilization Review

El Paso Health is accountable to its Members for the effective utilization of resources in the provision of health care and the quality of care and services provided by its participating providers.

El Paso Health will have a system for prospective, concurrent, or retrospective review of the medical necessity and appropriateness of health care services and a system for prospective, concurrent, or retrospective review to determine the experimental or investigational nature of health care services. The term does not include a review in response to an elective request for clarification of coverage.

El Paso Health is committed to having a Utilization Review Process (UR Process) that adheres to standards for conducting utilization review which is in compliance with the Texas Department of Insurance (TDI) and Health and Human Services Commission (HHSC) rules and regulations.

El Paso Health has appropriate trained, qualified and licensed staff available to perform utilization review.

Utilization Management staff are reasonably available by telephone at (915)532-3778, or toll-free at (877)-532-3778 to discuss patient care during normal business hours between 9:00 a.m. – 6:00 p.m. Central Standard Time (CST) and 8:00 a.m. – 5:00 p.m. Mountain Standard Time (MST), Monday through Friday on each day that is not a legal holiday. An answering system is in place to accept inquiries Monday through Friday outside of these hours, weekends, and legal holidays. Calls will be transferred to the Medical Director or designee. The Medical Director or designee will acknowledge calls as soon as possible, but no later than 24 hours after receipt of the call. Calls left on the recording system will be acknowledged on the next business day of receipt of the call.
El Paso Health will make medical necessary determinations based on written screening criteria established and periodically updated. Under no circumstances will the term Medical Necessity emphasize cost/resource issues above clinical effectiveness.

El Paso Health utilizes the list of procedures identified by Centers for Medicare and Medicaid Services (CMS) for services being performed in an ambulatory surgical setting. Milliman Care Guidelines and Interqual Inc., criteria are used in issuing utilization management and pre-certification determinations. Providers can access guidelines adopted by El Paso Health at http://www.elpasohealth.com or request a copy by submitting a written request to the Utilization Management Unit at 1145 Westmoreland Drive, El Paso, TX 79925.

The screening criteria used for the determination will be objective, clinically valid, compatible with established principles of health care; and flexible enough to allow a deviation from the norm on a case by case basis. Screening criteria is established, periodically evaluated, and updated by El Paso Health’s Utilization Management Committee (UMC).

Screening Criteria will be used to determine whether to approve the prospective, concurrent or retrospective review for medical necessity and appropriateness of the health care services; and prospective, concurrent, or retrospective review of the experimental or investigative nature of the health care services.

Authorization requests are accepted via fax, telephonically, or electronically.

- **Faxed Requests:**
  - Outpatient and Scheduled Inpatient procedures
    - Fax No: 915-298-7866
    - Toll free: 844-298-7866.
    - The Fax Server is in operation twenty-four (24) hours a day, seven (7) days a week.
  - Inpatient notifications
    - Fax No: 915-298-5278
    - Toll free at 844-298-5278;

- **Electronic Requests:** [http://www.elpasohealth.com](http://www.elpasohealth.com)

- **Telephonic Requests:** 915-532-3778 (toll free at 1-877-532-3778).

El Paso Health will request all relevant and updated information and medical records to complete a review. The information needed for a review may include, but is not limited to:

- identifying information about the Member;
- the benefit plan or claim;
- the treating physician, doctor, or other health care provider;
- the facility rendering the care;
- clinical and diagnostic testing information regarding the diagnoses of the Members
- Member’s medical history relevant to the diagnoses;
- Member’s prognosis; and
• the plan of treatment prescribed by the provider of record, along with the provider of record's justification for the plan of treatment.

From time to time, a Member, physician, or other healthcare Provider will not be in agreement with the medical necessity or appropriateness of the requested services. In any instance in which El Paso Health questions the medical necessity or appropriateness, or the experimental or investigational nature, of the health care services, prior to the issuance of an adverse determination, El Paso Health will afford the provider of record a reasonable opportunity to discuss the plan of treatment for the Member with the Medical Director or Associate Medical Director. A denial in whole or in part of requested treatment will be made by the Medical Director, designated physician, dentist, or other health care Provider. The notice will include the professional specialty of the physician who made the determination.

El Paso Health will notify Members of any action or intended action in regards to their request for services. If a denial is based on lack of supporting documentation from the Provider, El Paso Health will describe the supporting documentation that needs to be submitted.

The notice of action or intended action will include the date the action will take effect along with an explanation on how the requested service does not meet one or more of the criteria for medical necessity.

El Paso Health will send written notice of determination to the Member, or an individual acting on behalf of the Member, and the Member's provider of record, including the health care provider who rendered the service, of a determination made in a utilization review.

**AUTHORIZATIONS**

Authorization is required for all inpatient admissions, outpatient procedures, all out-of-area and out-of-network services and other services as defined by El Paso Health, with the exception of family planning services. For a list of procedures requiring authorization please refer to the Pre-certification Flyer included as ATTACHMENT 1 of this manual. Refer to the Current Procedural Terminology (CPT) manual for specific codes to use when requesting services.

It is important for authorization requests to be legible as not to delay processing.

If a service does not require prior authorization, the Provider will be notified via fax by the Utilization Management department.

Notification of a service not requiring authorization does not constitute approval of that service.

Medicaid Members have the right to choose any Medicaid-enrolled family planning provider whether the provider is in-Network or out-of-network. Family planning services include medically approved methods of contraception that are made available to the Member, whether directly or by referral to a subcontractor. Access to family planning services is confidential.
El Paso Health does not process authorization requests beyond 30 days in advance to ensure the most updated clinical possible is provided.

**Inpatient Admissions**

Inpatient notifications and supporting documentation should be submitted to the Utilization Management Unit by fax at **915-298-5278**, **telephonically at 915-532-3778 (toll free at 877-532-3778)**, or **electronically** through the El Paso Health Web Portal at [http://www.elpasohealth.com](http://www.elpasohealth.com). El Paso Health requests that Providers submit the hospital’s face sheet for notification of inpatient admissions and the NICU Notification Form for all NICU notifications. Inpatient notifications should be submitted as follows:

- Two face sheets for all deliveries (one for the mother and one for the infant);
- The mother’s face sheet should include the type of delivery (vaginal or c-section);
- The baby’s face sheet should include the baby’s gender and indicate well or sick; and
- If baby was a sick baby transferred to NICU, the *NICU Notification Form* included as ATTACHMENT 12 of this manual should be submitted; and
- A separate face sheet for Med/Surg notifications
- A face sheet for observation stays converted to inpatient status to include the physicians’ orders
- Authorization is required for in-network or out-of-network facility and Physician services for a mother and/or newborn remaining inpatient after 48 hours following an uncomplicated vaginal delivery, or after 96 hours following an uncomplicated delivery by caesarian section

When submitting additional clinical information pertaining to a continued stay, Providers should reference the authorization issued for the current inpatient stay.

Inpatient notifications should also include applicable clinical information such as diagnosis, lab values, diagnostic test results, plan of care, and discharge planning necessary to:

- Evaluate medical appropriateness/medical necessity of care
- Substantiate level of care
- Assess and identify quality issues
- Identify case management opportunities

The facility’s’ utilization management/case management department is responsible for providing notice of a determination to El Paso Health members during the course of stay.

**Concurrent Review and Discharge Planning**

All inpatient admissions are monitored for compliance with the certified length of stay. Admissions which are continued beyond the expected length of stay, are reviewed to determine the medical necessity for the continued stay, and to identify the expected discharge date of the patient. El Paso Health’s Case Manager will work collaboratively with the facility when a patient
can appropriately be transferred to an alternative care setting; or when a patient is discharged from an acute care setting to an alternative care setting such as home health care.

*Please refer to Section 7 of this manual for inpatient notification process of behavioral health services.*

**Outpatient/Scheduled Procedures**

All outpatient requests or requests for scheduled procedures should be submitted to the Utilization Management Unit by fax at **915-298-7866**, telephonically at **915-532-3778** (**toll free** at **877-532-3778**), by completing the Texas Standard Prior Authorization Request Form included as **ATTACHMENT 13** of this manual, or electronically through the El Paso Health Web Portal at [http://www.elpasohealth.com](http://www.elpasohealth.com).

CHIP Providers submitting authorization requests will be notified if additional information is needed to determine medical necessity. If not submitted the same day, determination will be based on the information at hand.

STAR Providers have seven (7) calendar days to submit requests for additional information when it is determined that the clinical information submitted with the initial authorization request does not support medical necessity.

Determination for authorization requests submitted by CHIP Providers will be made based on the information submitted with the original requests.

*Please refer to Section 7 of this Manual for outpatient authorization request process of behavioral health services.*

**Out-of-Area**

All inpatient requests should be submitted to the Utilization Management Unit at **915-298-5278** (**toll free** **844-298-5278**) or electronically by completing the Texas Standard Prior Authorization Request Form for Health Care Services included as **ATTACHMENT 14** of this manual.

**Time frames for Precertification**

Time frames for precertification are as follows:

- Three days prior to elective admissions;
- 24-hour notification is required for conversion from Observation Status to Inpatient Status; all inpatient stays of less than 24 hours will be considered an observation stay;
- Urgent admissions can be faxed the day of, but prior to admitting the patient;
- Emergency admissions must be faxed by 5 p.m. on the next business day following the admission;
- All emergent and non-emergent out-of-network transfer notifications should be made PRIOR to patient transfer for coordination and approval by the Medical Director;
• Notification of detained babies should be made prior to the mother’s discharge;
• Services deemed necessary for discharge may require prior authorization and should be submitted during discharge planning.

It is the Provider’s responsibility to verify eligibility or authorization of services.

**REFERRALS**

Referrals are an integral component of El Paso Health. Referrals ensure that Members gain access to all necessary and appropriate covered services and that care is delivered in the most clinically suitable and cost-effective setting. El Paso Health operates a closed specialty network which means that Primary Care Physicians (PCP) should refer Members to El Paso Health network specialists only.

The PCP functions as the medical home for assigned Members. PCPs are responsible for arranging and coordinating appropriate referrals to other providers and specialists, and for managing, monitoring, and documenting the services of other providers.

PCPs are required to maintain documentation of communication with the specialist in the Member’s medical record and must supply the specialist with his/her El Paso Health Provider number for inclusion on the specialist’s claim.

**Out-of- Network Referrals**

El Paso Health recognizes that there may be instances when an out-of-network referral is justified. The Health Services staff will work with our Medical Director and the PCP to determine the medical necessity of the out-of-network referral. Out-of-network referrals will be authorized on a limited basis. Providers are responsible for providing a justification to El Paso Health regarding Out-of-Network referrals, including partners not contracted with El Paso Health. El Paso Health may be contacted at 915-532-3778 or toll free at 877-532-3778 for questions regarding non-network providers.

**Member’s Right to Designate an Obstetrics/Gynecology (OB/GYN)**

El Paso Health allows the Member to pick an OB/GYN, but this doctor must be in the same network as the Member’s Primary Care Provider.

**Attention Female Members**

Members have the right to pick an OB/GYN without a referral from their Primary Care Provider. An OB/GYN can give the Member:

• One well-women check-up each year
• Care related to pregnancy
• Care for any female medical condition
• A referral to a specialist doctor within the network
Specialist to Specialist Referrals

El Paso Health does not allow specialty providers to refer directly to another specialist. This request must be coordinated through the PCP. Once a PCP has referred a Member to a specialist, the specialist can order diagnostic tests and/or refer to an additional specialist with an authorization; this does not require PCP involvement.

For Members with disabilities, special healthcare needs, Chronic or Complex conditions, there may be instances where the specialist is acting as the PCP for a Member. In these situations, Members are allowed direct access to the specialist-PCP, and the specialist may refer to other specialists with prior authorization, or admit the Member to the hospital.

MEMBER RIGHT TO A SECOND OPINION

El Paso Health requires that each Member have access to a second opinion regarding the use of any healthcare service. A Member must be allowed access to a second opinion from a network or out-of-network Provider if a network Provider is not available, at no additional cost to the Member.

OUT-OF-NETWORK HOSPITALS

An out-of-network hospital is one that is not contracted to provide services to El Paso Health Members:

- Out-of-network hospitals are reimbursed only for inpatient services provided to El Paso Health Members as the result of an emergency admission. Other inpatient/outpatient services are reimbursed at the rate paid by the Traditional Medicaid Program, if authorized reimbursement for emergency treatment will be made at the current Medicaid rates.
- All out-of-network hospital services require prior authorization for non-emergency services.

AUTHORIZATION REQUEST DETERMINATIONS

Administrative Denials

Please refer to Section 10 for Administrative Denial Complaint and Appeal process.

Administrative Denials are issued for services not related to a determination of medical necessity. An Administrative Denial is issued for health care service requests related to, but not limited to the following:

| Lack of notification within the required timeframes or failure to request prior authorization. | Failure to notify of a transfer to out-of-area or out-of-network facility in advance |
| Lack of notification when Observation status is changed to Inpatient | Non-covered benefits |
• No clinical information provided whatsoever to be able to make a determination on your request.

• Non-compliance of provider with El Paso Health’s UM process

• Duplicate request (already an authorization on file from a different provider for the same Date of Service)

• Scheduled services to an un-credentialed or out-of-network provider if an in-network provider is available

ADVERSE DETERMINATIONS

CHIP and CHIP Perinatal

An Adverse Determination is issued when it is determined that a health care service requested is not medically necessary, and only after the provider has been given the opportunity to discuss with a physician the patient’s treatment plan and clinical basis of the request. An adverse determination of requested treatment will be made by the Medical Director, Associate Medical Director or appropriate physician, dentist, or other health care provider.

El Paso Health does not issue adverse determinations based on initial clinical review. Screening criteria will be used to determine whether to approve the prospective, concurrent or retrospective review for medical necessity and appropriateness of the health care services; and prospective, concurrent, or retrospective review of the experimental or investigative nature of the health care services.

The screening criteria used for the determination will be objective, clinically valid, compatible with established principles of health care; and flexible enough to allow a deviation from the norm on a case by case basis. The notice will include the professional specialty of the physician who made the determination on the requested service.

What can I do if El Paso Health denies or limits my Member’s request for a covered benefit?

El Paso Health will include a description of the procedure for the appeals, including the notice to the Member, the Member’s representative, the provider of record, health care provider rendering services if different from the provider of record, the right to appeal an adverse determination to an Independent Review Organization (IRO), and of the procedures to obtain that review along with the notice of adverse determination.

For Members who have a life-threatening condition or urgent care situation, the notice will include a description of the Member’s right to an immediate review by an IRO and the steps to take in order to obtain the immediate review by the IRO.

El Paso Health does not discriminate or take punitive action against a Member or their authorized representative for submitting an appeal.
**Timeframe for Notice of Adverse Determination**

- With respect to a patient who is hospitalized at the time of the adverse determination, notification will be made within one (1) working day by electronic transmission to the provider of record, followed by a letter within three (3) working days notifying the patient and the provider of record of the adverse determination;

- With respect to a patient who is not hospitalized at the time of the adverse determination, notification will be made within three (3) working days in writing to the provider of record and the patient;

- Within the time appropriate to the circumstances relating to the delivery of the services to the patient and to the patient’s condition, provided that when denying post-stabilization care subsequent to emergency treatment as requested by a treating physician or other health care provider, that notice will be sent not later than one (1) hour after the time of the request; and

- Within a reasonable period for retrospective utilization review in writing to the provider of record and the patient, but not later than thirty (30) days after the date on which the claim is received. This timeframe may be extended once by El Paso Health for a period not to exceed fifteen (15) days if El Paso Health determines that an extension is necessary due to matters beyond their control. In this circumstance, El Paso Health will notify the provider of record and the Member prior to the expiration of the initial 30-day period. The notification will include the date in which a determination is expected.

**How will I find out if services are denied?**

El Paso Health will send written notification to the Member or an individual acting on the Member’s behalf and the Member’s Provider of Record, including the health care provider who rendered the service, of a determination made in a utilization review.

**Requirements for Notice of an Adverse Determination**

In all instances of a prospective, concurrent, or retrospective utilization written notification of the adverse determination will include:

- The principal reasons and clinical basis for the adverse determination.
- The screening criteria utilized in making the determination.
- The professional specialty of the physician that made the adverse determination.
- A description of the procedure for the complaint and appeals process.
- The right to request an IRO and instructions on how to obtain the IRO.
- A copy of the request for review by an IRO form, (also available at www.tdi.texas.gov/forms).
When does a Member have the right to request an Appeal?

A member has a right to request an appeal for services that have been denied in whole or in part. Appeals need to be filed within sixty (60) days of the notice of the adverse determination.

A member or an individual acting on behalf of the Member and the Member's provider of record, including the health care provider who rendered the service, of a determination made in a utilization review may appeal an Adverse Determination. A physician who has not previously reviewed the case will review the appeal. This includes an Expedited Appeal for emergency care or life-threatening situations.

Appeals can be made orally or in writing to:
El Paso Health
Attention: Health Services Department
1145 Westmoreland Drive
El Paso, TX 79925
Fax No: 915-298-7866 (Toll Free – 844-298-7866)
Phone: 915-532-3778 (Toll Free – 877-532-3778)
Online: www.elpasohealth.com

If your appeal was made over the phone (orally), a one-page appeal form will be included with the letter of acknowledgement. The appeal form does not have to be returned. El Paso Health will still review your appeal. We do encourage that requested information be provided to help resolve the appeal.

Can someone from El Paso Health help me file an Appeal?

El Paso Health's Health Services Representatives are available to assist Members or the Member's representative with the appeal process at 915-532-3778 or 877-532-3778.

Types of Appeals

Standard Appeal: An appeal that does not involve urgent care such as emergency care, life-threatening conditions, or continued hospitalization.

Expedited Appeal: An expedited appeal is available for emergency care, life-threatening conditions, and hospitalized enrollees. An expedited appeal is also available for failure to provide services in a timely manner.

How to request an Expedited Appeal:

Expedited Appeals can be made orally or in writing to:
El Paso Health
Attention: Health Services Department
1145 Westmoreland Drive
El Paso, TX 79925
Fax No: 915-298-7866 (Toll Free – 844-298-7866)
Phone: 915-532-3778 (Toll Free – 877-532-3778)
Online: www.elpasohealth.com
**Timeframe for an Expedited Appeal:** One working day from the date we receive all information necessary to complete the appeal. We may provide the determination by telephone or electronic transmission, but will provide a written determination within three (3) working days of the initial telephonic or electronic notification.

**What Happens if El Paso Health Denies the Request for an Expedited Appeal?**

The Member or their representative has the right, under Texas law, to have this decision reviewed by an IRO. There is no cost to the Member for filing an IRO.

**Who can help with filing an Expedited Appeal?**

El Paso Health’s, Health Services Representatives are available to assist Members or the Member’s representative with the Expedited Appeal.

**Adverse Determination Appeal Timeframe**

**Standard Appeal:** 30 calendar days of receipt of the appeal.

**Expedited Appeal:** One working day from the date we receive all information necessary to complete the appeal. We may provide the determination by telephone or electronic transmission, but will provide a written determination within three (3) working days of the initial telephonic or electronic notification.

**Appeal Acknowledgment**

Within five (5) working days of receipt of the appeal, we will send the appealing party a letter acknowledging the date that we received the appeal and a list of documents that we may need for the appeal. If the appeal is oral, we will send the appealing party a one-page appeal form. The appealing party does not have to return the appeal form but we encourage its return because the form will help us resolve the appeal.

Providers are encouraged to contact El Paso Health should they not receive a letter of acknowledgement within five working days.

All appeal documentation and telephone discussions will be logged, documented, scanned and attached to the authorization in El Paso Health’s management information system.

**Review of Appeal**

Upon review of the appeal and it is determined that the health care service requested is not medically necessary, the provider will be provided with an opportunity to discuss the clinical peer reviewer’s determination prior to issuing an adverse determination.
What if El Paso Health Denies the Appeal?

The Provider may request a Specialty Review. The requesting Provider has (10) ten working days from the day an appeal is denied to send a written request for Specialty review. The request must be in writing and state a good cause for having a particular type of specialty Provider review the case. El Paso Health will identify a physician of the same or similar specialty as typically manages the medical, dental or specialty condition, procedure, or treatment under review.

Timeframe for Resolution of the Specialty Review

The Specialty review will be completed within fifteen (15) working days of the date the health care Provider requested the Specialty review. Notification of the determination will be provided in writing by letter to the Member, the person acting on behalf of the Member, the Provider of record, and health care Provider rendering services if different from the Provider of record.

- A statement of the dental, medical, contractual reasons for resolution;
- The clinical or contractual basis for the decision;
- The description of or the source of the screening criteria that were utilized in making the determination;
- The professional specialty of the physician who made the determination;
- The notice of the appealing party’s right to seek review by a Texas Department of Insurance (TDI) approved Independent Review Organization (IRO) and procedures for obtaining that review.

REQUESTING AN EXTERNAL REVIEW BY AN IRO

What is an external review by an IRO?

It is a request to have an independent third party, not affiliated with El Paso Health, review the medical necessity and appropriateness of health care services denied by El Paso Health. The Member or their representative has the right to request the external review at no cost to the Member.

How do I request a review by an IRO?

To request a standard IRO review, the Member must complete and sign the HHS Federal External Review Process Appointment of Representative Form to name someone to be the Member’s representative. See ATTACHMENT 16.

What should I do to request the IRO?

You will need to complete HHS Federal External Review Request Form, ATTACHMENT 17, once the Member names you as their representative on the HHS Federal External Review Process Appointment of Representative Form.

You may ask for a standard external review by fax, mail, or online at:
If you need to send more information to include with your review, you can send it using the HHS Federal External Review Request Form.

**What happens after I send the request for IRO?**

MAXIMUS will decide if the request is eligible for external appeal. If not eligible MAXIMUS will notify the Member and El Paso Health.

If the request is eligible for external review, MAXIMUS will request the case information from El Paso Health for review. El Paso Health will have five business days to send the information to MAXIMUS. If you send MAXIMUS more information they will share it with us. We may change our decision when MAXIMUS informs us of the IRO. If not, the IRO will continue the review and notify you when they make their decision.

**How long will it take for the IRO to complete the review?**

MAXIMUS will notify you 45 days from when the request for an IRO.

**What happens if MAXIMUS decides to approve the services?**

El Paso Health will provide coverage or payment for the health care item or service upon receiving notification from MAXIMUS.

**Who do I call if I have questions on the IRO?**

If you have questions about the about the IRO, call 1-888-866-6205. Maximus will keep record for up to six years.

**What if the Member needs an Immediate Review by IRO?**

El Paso Health will not require exhaustion of El Paso Health’s internal appeals process prior to requesting an external review by IRO if El Paso Health fails to meet internal appeal process timelines, or if the Member has a life-threatening condition or urgent care situation.

**How do I request the Immediate Review by the IRO?**

You can ask for an immediate IRO by calling 1-888-866-6205 to begin the process. You may also request the immediate review in writing to the following:

- Fax: 1-888-866-6190
- E-mail: FERP@maximus.com
- Online Portal: [https://www.externalappeal.com/ferpportal](https://www.externalappeal.com/ferpportal)
How do I know that my Immediate Review Request has been received?

MAXIMUS will notify El Paso Health within one business day to request case documentation for review.

How do I send additional information for the Immediate Review by the IRO?

To send information to include in the review, you may use the *HHS Federal External Review Request Form* and send it to the following:

- **Fax:** 1-888-866-6190
- **Mail:** MAXIMUS Federal Services  
  State Appeals East  
  3750 Monroe Avenue, Suite 705  
  Pittsford, NY 14534  
- **E-mail:** FERP@maximus.com
- **Online Portal:** [https://www.externalappeal.com/ferpportal](https://www.externalappeal.com/ferpportal)

What happens after I send the request for Immediate Review by the IRO?

MAXIMUS will notify El Paso Health immediately upon receipt to request case information for review. MAXIMUS may request more information if needed.

MAXIMUS will decide if the request is eligible for immediate external appeal. If not eligible MAXIMUS will notify the Member and El Paso Health.

How long will it take for the Immediate Review by the IRO?

MAXIMUS will notify Member or the Member’s representative as soon as possible but no later than 72 hours. The notice can be orally and will be followed in writing within 48 hours of the oral notification.

What happens if MAXIMUS decides to approve the services?

El Paso Health will provide coverage or payment for the health care item or service upon receiving notification from MAXIMUS.

Maximus will keep record for up to six years.

**STAR Medicaid**

An Adverse Determination is issued when it is determined that a health care service furnished, or proposed to be furnished to a Member are not medically necessary or appropriate. An adverse determination of requested treatment will be made by the Medical Director, Associate Medical Director or appropriate physician, dentist, or other health care provider.

Medical Necessity applies to, but is not limited to the following:
• For Medicaid Members birth through 20, the following Texas Health Steps services:
  - Screening, vision, and hearing services; and
  - Other health care services, including behavioral health services necessary to correct or ameliorate a defect or physical or mental illness or condition. A determination of whether a service is necessary to correct or ameliorate a defect or physical or mental illness or condition

• For Medicaid Members over age 20, non-behavioral health related health care services that are reasonable and necessary to prevent illnesses or medical conditions, or provide early screening, interventions, and/or treatments for conditions that cause suffering or pain, cause physical deformity or limitations in function, threaten to cause or worsen a handicap, cause illness or infirmity, or endanger a life, or could not be omitted without adversely affecting the Member’s mental and/or physical health or the quality of care rendered;

  • Services that are not experimental or investigative; and
  • Are not primarily for the convenience of the Member or Provider.

El Paso Health does not issue adverse determinations based on initial clinical review. Screening criteria will be used to determine whether to approve the prospective, concurrent or retrospective review for medical necessity and appropriateness of the health care services; and prospective, concurrent, or retrospective review of the experimental or investigative nature of the health care services.

The screening criteria used for the determination will be objective, clinically valid, compatible with established principles of health care; and flexible enough to allow a deviation from the norm on a case by case basis. The notice will include the professional specialty of the physician who made the determination.

What can I do if El Paso Health denies or limits my Member’s request for a Covered Service?

El Paso Health will include a description of the procedure for an appeal system that complies with the requirements in applicable federal and state laws and regulations. The complaint and appeal system will include access to HHSC’s State Fair Hearing System.

El Paso Health will include a description of the Member’s right to an Expedited Review for Members who have a life-threatening condition and taking the time for a standard resolution could seriously jeopardize the Member’s life or health, the notice will include the steps to take in order to obtain the Expedited Review.

El Paso Health does not discriminate or take punitive action against a Member or their authorized representative for submitting an appeal; procedures will be the same for all Members.

Note: An “authorized representative” for a Member is a person or entity acting on behalf of the Member. A Provider may be an authorized representative.
Timeframe for Notice of Adverse Determination

- Within three (3) business days after receipt of the request for authorization of services;
- Within one (1) business day for concurrent hospitalization decisions; and
- Within one (1) hour for post-stabilization or life-threatening conditions, except that for Emergency Medical Conditions and Emergency Behavioral Health Conditions, El Paso Health will not require prior authorization.

Requirements for Notice of an Adverse Determination

For requests for services for Members from birth to age 20 that do not contain complete documentation and/or information, El Paso Health will:

- Return the request to the Provider with a notice describing the documentation that needs to be submitted.
- When possible, El Paso Health will contact the Provider by telephone and obtain the information necessary to complete the prior authorization process.

If the documentation/information is not received by El Paso Health within sixteen (16) business hours of request, El Paso Health will send a letter to the Member explaining that the request cannot be acted upon until the documentation/information is provided. El Paso Health will include a copy of the letter sent to the Provider describing the documentation/information that was requested.

If the documentation/information is not provided to El Paso Health within seven (7) calendar days from the notification to the Member, El Paso Health will send a notice to the Member informing the Member of the denial of the requested service due to the incomplete documentation/information, and provide the Member an opportunity to request an appeal through El Paso Health’s internal appeals process and the Health and Human Services Commission (HHSC) State Fair hearing process.

How will I find out if services are denied?

El Paso Health will provide an adverse determination notice which will include that the Member may appeal a determination and represent himself or herself, or use legal counsel, a relative, friend or authorized representative.

The notice will also include the procedure for the complaint and appeal process, including a notice to the Member of:

- The dates, type and units requested
- The type of action El Paso Health has taken or intends to take
  1. Deny or limit authorization requested, including the type or level of service
  2. Reduction, suspension, or termination of a previously authorized service
  3. Denial in whole or in part of payment for services
  4. The failure to provide services in a timely manner
5. The failure of El Paso Health to act within the timeframes stipulated under section titled *Timeframe for Notice of Adverse Determination* shown above

6. for a resident of a rural area with only one MCO, the denial for out of network services
   - The date El Paso Health intends to take the action
   - An explanation of the reasons for El Paso Health’s decision, the screening criteria utilized to make the decision, and the medical basis for making the determination and how medical criteria was not met for determining the medical necessity.
   - the circumstances under which the Member may continue to receive benefits pending resolution of the appeal;
   - how to request that benefits be continued;
   - the circumstances under which the Member may be required to pay the costs of these services;
   - the right to appeal for denial of payment for services in whole or in part;
   - the specialty of the physician making the determination;
   - the deadline for making a determination of the appeal; and
   - the Member’s right to a State Fair Hearing and the procedures for obtaining a State Fair Hearing.

**Adverse Determination Appeal Process**

**When does a Member have the right to request an Appeal?**

A member has a right to request an appeal for services that have been denied in whole or in part. Appeals need to be filed within sixty (60) days of the notice of the adverse determination.

A member or their authorized representative may appeal an Adverse Determination. A physician who has not previously reviewed the case will review the appeal. This includes an Expedited Appeal for emergency care or life-threatening situations.

Appeals can be made orally or in writing to:

El Paso Health  
Attention: Health Services Department  
1145 Westmoreland Drive  
El Paso, TX  79925  
Fax No: 915-298-7866 (Toll Free – 844-298-7866)  
Phone: 915-532-3778 (Toll Free – 877-532-3778)  
Online: [www.elpasohealth.com](http://www.elpasohealth.com)

Every oral appeal received must be confirmed in writing. Oral appeals must be signed by the Member or his or her representative, unless the Member or his or her representative requests an expedited resolution. The date of the oral request should be treated as the filing date of the request.
El Paso Health requires the following information for the appeal:

- a cover letter requesting an appeal that includes the Member’s name, Member’s I.D. number, El Paso Health’s reference number and the date of service;
- a copy of the medical record if not previously submitted; and
- any new or additional information

To ensure continuation of currently authorized services, the appeal must be filed on or before the later of: (1) ten days following the date on El Paso Health’s notice (2) the intended effective date of the proposed Action.

Note: that if the appeal is not approved, the appealing party may be financially responsible for the cost of the benefits received while the appeal was being reviewed.

El Paso Health will continue benefits currently being received by the Member if the following criterion is met:

- The Member or their representative files the Appeal timely;
- The appeal involves the termination, suspension, or reduction of a previously authorized course of treatment;
- The services were ordered by an authorized Provider;
- The original period covered by the original authorization has not expired; and
- The Member requests an extension of the benefits.

If, at the Member’s request, El Paso Health continues or reinstates the Member’s benefits while the appeal is pending, the benefits will be continued until one of the following occurs:

- The Member withdraws the appeal within ten (10) days from the date El Paso Health mails the notice resolving the appeal;
- the Member, within the 10-day timeframe, has requested a State Fair Hearing with continuation of benefits until a State Fair Hearing decision can be reached;
- a State Fair Hearing officer issues a decision adverse to the Member; or
- the time period or service limits of a previously authorized service has been met.

**Can someone from El Paso Health help me file an Appeal?**

El Paso Health's Health Services Representatives are available to assist Members or the Member's representative with the appeal process at 915-532-3778 or 877-532-3778.

**Types of Appeals**

**Standard Appeal:** An appeal that does not involve urgent care such as emergency care, life-threatening conditions, or continued hospitalization.
Expedited Appeal: An expedited appeal is available for emergency care, life-threatening conditions, and hospitalized enrollees. An expedited appeal is also available for failure to provide services in a timely manner.

How to request an Expedited Appeal:

Expedited Appeals can be made orally or in writing to:

El Paso Health
Attention: Health Services Department
1145 Westmoreland Drive
El Paso, TX 79925
Fax No: 915-298-7866 (Toll Free – 844-298-7866)
Phone: 915-532-3778 (Toll Free – 877-532-3778)
Online: www.elpasohealth.com

Timeframe for an Expedited Appeal: One working day from the date we receive all information necessary to complete the appeal. We may provide the determination by telephone or electronic transmission, but will provide a written determination within three (3) working days of the initial telephonic or electronic notification.

What Happens if El Paso Health Denies the Request for an Expedited Appeal?

If a request for an Expedited appeal is denied, El Paso Health will transfer the appeal to the timeframe for standard resolution and make reasonable efforts to give the Member a prompt oral notice of the denial, following up within two (2) calendar days with a written notice regarding the denial of the Expedited Appeal.

Who can help with filing an Expedited Appeal?

El Paso Health’s, Health Services Representatives are available to assist Members or the Member’s representative with the Expedited Appeal.

State Fair Hearing: A request from the Texas Health and Human Services Commission to appeal a decision made by the health plan.

Expedited State Fair Hearing: The Member may request an expedited Fair Hearing. The Member must first exhaust El Paso Health’s expedited appeal process before a request for an expedited fair hearing can be made. The resolution of the expedited appeal will include the procedure for requesting the expedited fair hearing. El Paso Health will be responsible for providing documentation of the expedited appeal to HHSC if an expedited fair hearing request is made.

Adverse Determination Appeal Timeframe

Standard Appeal: 30 calendar days of receipt of the appeal.
The timeframe for a standard Appeal may be extended up to 14 calendar days if the Member or his or her authorized representative requests an extension, or El Paso Health shows that there is a
need for additional information and how the delay is in the Member’s interest. If the timeframe is extended, El Paso Health will provide written notice of the reason for the extension.

**Expedited Appeal:** One working day from the date El Paso Health receives all information necessary to complete the appeal. El Paso Health may provide the determination by telephone or electronic transmission, but will provide a written determination within three (3) working days of the initial telephonic or electronic notification.

**State Fair Hearing:** If a Member requests a State Fair Hearing, El Paso Health will complete the request for State Fair Hearing and submit the form via facsimile to the appropriate Fair Hearings office, within five (5) calendar days of the Member's request for a State Fair Hearing. Within five (5) calendar days of notification that the Fair Hearing is set, El Paso Health will prepare an evidence packet for submission to the HHSC Fair Hearings staff and send a copy of the packet to the Member. The evidence packet must comply with HHSC’s Fair Hearings requirements. HHSC will make a determination within 90 days of the State Fair Hearing request.

**Expedited Fair Hearing:** Resolution of an expedited state fair hearing appeal will be based on the medical or dental immediacy of the condition, procedure, or treatment under review, provided that the resolution to the appeal does not exceed one (1) working day from the date all the information necessary to complete the appeal is received. If a request for an expedited State Fair Hearing is denied, El Paso Health will transfer the appeal to the timeframe for standard resolution and make reasonable efforts to give the Member a prompt oral notice of the denial, following up within two (2) calendar days with a written notice regarding the denial of the Expedited Appeal.

**Appeal Acknowledgment**

Within five (5) working days of receipt of the appeal, we will send the appealing party a letter acknowledging the date that we received the appeal.

Providers are encouraged to contact El Paso Health should they not receive a letter of acknowledgement within five working days.

All appeal documentation and telephone discussions will be logged, documented, scanned and attached to the authorization in El Paso Health’s management information system.

**Requests for Additional Information for the Appeal**

During the appeal process, El Paso Health will provide for a reasonable opportunity to present any additional information in person as well as in writing. El Paso Health will inform the Member of the time available for providing this information and that, in the case of an expedited resolution, limited time will be available. El Paso Health will also provide the Member or their representative with an opportunity, before and during the appeal process, the opportunity to examine the Member’s case file, including medical records and any other documents considered during the appeal process.
The appeal resolution letter will include:

- The specific dental, medical, contractual reasons for resolution;
- Clinical basis for decision;
- The description of or the source of the screening criteria used in making the determination;
- The professional specialty of the physician who made the determination;
- The notice of the appealing party’s physician right to seek a Specialty Review;
- The notice of the appealing party’s right to request a State Fair Hearing and procedures for obtaining a State Fair Hearing.
- A copy of the request for State Fair Hearing Form
- Procedures for filing a complaint to the Health and Human Services Commission (HHSC).

El Paso Health Services Representatives are available to assist the Member or Member’s representative file any type of appeal to include an Expedited Appeal at 915-532-3778 or toll free at 1-877-532-3778.

El Paso Health does not discriminate or take punitive action against a Member or their representative for submitting an appeal.

**What if El Paso Health Denies your Appeal?**

If El Paso Health denies the appeal, the Member’s provider of record may request a Specialty Appeal, which requests that a specific type of specialty review the case. The provider must request this type of appeal in writing within ten (10) working days from the denial and must show good cause for the specialty appeal. We will complete the Specialty Appeal and send our written decision to the member or the person acting on the member’s behalf and the provider within fifteen (15) working days of receipt of the request for the specialty appeal. This appeal is available only after an initial appeal is decided.

**Timeframe for Resolution of the Specialty Appeal**

The Specialty Appeal will be completed within fifteen (15) working days of the date the health care Provider requested the Specialty Appeal. Notification of the determination will be provided in writing by letter to the Member, and the Member’s representative.

- A statement of the dental, medical, contractual reasons for resolution.
- The clinical or contractual basis for the decision.
- The description of or the source of the screening criteria that were utilized in making the determination.
- The professional specialty of the physician who made the determination.
All appeals are date stamped and logged in the Adverse Determination Appeal’s Log. Not later than the fifth (5th) working day of receipt of the appeal, El Paso Health will send a letter acknowledging the date of receipt of the appeal.

**WHAT IS A STATE FAIR HEARING?**

A State Fair Hearing is an independent review of Member reported dissatisfaction with a resolution or decision. The agency responsible for the hearing will conduct the hearing considering information provided by the Member and El Paso Health. The decision of the hearing officer will be binding and final and will be provided in writing to the Member, the Member’s representative and El Paso Health.

**Can a Member ask for a State Fair Hearing?**

If a Member, as a member of the health plan, disagrees with the health plan’s decision, the Member has the right to ask for a State Fair hearing. The Member may name someone to represent him or her by writing a letter to the health plan telling El Paso Health the name of the person the Member wants to represent him or her. A provider may be the Member’s representative. The Member or the Member’s representative must ask for the State Fair hearing within 120 days of the date on the health plan’s letter that tells of the decision being challenged. If the Member does not ask for the State Fair hearing within 120 days, the Member may lose his or her right to a fair hearing. To ask for a State Fair Hearing, the Member or the Member’s representative should either send a letter to the health plan at El Paso Health, Attention: Health Services at 1145 Westmoreland Drive, El Paso Texas 79925 or call (915) 532-3778 (toll free: 877-532-3778).

If the Member asks for a State Fair hearing within 10 days from the time the Member gets the hearing notice from the health plan, the Member has the right to keep getting any service the health plan denied, at least until the final hearing decision is made. If the Member does not request a State Fair hearing within 10 days from the time the Member gets the hearing notice, the service the health plan denied will be stopped.

If the Member asks for a State Fair hearing, the Member will get a packet of information letting the Member know the date, time, and location of the hearing. Most fair hearings are held by telephone. At that time, the Member or the Member’s representative can tell why the Member needs the service the health plan denied.

HHSC will give the Member a final decision within 90 days from the date the Member asked for the hearing.

**When can a State Fair Hearing be requested?**

The Member or the Member’s representative must ask for the State Fair Hearing within one hundred twenty (120) days of the date on El Paso Health’s resolution letter. If the Member does not ask for the State Fair Hearing within 120 days, the Member may lose his/her right to a State Fair hearing.
What is the Timeframe for the Resolution of the State Fair Hearing?

HHSC will provide the final decision within 90 days from the date you asked for the hearing.

What is the Process after a determination is made by the Hearing Officer?

If the final determination of the appeal is adverse to the Member and is *upheld*, the Member may be required to pay the services furnished while the appeal was pending.

If the final determination of the appeal is to *reverse* a decision to deny, limit, or delay services that were not furnished while the appeal was pending, El Paso Health will authorize or provide the disputed services promptly and as expeditiously as the Member’s health condition requires.

If El Paso Health reverses a decision to deny authorization of services and the Member received the disputed services while the appeal was pending, El Paso Health will be responsible for the payment of services.

The Member may qualify for free or low cost legal services by contacting the Texas Rio Grande Legal Aide located at 1331 Texas Avenue, El Paso, TX 79901, at phone number 915-585-5100, toll free at 800-369-2792, or fax at 915-544-3789. You can also contact El Paso First at 915-532-3778 or toll free at 1-877-532-3778 for assistance.
SECTION 10: PROVIDER COMPLAINTS/APPEALS PROCESS

DEFINITIONS

Complainant means a Member or a physician, Provider or other person designated to act on behalf of a Member, who files a complaint.

Complaint (CHIP Program only) means any dissatisfaction, expressed by a Complainant, orally or in writing to El Paso Health, with any aspect of El Paso Health operation, including, but not limited to, dissatisfaction with plan administration, procedures related to review or Appeal of an Adverse Determination, as defined in Texas Insurance Code, Chapter 843, Subchapter G; the denial, reduction, or termination of a service for reasons not related to medical necessity; the way a service is provided; or disenrollment decisions. The term does not include misinformation that is resolved promptly by supplying the appropriate information or clearing up the misunderstanding to the satisfaction of the CHIP Member.

Complaint (Medicaid only) means an expression of dissatisfaction expressed by a Complainant, orally or in writing to El Paso Health, about any matter related to El Paso Health other than an Action. As provided by 42 C.F.R. §438.400, possible subjects for Complaints include, but are not limited to, the quality of care of services provided, and aspects of interpersonal relationships such as rudeness of a provider or employee, or failure to respect the Medicaid Member’s rights.

Action (Medicaid only) means:

1. the denial or limited authorization of a requested Medicaid service, including the type or level of service;
2. the reduction, suspension, or termination of a previously authorized service;
3. the denial in whole or in part of payment for service;
4. the failure to provide services in a timely manner;
5. the failure of El Paso Health to act within the timeframes set forth in the Contract and 42 C.F.R. §438.408(b); or
6. for a resident of a rural area with only one health plan, the denial of a Medicaid Members’ request to obtain services outside of the Network.

An Adverse Determination is one type of Action.

Appeal (Medicaid only) means the formal process by which a Member or his or her representative request a review of the MCO’s Action, as defined above.
PROVIDER COMPLAINTS

Disputes Involving Administrative Matters

Disputes involving administrative matters are those which arise from non-clinical or administrative issues from or with contracted Providers. The process described herein applies to all contracted Providers, delegated and non-delegated. The contract Provider under a delegated service (e.g., behavioral health) may also have additional specifically related processes.

In the event that El Paso Health takes an action to terminate, suspend or limit a Provider’s participation status with El Paso Health, El Paso Health’s Credentialing Unit will provide a dispute resolution process as delineated:

- Investigation
- Appeal
- Reapplication Subsequent to Adverse Action

Disputes Concerning Professional Competence or Conduct

All professional review actions based on reasons related to professional competence or professional conduct that affects or could affect adversely the health or welfare of a patient or patients and that adversely affect a Provider’s privilege for a period of longer than thirty (30) days must be reported, in accordance with Public Law 99-6660 and the Healthcare Quality Improvement Act of 1986. See, 45CFR 60.9.

The process described herein applies to all contracted Providers, delegated and non-delegated. The contracted Provider under a delegated service (e.g., behavioral health) may also have additional specifically related processes. In compliance with state and federal regulations, URAC standards, and El Paso Health standards, El Paso Health must report to appropriate monitoring agencies, e.g., the Texas Board of Medical Examiners, Health Integrity Data Bank, and/or the National Practitioner Data Bank (NPDB), quality-of-care issues resulting in termination or suspension of a Provider’s privileges of participation or denial of acceptance to El Paso Health’s Provider network. Other types of disputes may include not inviting a Provider to participate in the El Paso Health network and immediate termination due to imminent harm and adverse determinations. El Paso Health’s various appeals policies are available upon request.

In the event that El Paso Health takes an action to terminate, suspend or limit a Provider’s participation status with El Paso Health, El Paso Health will provide a dispute resolution process as delineated:

- Investigation
- Appeal Hearing (Appeals)
  - Level 1
  - Level 2
- Reapplication Subsequent to Adverse Action
PROVIDER COMPLAINTS

STAR Provider Complaints/Appeals Process

El Paso Health wants all Providers to be satisfied. If at any time you are not satisfied, you may call the Provider Care Unit (PCU) at (915) 532-3778 extension 1504 or at 1(877) 532-3778 if outside the service area for claims related inquires.

Providers have the right to file a complaint with El Paso Health.

Complaints may be submitted in writing to:

El Paso Health
Attn: Complaints and Appeals Department
1145 Westmoreland Dr.
El Paso, TX 79925

Complaints may be submitted by fax at: (915) 298-7872

Complaints may be submitted electronically through our WebPortal at: http://www.elpasohealth.com

When a complaint is received, no later than the fifth (5th) business day, El Paso Health will send the complainant an acknowledgement letter including the complaint procedures and time frames.

El Paso Health records, tracks, maintains, and date stamps all written, faxed, and electronic complaints received. Complaint information including fax cover pages, emails, and telephone records become part of the case and are maintained in hard copy and/or electronic copy within the information management system. Complaints will be resolved no later than thirty (30) calendar days after the date El Paso Health receives the complaint.

Please note: A written appeal is not necessary for corrected claims; they may be submitted to the El Paso Health claims address.

STAR PROVIDER APPEALS

El Paso Health recognizes two levels of appeals: 1st level and the 2nd level appeal.

An appeal is a request for reconsideration of a previously dispositioned claim.

Appeals of denied claims and requests for adjustments on paid claims must be in writing and must be received by El Paso Health within one hundred twenty (120) days from the date of the Remittance Advice (RA) on which that claim appears. If the one hundred twenty (120) day appeal deadline falls on a weekend or holiday, the deadline will be extended to the next business day.
STAR Provider 1st Level Claims Appeal Process

If the Provider is not satisfied with the disposition of the claim, the Provider has the right file an appeal. El Paso Health will recognize this appeal as a 1st level appeal. A Provider may appeal the claim by completing the following steps:

- Submit an appeal letter for each member specifying the reason for appealing the claim
- Letter MUST include:
  - Date
  - Contact Names (First and Last Name)
  - Mailing Address
  - Phone Number
  - Provider Name and NPI #
  - Member Name, Date of Birth, and ID number
  - Date of Service
  - Claim #
  - Reason for Appeal (be detailed)

- Support information:
  - Copy of Remittance Advice
  - Medical Records (if necessary)
  - Proof of Timely Filing
  - Any pertinent information for review

The appeal must be submitted in writing to:

El Paso Health  
Attn: Complaint and Appeal Department  
1145 Westmoreland Dr.  
El Paso, TX 79925

Appeals may be submitted via fax at: Fax (915) 298-7872.

Appeals may be submitted electronically through our WebPortal at: www.elpasohealth.com

Upon receipt of the appeal, the appeal will be date stamped, logged and tracked by the Complaints and Appeals Department. The Appeal will be acknowledged within five (5) business days from receipt. El Paso Health will send the Provider a letter acknowledging the date of receipt and a description of El Paso Health appeal procedures and time frames. The Appeal will be resolved within thirty (30) calendar days of receipt. El Paso Health records, tracks, maintains, and date stamps all telephonic, written, faxed and electronic appeals received. Complaint information including fax cover pages, emails, and telephone records become part of the case and are maintained in hard copy and/or electronic copy within the information management system.
If the Provider is not satisfied with the resolution of the appeal, and the Provider has additional information and/or documentation regarding the case that has not been previously considered, the Provider has the right to file a request for a 2nd level appeal. The request for a 2nd level appeal must be filed within one hundred twenty (120) days of the resolution of the 1st level appeal or from the last Provider Remittance Advice Notification received in regards to the claim in question.

**STAR Provider 2nd Level Claims Appeal Process**

Upon receipt of the 2nd level appeal, the appeal will be date stamped, logged and tracked by the Complaints and Appeals Department. The Appeal will be acknowledged within five (5) business days from receipt. El Paso Health will send the Provider a letter acknowledging the date of receipt and a description of El Paso Health appeal procedures and time frames. The 2nd level appeal will be resolved within thirty (30) calendar days of receipt. El Paso Health records, tracks, maintains, and date stamps all telephonic, written, faxed and electronic appeals received. Complaint information including fax cover pages, emails, and telephone records become part of the case and are maintained in hard copy and/or electronic copy within the information management system.

Following the conclusion of the 2nd Level Claims Appeal Process, the Provider has exhausted the El Paso Health grievance process. If the Provider is not satisfied with the resolution of the 2nd level appeal and believes that they have not been given full due process the Provider may file a complaint to Health and Human Services Commission (HHSC) after they have exhausted El Paso Health’s process.

**STAR Provider Complaints to HHSC**

The complaint must be submitted in writing to the Health and Human Services Commission. The letter should be sent to the following address:

Texas Health and Human Services Commission

MCCO Research and Resolution  
P.O. Box 149030, MC:0210  
Austin, TX 78714-9030  
Attn: Resolution Services  

or

HPM_Complaints@hhsc.state.tx.us

**PROVIDER APPEAL PROCESS TO HHSC**

(related to claim recoupment due to Member disenrollment)

Provider may appeal claim recoupment by submitting the following information to HHSC:

- A letter indicating that the appeal is related to a managed care disenrollment/recoupment and that the provider is requesting an Exception Request.

- **The Explanation of Benefits (EOB) showing the original payment.** Note: This is also used when issuing the retro-authorization as HHSC will only authorize the Texas
Medicaid and Healthcare Partnership (TMHP) to grant an authorization for the exact items that were approved by the plan.

- The EOB showing the recoupment and/or the plan's "demand" letter for recoupment. If sending the demand letter, it must identify the client name, identification number, DOS, and recoupment amount. The information should match the payment EOB.

- Completed clean claim. All paper claims must include both the valid NPI and TPI number. Note: In cases where issuance of a prior authorization (PA) is needed, the provider will be contacted with the authorization number and the provider will need to submit a corrected claim that contains the valid authorization number.

Mail appeal requests to:

Texas Health and Human Services Commission
HHSC Claims Administrator Contract Management
Mail Code-91X
P.O. Box 204077
Austin, Texas 78720-4077

CHIP Provider Complaints/Appeals Process

El Paso Health wants all Providers to be satisfied. If at any time you are not satisfied, you may call the Provider Care Unit (PCU) at (915) 532-3778 extension 1504 or at 1(877) 532-3778 if outside the service area for claims related inquiries.

Providers have the right to file a complaint with El Paso Health.

Complaints may be submitted in writing to:

El Paso Health
Attn: Complaints and Appeals Department
1145 Westmoreland Dr.
El Paso, TX 79925

Complaints may be submitted by fax at: (915) 298-7872

Complaints may be submitted electronically through our WebPortal at:

http://www.elpasohealth.com

When a complaint is received, no later than the fifth (5th) business day, El Paso Health will send the complainant an acknowledgement letter including the complaint procedures and time frames.

El Paso Health records, tracks, maintains, and date stamps all written, faxed, and electronic complaints received. Complaint information including fax cover pages, emails, and telephone records become part of the case and are maintained in hard copy and/or electronic copy within the information management system. Complaints will be resolved no later than thirty (30) calendar days after the date El Paso Health receives the complaint.
Please note: A written appeal is not necessary for corrected claims; they may be submitted to the El Paso Health claims address.

CHIP PROVIDER APPEALS

El Paso Health recognizes two levels of appeals: 1st level and the 2nd level appeal.

An appeal is a request for reconsideration of a previously dispositioned claim.

Appeals of denied claims and requests for adjustments on paid claims must be in writing and must be received by El Paso Health within one hundred twenty (120) days from the date of the Remittance Advice (RA) on which that claim appears. If the one hundred twenty (120) day appeal deadline falls on a weekend or holiday, the deadline will be extended to the next business day.

CHIP Provider 1st Level Claims Appeal Process

If the Provider is not satisfied with the disposition of the claim, the Provider has the right file an appeal. El Paso Health will recognize this appeal as a 1st level appeal. A Provider may appeal the claim by completing the following steps:

- Submit an Appeal letter for each Member specifying the reason for appealing the claim
- Letter MUST include:
  - Date
  - Contact Names (First and Last Name)
  - Mailing Address
  - Phone Number
  - Provider Name and NPI #
  - Member Name, Date of Birth, and ID number
  - Date of Service
  - Claim #
  - Reason for Appeal (be detailed)
- Support information:
  - Copy of Remittance Advice
  - Medical Records (if necessary)
  - Proof of Timely Filing
  - Any pertinent information for review
The appeal must be submitted in writing to:

El Paso Health  
Attn: Complaint and Appeal Unit  
1145 Westmoreland Dr.  
El Paso, TX 79925

Appeals may be submitted via fax at: (915) 298-7872  
Appeals may be submitted electronically through our WebPortal at:  
http://www.elpasohealth.com

Upon receipt of the appeal, the appeal will be date stamped, logged and tracked by the Complaints and Appeals Department. The Appeal will be acknowledged within five (5) business days from receipt. El Paso Health will send the Provider a letter acknowledging the date of receipt and a description of El Paso Health appeal procedures and time frames. The Appeal will be resolved within thirty (30) calendar days of receipt. El Paso Health records, tracks, maintains, and date stamps all telephonic, written, faxed and electronic appeals received. Complaint information including fax cover pages, emails, and telephone records become part of the case and are maintained in hard copy and/or electronic copy within the information management system.

If the Provider is not satisfied with the resolution of the appeal, and the Provider has additional information and/or documentation regarding the case that has not been previously considered, the Provider has the right to file a request for a 2nd level appeal. The request for a 2nd level appeal must be filed within one hundred twenty (120) days of the resolution of the 1st level appeal or from the last Provider Remittance Advice Notification received in regards to the claim in question.

**CHIP Provider 2nd Level Claims Appeal Process**

Upon receipt of the 2nd level appeal, the appeal will be date stamped, logged and tracked by the Complaints and Appeals Department. The Appeal will be acknowledged within five (5) business days from receipt. El Paso Health will send the Provider a letter acknowledging the date of receipt and a description of El Paso Health appeal procedures and time frames. The 2nd level appeal will be resolved within thirty (30) calendar days of receipt. El Paso Health records, tracks, maintains, and date stamps all telephonic, written, faxed and electronic appeals received.

Complaint information including fax cover pages, emails, and telephone records become part of the case and are maintained in hard copy and/or electronic copy within the information management system.

Following the conclusion of the 2nd Level Claims Appeal Process, the Provider has exhausted the El Paso Health grievance process. If the Provider is not satisfied with the resolution of the 2nd level appeal and believes that they have not been given full due process the Provider may file a complaint to the Texas Department of Insurance (TDI). The Provider can file a complaint with TDI at any time.
CHIP Provider Complaints to TDI

The complaint must be submitted in writing to the Texas Department of Insurance. The letter should be sent to the following address:

Texas Department of Insurance
Consumer Protection
P.O. Box 149091
Austin, TX 78714-9091
Call Toll Free: 1-800-252-3439
or

SECTION 11: MEMBER COMPLAINT PROCESS

What should I do if I have a complaint?

Members may file complaints to El Paso Health verbally or in writing. It is El Paso Health’s goal to resolve all complaints in a timely manner. When a complaint is received, a written acknowledgement is sent within five (5) business days.

How long will it take to investigate and resolve my complaint?

El Paso Health has thirty (30) calendar days to resolve any complaint received.

Can someone from El Paso Health help me file a complaint?

El Paso Health will designate a Member Services Representative as the Member Advocate to assist Members with the complaint and appeals process.

Who do I call?

A Member can call Member Services at (915) 532-3778, TDD Line 1 (855) 532-3740, or 1(877) 532-3778, if outside the service area. Members can also complete a complaint form provided by a Member Services Representative or mail a complaint letter to:

El Paso Health
Member Services Department
1145 Westmoreland Dr.
El Paso, TX 79925

For STAR Members – If I am not satisfied with the outcome, who else can I call?

A copy of the Medicaid Member Complaint form is included as ATTACHMENT 18 in this Manual. The Member has the right to request a second review of the resolution of the complaint if he/she is not satisfied with the resolution.

Members in Medicaid may file a complaint to HHSC after they exhaust the El Paso Health complaint process. Members may file the complaint by:

- Calling toll-free at 1 (866) 566-8989
- Online: https://hhs.texas.gov/about-hhs/your-rights/hhs-office-ombudsman
- Fax: 1-888-780-8099 (toll-free)
- In writing: Texas Health and Human Services Commission
  Office of the Ombudsman, MC H-700
  PO Box 13247
  Austin, Texas 78711-3247
  HPM_Complaints@hhsc.state.tx.us
For CHIP Members – If I am not satisfied with the outcome, who else can I call?

A copy of the CHIP Member Complaint form is included as ATTACHMENT 19 in this Manual. The Member has the right to request a second review of the resolution of the complaint if he/she is not satisfied with the resolution.

At any time, a CHIP Member can complain to the Texas Department of Insurance by calling toll-free 1-800-252-3439 or complaints may be sent to CHIP-IRO at the following address:

Texas Department of Insurance  
Consumer Protection (111-1A)  
P.O. Box 149104  
Austin, TX  78714-9104  
Phone Number: 1-800-252-3439  
Fax Number: 1-512-790-1007
SECTION 12: CLAIMS PROCESSING GUIDELINES

This chapter establishes the Claims Processing requirements and timelines that must be used by providers. These requirements are based on the authorities noted below.

El Paso Health follows Texas Department of Insurance (TDI), Health and Human Services Commission (HHSC), Health Insurance Portability and Accountability Act of 1996 (HIPAA), National Standard Correct Coding Initiative (NSCCI) and Centers for Medicare and Medicaid Services (CMS) guidelines.

Statutory and Regulatory Authority
- 42 USC §1396a(a)(37) [§1902(a)(37) of the Social Security Act]
- 42 U.S.C. §1396u-2(f) [§ 1932(f) of the Social Security Act]
- Health Insurance Portability and Accountability Act of 1996 (HIPAA), Public Law 104-191
- 42 CFR §438.242
- 42 CFR §447.45
- 42 CFR §447.46
- 45 CFR §160 - §164
- Texas Insurance Code §§ 843.349 (e) and (f)
- 1 TAC, Part 15, Chapter 353, Subchapter A, §353.4

Informational Resources
- 28 TAC Chapter 21, Subchapter T, “Submission of Clean Claims”
- Texas Insurance Code Chapter 843, “Subchapter J, Payment of Claims to Physicians and Providers”
- 28 TAC §21.2826 waives the application of certain statutes and rules regarding prompt payment of claims.

Information Reference
El Paso Health references Texas Department of Insurance (TDI), Health and Human Service Commission (HHSC), Health Insurance Portability and Accountability Act of 1996 (HIPAA), National Standard Correct Coding Initiative (NSCCI), American Medical Association coding books (CPT, ICD-9, ICD-10, and Coding with Modifiers), and Centers for Medicare and Medicaid Services (CMS) guidelines.
PROMPT PAYMENT REQUIREMENTS

El Paso Health will adjudicate both paper and electronic clean claims:
   1. by Claim Type,
   2. by Program, and
   3. by Service Area.

The statutory payment period by which a clean claim must be paid begins to run upon the receipt date of a clean claim, including a corrected clean claim. Clean claims received by El Paso Health are adjudicated in adherence to the following performance requirements and timeframes set by HHSC:
   1. 98% of all Clean Claims within 30 days of receipt (whether paper or electronic)
   2. 99% of all Clean Claims within 90 days of receipt.
   3. 98% of all Appealed Claims within 30 days of receipt.
   4. 100% of all claims, including Appealed Claims, within 24 months from Date of Service (DOS).

Timeframes are based on calendar days and are subject to change due to updates in HHSC requirements, federal and state laws, rules, or regulations.

Payment of a clean claim is considered to have been paid on the date of:
   1. Date of issue of a check for payment and its corresponding Remittance Advice to the Provider.
   2. Electronic transmission, if claim paid electronically.
   3. Delivery of the claim payment, if payment is made through a commercial carrier, such as UPS or Federal Express.
   4. Receipt by the Provider, if payment is made other than steps one through three.

El Paso Health is not required to pay any claims to providers who:
   1. Are excluded or suspended from the Medicare, Medicaid, CHIP or CHIP Perinatal Programs for fraud, waste, and abuse, or
   2. Are on payment hold under the authority of HHSC or its authorized agents or have pending accounts receivable with HHSC.

Payment of clean claims to providers who render Medically Necessary Covered Services to Members, for whom a capitation has been paid to El Paso Health, shall be done in an accurate and timely manner, as per our contract.

El Paso Health is subject to remedies, including liquid damages and reasonable attorney fees and taxes, if it fails to process and finalize clean claims or a portion of a clean claim within the statutory 30 day timeframe and performance requirements. This interest rate is calculated at an annual 18% rate, accrued daily, for the period of time the clean claim remains unadjudicated. If the Provider agreement specifies a contracted penalty rate, then that provision controls and the Provider must be paid the contracted penalty rate.
If due to a catastrophic event, El Paso Health is unable to meet the statutory timeframes for claim processing and adjudication, the deadlines may be extended. However, El Paso Health must notify TDI and HHSC within five (5) days of the catastrophic event. Within ten (10) days after returning to normal business operations, El Paso Health must send a certification of the catastrophic event to TDI in order to be in compliance. A valid certification of occurrence will toll the applicable deadlines for the number of days identified as the date of the catastrophic event.

**OUT OF NETWORK PROVIDER- TEXAS PROVIDER IDENTIFIER**

If a Provider or Facility is not an In-Network Provider, the provider is considered out of network and must contact the El Paso Health Contracting Department at 915-532-3778 regarding set up.

If an Out of Network Provider does not have a Texas Provider Identifier (TPI) number, the provider will not be eligible for reimbursement for services rendered to a member participating in the STAR Premier Plan (Medicaid) program. An Out of Network Provider must notify the El Paso Health Contracting Department of the TPI assignment through a formal written notification. The formal letter, submitted from a provider or a provider’s authorized representative indicating the TPI number has been issued by the Texas Medicaid & Healthcare Partnership (TMHP), must include a copy of the TMHP approval letter. Providers must continue to submit claims, in accordance with the reimbursement guidelines outlined in this manual, even while a TPI application is pending with TMHP. El Paso Health will consider claims that are submitted within 95 days from the date of service or 95 days from the date the TPI is issued to the provider, whichever occurs later. If a claim is submitted past timely filing, it will be denied.

El Paso Health will ensure that continuity of care remains stable and uninterrupted, and that services are consistent and unduplicated when a member transitions from one plan to another. In order to make the transition as smooth as possible from the previous carrier to El Paso Health, the newly enrolled member will be allowed access to Out of Network (OON) providers up to a certain period of time to ensure Continuity of Care.

Continuity of care is especially important for newly enrolled members with special circumstances, such as disabilities, acute conditions, life-threatening illnesses, or pregnant members past the 24th week of pregnancy. These are members whose health or behavioral health condition has been under treatment by a specialty care provider or whose health could be jeopardized if care is disrupted or interrupted. Access to OON providers will be allowed up to a certain period of time for these members.

The Contracting Department will notify the Out of Network Provider of the complete set up and the effective date for the STAR Premier Plan (Medicaid) program.

Out of Network providers are subject to non-participating provider authorization and reimbursement guidelines.
REQUIREMENTS

Under the National Uniform Insurance Industry and CMS, El Paso Health will only accept paper claims submitted on CMS 1500 or CMS 1450 UB-04 claim forms. It is important to note that the National Uniform Claim Committee (NUCC) has approved a revised version of the CMS 1500 claim form effective 04-01-2014.

Under the HIPAA provisions, El Paso Health will only accept 5010 ANSI X12N electronic files. El Paso Health requires all electronic files to contain Taxonomy Codes. The Provider Taxonomy code set is an external non-medical data code set designed for use in an electronic environment, specifically within the ANSI ASC X12N healthcare transaction. These codes may be obtained from the Washington Publishing Company.

The implementation guides may be obtained from:
  Washington Publishing Company, PMB 161,
  5284 Randolph Road
  Rockville, MD, 20852-2116
  Telephone (301) 949-9740
  Fax (301) 949-9742 www.wpc-edi.com

Under HIPAA guidelines, El Paso Health will only accept HCPCS, CPT-4, ICD-10, and ICD-9 codes approved by CMS for claims reimbursement.

These amendments:
1. ensure that carriers are aware of the responsibility to process a clean claim submitted together with deficient claims;
2. ensure that penalties are calculated consistently and in accordance with statutory requirements; and
3. provide consistency in reporting dates and clarify the reporting period for the required verification data report.

Documentation Requirements

Providers must include the following required documentation with the claim submission:

National Provider Identifier (NPI) Requirements

The National Provider Identifier (NPI) final rule, Federal Register 45, Code of Federal Regulations (CFR) Part 162, established the NPI as the standard unique identifier for health-care providers and requires covered health-care providers, clearinghouses, and health plans to use this identifier in Health Insurance Portability and Accountability Act (HIPAA)-covered
transactions. An NPI is a 10-digit number assigned randomly by the National Plan and Provider Enumeration System (NPPES). Providers must verify the NPI number associated with their Provider name and specialty before beginning the online attestation process. Provider must ensure to attest all NPI numbers for the practice name and individual name Taxonomy Code Requirements.

**Taxonomy Code**

The Health Care Provider Taxonomy Code Set is an external, non-medical collection of alphanumeric codes designed to classify health-care providers by Provider type and specialty. Providers may have more than one taxonomy code. (Taxonomy codes can be obtained from the Washington Publishing Company website at www.wpc-edi.com). Providers must verify the taxonomy code associated with their Provider type and specialty before beginning the online attestation process.

**Diagnosis Codes (ICD-10-CM/PCS)**

This coding system is published by the U.S. Department of Health and Human Services, and is available from: Superintendent of Documents U.S. Government Printing Office Washington, D.C. 20402

**Diagnosis Codes (ICD-10)**

The ICD-10 classification system was developed by the National Center for Health Statics (NCHS) as a clinical modification to the ICD-10 system developed by the World Health Organization (WHO). The ICD-10 draft and crosswalk between ICD-9 and ICD-10 are available on the CMS website. Compliance with ICD-10 CM and ICD-10 PCS as a replacement for ICD-9 was implemented on 10/01/2015.

**CPT-Code**

El Paso Health requires that providers use the Current Procedural Terminology (CPT), which contains a listing of descriptive terms and identifying codes for reporting medical services and procedures performed by physicians.

These codes are used for the following services:

- Evaluation and Management
- Texas Health Steps
- Anesthesia
- Surgery
- Pathology and Laboratory
• Radiology (Including Nuclear medicine, diagnosis ultrasound)
• Medicine

**Modifier Requirements**

A Current Procedural Terminology (CPT) code set modifier is a two-digit code reported in addition to the CPT services or procedure code that indicates the service or procedure was modified in some way. Modifiers are essential tools in the coding process. The American Medical Association (AMA) developed modifiers to be used with its CPT codes set to explain various aspects of coding. Modifiers are used to enhance a code narrative to describe the circumstances of each procedure or service and how it individually applies to the patient and payers. A modifier provides the means by which a rendering physician may indicate that a service or procedure has been performed, or has been altered by some specific circumstances, but not changed in its definition or code. The lack of modifiers or the improper use of modifiers can result in claims delays or denials from El Paso Health. Most procedure codes do not require a modifier, but are required for some services submitted on professional claims and outpatient hospital claims.

**Modifiers are used as a method to report:**

- A service or procedure that has been modified but not changed in its identification or definition
- Special circumstances or conditions of patient care
- Repeat or multiple procedures
- Cause for higher or lower costs while protecting charges history data
- Assistant surgeon services
- Anesthesia service
- Interpretation service
- Technical component service
- Professional component for a procedure or service
- Service or procedure performed bilaterally
- Multiple services performed
- Reduction or elimination of a procedure by the same Provider
- Service performed by more than one physician

**PRACTICE SPECIALTY CLAIM SUBMISSION REQUIREMENTS**

**Anesthesia**

Anesthesiologists must identify the following information on their claims:

- Procedure performed (CPT anesthesia code in Block 24 of the CMS-1500 claim form).
• Providers are expected to bill using the current ICD-10, HCPCS, CPT and applicable modifiers codes. Payment will be denied for use of invalid coding.

• Providers are expected to use the appropriate American Society of Anesthesiologist (ASA) codes when billing for anesthesia. Physical status modifiers are ASA codes ranking the patients physical status.

• The number of anesthesia minutes should be reported on each claim.

• Modifiers must be used to designate the Provider type.

• Providers must include the following required documentation with the claim submission:

  • Radiology Reports–When the services are repeated on the same day or during the postoperative period.
  
  • Pathology Readings–When a second test using the same CPT performed on the same day for the same site. Failure to do so may result in denial of the claim. El Paso Health reserves the right to request additional documentation of the claim.

**In-Patient Hospital Claims**

Present on Admission (POA) reporting is required for all inpatient hospital claims. No hospital is exempt from this requirement. All hospital providers are required to submit a POA value for each diagnosis on the claim form. POA is defined as a condition present at the time the order for inpatient admission occurs. Conditions that develop during an outpatient visit, including emergency department, observation, or outpatient surgery, are also considered POA. POA information helps to determine whether a claim will be considered for payment. No payment will be made for claims containing POA indicators “N” or “U” when a Hospital Acquired Condition (HAC) is present.

Claims submitted without a POA value will be denied unless the diagnosis code is exempt from POA reporting. The following table shows the POA values.

<table>
<thead>
<tr>
<th>POA Value</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>Y</td>
<td>Diagnosis was present at time of admission</td>
</tr>
<tr>
<td>N</td>
<td>Diagnosis was not present at the time of admission</td>
</tr>
<tr>
<td>U</td>
<td>Documentation was insufficient</td>
</tr>
<tr>
<td>W</td>
<td>Clinically undetermined</td>
</tr>
<tr>
<td>Blank</td>
<td>Exempt from POA reporting</td>
</tr>
</tbody>
</table>

**Special Billing for Newborn Claims**

A temporary “proxy” identification (ID) number will be assigned to infants born to Medicaid members if the newborn’s state issued ID number has not been received by the health plan. El Paso Health will process and adjudicate claims using the proxy number issued by the Member Services Department until the state issued Medicaid ID number is received.
**Claim Submission Timelines**

For Professional Provider claims, the Date of Service (DOS) drives submission timelines. In order to be considered timely, a claim for medical services must be presented for processing within 95 days of the DOS. In the case of Institutional Providers, the Date of Discharge (DOD) is the driving element. Institutional claims for medical services must be presented within 95 days from the DOD. In the cases of prolonged in-patient stays, Institutional Providers may submit interim billing.

At no time will El Paso Health charge a Provider or a Member a fee for claim adjudication.
Example: HCFA CMS 1500 Form

The instructions describe what information must be entered in each of the block numbers of the CMS-1500 paper claim form. Block numbers not referenced in the table may be left blank. They are not required for claim processing by TMHP.
## CMS 1500(08-05) FORM FOR PROFESSIONAL CLAIMS

<table>
<thead>

<td>Other procedure codes and dates</td>
<td>Enter the or ICD-10-PCS procedure code for each surgical procedure and the date (MM/DD/YYYY) each was performed.</td>
</tr>
<tr>
<td>76</td>
<td>Attending Provider</td>
<td>Enter the attending Provider name and identifiers, along with NPI number of the attending Provider. Services that require an attending Provider are defined as those listed in the ICD-10-CM coding manual volume 3, which includes surgical, diagnostic, or medical procedures.</td>
</tr>
<tr>
<td>77</td>
<td>Operating Provider</td>
<td>Enter operating Provider’s name (last and first names) and NPI.</td>
</tr>
<tr>
<td>78-79</td>
<td>Other Provider</td>
<td>Other Provider’s name (last and first names) and NPI. Other operating physician—An individual performing a secondary surgical procedure or assisting the operating physician. Required when another operating physician is involved. Rendering Provider—The health-care professional who performed, delivered, or completed a particular medical service or nonsurgical procedure</td>
</tr>
</tbody>
</table>
**Block** | **Description** | **Guidelines**
---|---|---
| | **Note:** If the referring physician is a resident, Blocks 76 through 79 must identify the physician who is supervising the resident. |
|
80 | Remarks | This block is used to explain special situations such as the following:  
• The home health agency must document in writing the number of Medicare visits used in the nursing plan of care and also in this block.  
• If patient stays beyond dismissal time, indicate the medical reason if additional charge is made.  
• If billing for a private room, the medical necessity must be indicated, signed, and dated by the physician.  
• If services are the result of an accident, cause and location of the accident must be entered in this block. The time must be entered in Block 39.  
• If laboratory work is sent out, name and address or facility’s Provider identifier where the work was forwarded must be entered in this block.  
• If the patient is deceased, enter date of death and indicate “DOD”. If services were rendered on the date of death, enter the time of death.  
• If services resulted from a family planning Provider’s referral, write “family planning referral.”  
• If services were provided at another facility, indicate the name and address where those services were rendered.  
• Request for 110-day rule for a third party insurance. |
|
81A-81D | Code code (CC) | **Optional:** Area to capture additional information necessary to adjudicate the claims. Required when, in the judgment of the Provider, the information is needed to substantiate the medical treatment and is not supported elsewhere on the claim data set. |

Revised CMS 1500 (02/12)

It is important to note that the National Uniform Claim Committee (NUCC) has approved a revised version of the CMS 1500 claim form. This version shall be CMS (02/12). CMS has announced the following tentative datelines:

- January 6, 2014: Payers will begin to receive and process paper claims submitted on the revised 1500 Claim Form.
- January 6 through March 31, 2014: Dual use period during which payers continue to receive and process paper claims on the old 1500 Claim Form (version 08/05) along with paper claims on the new form.
- April 1, 2014: Payers receive and process paper claims submitted only on the revised 1500 Claim Form (version 02/12).

Example: CMS 1500 (02/12)
Of the revised claim form’s various changes, the most notable are the following functionalities:

- Indicators for differentiating between ICD-9-CM and ICD-10-CM diagnosis codes.
- Expansion of the number of possible diagnosis codes to 12.
- Qualifiers to identify the following Provider roles (on Box 17):
  - Ordering
  - Referring
  - Supervising

The following is a list of changes between the 1500 Claim Form (08/05) and the CMS 1500 Claim Form (02/12).

### NATIONAL DRUG CODE (NDC) CLAIMS FILING

All claims must have, if applicable, a national drug code (NDC) and a HCPCS procedure code for Provider administered drugs. Claims that do not have this information shall be rejected and returned to the Provider for correction. The unit of measure and unit quantity must also be included in the claim. It is important to note that codes in the A Code Series do not require an NDC.

An NDC is composed of three sets of numbers:

- The first set is assigned by the Food and Drug Administration (FDA) and identifies the labeler, that is, the manufacturer, repackager, or distributor of the drug.
- The second is the product code. It identifies the specific strength, dosage form, i.e. capsule, tablet, liquid, etc., and the formulation of a drug for a specific manufacturer.
- The third set is the package code, which identifies package sizes and types.

According to the TMPPM, an N4 prefix must precede the NDC on claims. Units of measurement codes and unit quantities must also be submitted. The codes to be used for all claim forms are:

- F2 – International unit
- GR – Gram
- ML – Milliliter
- UN – Unit
Each NDC must be reported as an 11-digit code unique to the manufacturer of the specific drug or product administered to the beneficiary, using a 5-4-2 format (i.e., 5 digits, followed by 4 digits, followed by 2 digits [99999999999]).

Some NDCs may be in a 10-digit format. The chart below illustrates how to convert the NDC code into an 11-digit format by the addition of a zero (0).

Hyphens in the example below are for illustration only.

<table>
<thead>
<tr>

</table>
Billing Using the Electronic Claim Format

The following data elements should be used to submit the NDC information in the HIPAA-standard ASC X12N 837 electronic claims format:

Loop 2400
- SV101 CPT/HCPCS code
- SV104 CPT/HCPCS units
- Loop 2410
- LIN03 NDC (11-digit format)
- CTP04 NDC Quantity
- CTP05-1 NDC Unit or Basis for Measurement Code

<table>
<thead>
<tr>

</tr>
<tr>
<td></td>
<td>CPT04</td>
<td>2</td>
</tr>
<tr>
<td></td>
<td>CTP05-1</td>
<td>ML</td>
</tr>
</tbody>
</table>

Example:

RotaTeq Rotavirus Vaccine

CPT Code - 90680
CPT DUTS - 1
NDC - 00006404741
NDC Drug Quantity - 2
NDC UOM - ML

NOTE: If the NDC is not submitted in the correct format, the claim will be denied.

EARLY CHILDHOOD INTERVENTION (ECI) PROVIDERS

Early Childhood Intervention (ECI) providers must submit claims for all physical (PT), occupational (OT), speech (ST), and language therapy to El Paso Health for services to covered Members birth through 35 months of age who have been determined eligible for ECI services.

- ECI providers are not required to bill private insurance before billing Medicaid if Coordination of Benefits (COB) is involved.

Services for PT, OT, and ST procedure codes may be billed in multiple quantities (i.e. 15 minutes each) and are limited to two hours (eight units) per day per individual, groups, or a combination of individual and group therapy. Services must be billed per therapy type (two hrs. of OT and two hrs. of PT).

Example: (22 minutes) divided by (15 minutes) = One unit

AUTHORIZATION REQUIREMENTS

El Paso Health cannot issue a prior authorization for service requests for Members not enrolled with El Paso Health. To determine Member eligibility, the Provider must contact the Member
Services Department for verification of eligibility status.

To determine whether a service requires authorization, the Provider should refer to the Precertification Flyer located on the El Paso Health website at [www.elpasohealth.com](http://www.elpasohealth.com) under Provider Forms. The Provider may also contact El Paso Health’s Intake Unit at 915-532-3778 ext. 1500 for questions about services requiring prior authorization.

Newborn Members who need Neonatal Critical Care (NICU) will be assigned an authorization under the mother’s identification number until the child has obtained an identification number.

Retroactive authorizations will not be issued unless the regular authorization procedures for the requested services allow for authorizations to be obtained after services are provided. For these services, providers have 95 days from the add date of the client’s retroactive eligibility in TMHP’s system to obtain authorization for services that have already been performed.

For Coordination of Benefits (COB), El Paso Health pre-certification requirements will apply.

All claims for services that require authorization must be submitted with the correct and complete authorization number in the appropriate field of the claim or the Provider may risk a claim denial.
**HOW TO FILE A CLAIM**

**CMS 1500 Claim Form**

The CMS 1500 claim form is used to bill professional services, freestanding and ambulatory surgical centers, ambulance, independent laboratories and durable medical equipment.

*Form guide may be obtained on the El Paso Health Website at [www.elpasohealth.com](http://www.elpasohealth.com).*
Newborn Claim Submission Requirements

Provider must submit claims according to the following: ‘Newborn Claims Hints’.

- If the mother’s name is “Jane Jones”, use “Boy Jane Jones” for a male child and “Girl Jane Jones” for a female child.
- Enter “Boy Jane” or “Girl Jane” in the first name field and “Jones” in the last name field. Always use “boy” or “girl” first then followed by the mother’s full name. An exact match must be submitted for the claims to process.
- Do not use “NBM” for newborn male or “NBF” for newborn female.
- El Paso Health will adjudicate claims using the proxy number unless the State issued Medicaid ID number has been received.

Provider Signature on Claim= [Box 31 of the CMS 1500]

The Provider’s full name and credential must be populated in Box 31 of the CMS 1500. Example: John Doe, MD along with a signature. Claims prepared by computers billing services or office based computers may populate “Signature on File” in the signature along with the Provider’s full name in the CMS1500 (box 31). If the claim is prepared by a billing service, the billing service must retain a letter on file from the Provider authorizing that the billing service may submit claims for the providers. For further information please refer to the Texas Medicaid Provider Procedures Manual.

Claims with Attachments

To expedite claims processing, providers must supply all information on the claim form itself and limit attachments to the documentation needed to adjudicate the claims. Example:

- Providers filing for coinsurance, deductible, or both must attach the primary carrier explanation of benefits along with denial remarks

Multipage Claim Forms

If a claim is split the Provider must ensure that the claim is split at a logical break and all pages must contain the required information. For example, the Provider may submit the surgery charges in one claim and the subsequent recovery days in the next claim. Hospitals are required to submit all charges including HCPCS codes when required with the Revenue Codes.

The CMS-1500 Paper claim form is designed to list six line items in Box 24. If more than six line items are billed on a paper claim, a Provider may attach additional forms (pages). All the claims must contain all the required billing information. On subsequent pages of a multipage claim, the Provider should indicate “continued” in Block 28 and the combined total charges for all pages should be listed on the last page in Block 28. In addition the Provider should indicate the number of pages of the multipage claim on the top right hand corner of the form for example, (page 2 of 3).
The paper UB-04 CMS-1450 is designed to list 22 lines in Box 42. If services exceed the 22-line limitation, the Provider may attach additional claim forms. Each of the claim forms must contain all the required billing information. All subsequent pages of the multipage claim should indicate the page numbers in Box 23 and “continued” in line 23 Box 47. The combined total charges for all pages should be listed on the last page in line 23 of Box 47.

Note: It is strongly recommended that providers who submit paper claims keep a copy of the documentation they send for processing. It is also recommended that paper claims be sent by certified mail with a return receipt requested and a detailed listing of the claims enclosed. This is important to demonstrate the claims were received by El Paso Health and that the 95-day claims filing deadline has been met.

Electronic Claim Submission and Response Reports

El Paso Health has the capability to receive ANSI X12N 837I and 837P health claims. To enroll, contact the El Paso Health PCU team to obtain a companion guide at:

El Paso Health Provider Relations Department
915-532-3778 or 1-877-532-3778 ext. 1504
Or via e-mail at: Helpdesk@elpasohealth.com

A clearinghouse is an electronic claims and information network available to all providers and their billing agents in the El Paso health care community that enables physicians’ hospitals and ancillary providers to file patient claims electronically to El Paso Health. Filing electronic claims directly to a clearinghouse will allow for the reduction in administrative costs, accelerate claims payment, increase accuracy, and simplify daily administration.

Note: All clearinghouse entities provide their individual Payer Identification numbers. For more information or to obtain the Payer Identification numbers, log onto the El Paso Health website (www.elpasohealth.com) for a Companion Guide.

The Companion Guide assists trading partners in clarifying El Paso Health’ specified values in order to facilitate implementation of the Health Insurance Portability and Accountability Act of 1996 (HIPAA).

HIPAA directed the Secretary to adopt standards for each transaction. These standards enable health information to be exchanged electronically and adopt specifications for implementing each transaction. HIPAA Implementation Guides were published for this purpose and should be used by all affected legal entities.

Recommendations for a clean testing process:

- It is important to make sure the four payer ID’s have been entered into your computer system. A list of available Payer IDs can be located in the companion manual.
- It is important to provide a “good, clean” 837(I or P) 4010A1 test file which meets all HIPAA specifications.
- It is important to provide a unique NPI number for all 837 submissions at the
corresponding Provider and facility loops that are submitted within the transaction.

- It is recommended that the Provider’s social security number or Federal Tax Id Number (TIN) is included as a secondary identifier in REF02 loop 2010AA for validation purposes.

- It is required to address all grey areas in the El Paso Health 837P Companion Guide. All grey areas have an attachment note that provides additional formatting information.

- It is required to provide the proper Taxonomy codes per specialty. To accommodate our providers, we are only requiring the Header Taxonomy number to be reported. A list of all header taxonomy numbers can be obtained in our Electronic Claims Submission companion manual or at:

  Washington Publishing Company
  Publishes X12 Implementation Guides and offers training on EDI standards, etc. 
  [http://www.wpc-edi.com](http://www.wpc-edi.com)

**Note:** Our contracted clearinghouse will reject any claims that do not contain proper Rendering Provider Taxonomy Numbers and/or Rendering Providers Unique Identifiers.

Once the testing process is complete, El Paso Health will notify your office of the exact date electronic claims processing may begin. If you have any questions, feel free to contact EDI Development Department / Provider Relations at 915-532-3778 or 877-532-3778.

**CMS 1500 Professional Claims**
The HIPAA Electronic claims format is designed to list 50 line items. The total number of details allowed for electronic claims by the El Paso Health claims processing system is 28. If the services provided exceed 28 line items on an approved electronic claims format, or the Provider must submit another claim for the additional line items.

**UB-04 CMS-1450 Institutional Claims**
The HIPAA Electronic claims format is designed to list 61 line items. The total number of details allowed for electronic claims by the El Paso Health claims processing system is 28. If the services provided exceed 28 line items on an approved electronic claims format the Provider must submit another claim for the additional line items. It is recommended that the Provider merge like revenue codes together to reduce the lines to 28 or less or payment may be delayed.
CLAIM FILING DEADLINES

Claims must be received by El Paso Health within 95-days from each date of service (DOS). A clean claim will be processed within 30 days. The Provider should allow 30-days before rebilling any claim to avoid duplication of claims.

Once a Clean Claim is received, El Paso First is required, within the 30-day claim payment period and 18-day clean claim payment for electronic pharmacy claim submission, to: (1) pay the total amount of the claim, or part of the claim, in accordance with the contract, (2) deny the entire claim, or part of the claim, and notify the Provider why the claim will not be paid.

Payment is considered to have been paid on the date of: (1) the date of issue of a check for payment and its corresponding EOB to the Provider by El Paso Health, or (2) electronic transmission, if payment is made electronically.

If a claim was denied due to a billing error, the corrected claim must be resubmitted within 120 days from the disposition date on the EOB.

If the claim was denied due to a request for medical documentation, please include a copy of the claim, a copy of the EOB and the requested documentation with the resubmission. Providers must adhere to the claim filing timelines and claims received after the filing deadline will be denied for failure to meet timely filing.

When a service is billed to another insurance resource, the filing deadline is 95 days from the date of disposition by the other insurance carrier. When a service is billed to a third party and no response has been received, the Provider must allow 110 days to elapse before submitting a claim to El Paso Health however, the federal 365 day filing requirement must still be met.

**Note:** It is strongly recommended that providers who submit paper claims keep a copy of the documentation they send. It is also recommended that paper claims be sent by certified mail with a return receipt requested and a detailed listing of the claims enclosed. This is important to demonstrate that the claims were received by El Paso Health and that the 95-day claims filing deadline has been met.

OUTPATIENT PHARMACY PRESCRIPTIONS

Navitus Health Solutions (Navitus) is the Pharmacy Benefit Manager (PBM) contracted by El Paso Health to manage the outpatient pharmacy benefit for Members. Navitus operates on a payment cycle which allows all payments for clean electronic claims to be made within 18-days. Claims received non-electronically are adjudicated no later than 21 days after receipt. Pharmacy payment cycles occur twice per month.

**Compounded Prescriptions**

A compound consists of two or more ingredients, one of which must be a formulary Federal Legend Drug that is weighed, measured, prepared, or mixed according to the prescription order.
For Navitus to cover a compound medication, one active ingredient must be covered on the patient’s formulary. In general, drugs used in a compound follow the Member’s formulary as if each drug component were being dispensed individually. Compound drugs must be included as a covered benefit for the Member for Navitus to allow reimbursement. The pharmacist is responsible for compounding approved ingredients of acceptable strength, quality, and purity, with appropriate packaging and labeling in accordance with good compounding practices. Any compounded prescription ingredient that is not approved by the FDA (e.g. Estriol) is considered a non-covered product and will not be eligible for reimbursement.

**Processing Compound Prescriptions**

Navitus uses a combination of the claims, compound, and DUR segment to fully adjudicate a compound prescription.

- Use the Compound Code of 02 (NCPDP field 406-D6 located in Claim Segment on payer sheet) when submitting compound claims.
- The claim must include an NDC for each ingredient within the compound prescription with a minimum of 2 NDCs and a maximum of 25 NDCs (NCDPD field 447-EC located in Compound Segment).
- The claim must include a qualifier of “03” (NDC) to be populate in NCPDP field 448-RE followed by NCPDP field 489-TE (NDC’s).

If an NDC for a non-covered drug is submitted, the claim will be denied.

If the pharmacy will accept non-payment for the ingredient, submit an “8” in the Clarification Code Field (420-DK located on the D.0 Claim Segment Field).

If a compound includes a drug that requires prior authorization, the prior authorization must be approved before the compound is submitted. Prior authorization forms are available at [https://www.navitus.com/texas-medicaid-star-chip/prior-authorization-forms.aspx](https://www.navitus.com/texas-medicaid-star-chip/prior-authorization-forms.aspx)

The minutes spent compounding the prescription must be submitted for reimbursement. The minutes listed are to be populated within NCPDP D.0 Field 474-8E (level of effort- DUR segment).

**How to find a list of covered drugs**

**How to find a list of preferred drugs**
The HHSC Preferred Drug List is available for our Providers to view on-line through the Vendor Drug Program at [http://www.txvendordrug.com/pdl/](http://www.txvendordrug.com/pdl/)

**Process for requesting a prior authorization (PA) for Pharmacy**
Navitus processes pharmacy prior authorization requests. The formulary, the Preferred Drug List and the prior authorization criteria are determined by HHSC. Information regarding the
formulary and the specific prior authorization criteria can be found on the Vendor Drug Program’s website www.txvendordrug.com

Prescribers can access prior authorization forms online via www.navitus.com under the “Prescribers – Texas Medicaid STAR/CHIP” section or have them faxed by Navitus Customer Care to their office.

Completed prior authorization forms can be faxed 24/7 to Navitus at 920-735-5312 or toll-free at 855-668-8553.

Prescribers can also call Navitus Customer Care toll-free at 877-908-6023. Providers can select the prescriber option and speak with the Prior Authorization department between 8 am-5 pm Monday-Friday to submit a PA request over the phone. Decisions regarding prior authorizations will be made within 24 hours from the time Navitus receives the PA request. The Provider will be notified by fax regarding the outcome or verbally if an approval can be established during a phone request.

Pharmacies will submit pharmacy claims to Navitus. Medications that require prior authorization will undergo an automated review to determine if the necessary criteria are met. If all the criteria are met, the claim is approved and paid, and the pharmacy continues with the dispensing process. If the automated review determines that all the criteria are not met, the claim will be rejected and the pharmacy will receive a message indicating that the drug requires prior authorization. At that point, the pharmacy should notify the prescriber and the process identified previously should be followed.

72 Hour Override Emergency Prescription Supply
A 72 hour emergency supply of a prescribed drug must be provided when a medication is needed without delay and the prior authorization (PA) is not available. The 72 hour emergency supply applies to all drugs requiring PA either because they are non-preferred on the Preferred Drug List or are subject to clinical edits. If the prescribing Provider cannot be reached or is unable to request a PA, the pharmacy should submit an emergency 72-hour prescription. The 72 hour emergency supply is also applicable any time a PA cannot be resolved within 24 hours for a medication on the HHSC formulary that is appropriate for the Member’s condition. This procedure should not be used for routine and continuous overrides, but can be used more than once if the Provider remains unavailable. If a pharmacy is not complying with the 72-hour emergency fill requirement, they can be reported to the HHSC Office of Inspector General and the Navitus Network department at 608-729-1577 for review.

Submitting Corrected Claims
Providers that receive an EDI rejection may resubmit an electronic claim within 95 days of the DOS. Submit a copy of an Electronic Claims Report that includes the following information:

- Batch submission ID and date
- Individual claim that is being appealed
- El Paso Health-assigned batch ID number
**Note:** Office notes indicating claims were submitted on time or personal screen prints of claim submissions are not considered proof of timely filing.

Only zero Paid Denied claims may be sent electronically within a 95 day timely filing. Claims with partial payments should be submitted on paper.

All corrected paper claims must be submitted within 120 days of the EOB to meet the filing deadline of a corrected claim timeline. Each corrected claim must include: a corrected CMS 1500 or UB04 claim **ATTACHMENT 21**, a copy of the EOB and any other attachments needed.

The following are examples of forms attached to returned claims explaining the reason(s) for the return.

**DELIVERY OF PAPER CLAIMS**

- Claims must be submitted on CMS approved forms such as CMS 1500 or UB04.
- Please refer to the official CMS website for most current format. [www.cms.hhs.gov](http://www.cms.hhs.gov)
- It is recommended paper claims be sent by certified mail with a return receipt requested and a detailed log listing of the claims enclosed.

El Paso Health will not accept copies of claims or faxed claims on first time submissions. Please mail all new or corrected claims to:

**El Paso Health**

P.O. Box 971370

El Paso, TX 79997-1370
APPEAL OF DENIAL DECISION

Providers may request a reconsideration of a claim denial by resubmitting the claim with the appropriate documentation and/or necessary corrections or by calling the Provider Care Unit (PCU). If you have attempted to resolve your claim issues with the Provider Care Unit but are still dissatisfied with the outcome, you may file a formal complaint with El Paso Health Complaints and Appeals Department.

The complaint must be a formal written letter addressed to the attention of the Complaints and Appeals Department. The Provider must provide the certified mail receipt and a log that includes the Medicaid ID number, billed amount, and a signed claim copy:

El Paso Health  
Attn: Complaints and Appeals Department  
P.O. BOX 971100, El Paso, Texas 79997-1370

Note: All appeals of denied claims and requests for adjustments on paid/denied claims must be received by El Paso Health within 120 days from the date of the Remittance Advice on which the claim appears.

COORDINATION OF BENEFITS (COB)

El Paso Health does not process as a primary carrier if the services qualify for COB benefits unless the services have not been allowed or were denied by the primary carrier. The remittance advice on the primary carrier should reflect the denial.

Example: Member not enrolled.

Deductibles: El Paso Health will consider deductibles for reimbursement when the primary carrier applied the payment amount directly to the Member’s deductible. The explanation of benefits must reflect the applicable payment by the primary carrier and a completed, signed copy of the claim must be submitted to El Paso Health for consideration.

El Paso Health STAR as Primary

If it is determined that El Paso Health STAR is the primary insurance plan, or COB status guidelines do not coordinate, claims are processed as though there is no other coverage following standard processing guidelines. If the services do not qualify for Coordination of Benefits, claims are processed as though there is no other coverage following standard processing guidelines.

El Paso Health will take into account any other coverage to include any group insurance, prepaid health plans, or any other insured or uninsured arrangement of group coverage.

- Where permitted by state law, any automobile insurance contract, pursuant to any federal or state law, which mandates indemnification for medical services to persons suffering bodily injury from motor vehicle accidents, but only if:
a. Covered Services are eligible for payment under the provisions of such policy; and,

b. The policy does not, under its rules, determine its benefits after the benefits of any group health insurance.

**El Paso Health STAR as Secondary**

If the amount paid by a third party health insurer is less that the amount payable for the services by El Paso Health, providers may bill El Paso Health for the difference between the amount paid by the third party carrier and the El Paso Health allowable amount. The claim must be filed timely and in accordance with all the filing guidelines.

**Note:** If it is determined that El Paso Health is the secondary (or tertiary) payer, El Paso Health will reimburse per COB Processing Guidelines. We will calculate the difference between El Paso Health’s Maximum Allowed Amount and the primary carrier's payment, paying the lesser of the two.

For Example: We processed the claim to pay the patient responsibility which is less than the Medicaid allowable.

- Primary Carrier Allowed Amount: $248.00
- Primary Carrier Paid: $100.00
- Primary Carrier Patient Resp/Deductible: $148.00
- Medicaid Allowable: $162.00
- EP First STAR Paid: $62.00

**Medicare/Medicaid Coverage: (Qualified Medicare Beneficiaries - QMB)**

**Medicare/Medicaid Eligible Status:** The payable period for Medicare /Medicaid eligible recipient claims filed on paper is 24 months from the date listed on the Medicare Remittance Advice. **El Paso Health is only required to pay for coinsurance and/or deductibles for QMBs.**

Providers must submit Medicare-paid claims to El Paso Health for payment for the coinsurance and/or deductible. Providers must send the Medicare Remittance Advice Notice (MRAN) with the client information circled in black ink. All claims denied by Medicare for administrative reasons must be appealed to Medicare before they are sent to El Paso Health. An assigned claim that was denied by Medicare because the client does not have Part B benefits or because the transport destination is not allowed can be submitted to El Paso Health for consideration.

CHIP coverage is secondary when coordinating benefits with all other insurance coverage. Coverage provided under CHIP will pay benefits for Covered Services that remain unpaid after all other insurance coverage has been paid up to the agreed rates.

For Out-of-Network providers without a written reimbursement arrangement, El Paso Health will pay the unpaid balance for Covered Services in accordance with TDI’s rules regarding usual and customary payment.
The COB process for Medicaid claims will be applied to CHIP and CHIP Perinatal Members that have a Primary Insurance in addition to their CHIP coverage as secondary.

After CHIP eligibility has been established, CHIP Members remain eligible until the end of their 12 months certification period even if a third party payer has been reported.

If a claim with Primary Insurance for a CHIP Member is submitted **without** an EOB from primary carrier the claims should be **denied**.

If a claim with Primary Insurance for a CHIP Member is submitted **with** an EOB from primary carrier indicating payment from the primary carrier, we will coordinate benefits for the **remaining balance**. The COB process will mirror the Medicaid COB claims process.

El Paso Health will be responsible for the remainder of the claim if a third party does not cover the full 100% of the Medicaid allowable amount billed.

**Note:** If it is determined that El Paso Health is the secondary (or tertiary) payer, El Paso Health will reimburse per COB Processing Guidelines. We will calculate the difference between El Paso Health’s Maximum Allowed Amount and the primary carrier's payment, paying the lesser of the two.

For Example: We processed the claim to pay the patient responsibility which is less than the CHIP fee schedule allowable.

- Primary Carrier Allowed Amount: $248.00
- Primary Carrier Paid: $100.00
- Primary Carrier Patient Resp/Deductible: $148.00
- CHIP fee schedule Allowable: $162.00
- EP First CHIP Paid: $62.00

**STAR / CHIP Emergency Service Claims**

El Paso Health will pay both In-Network and Out-of-Network (OON) providers for emergency, stabilization and post-stabilization services. This includes professional, facility, and ancillary services provided in a Hospital emergency department. Emergency services are available to enrolled members at all times without regard to prior authorization or a provider’s contractual relationship.

**CHIP Exception to Secondary Coverage: Third Party Liability**

If a claim comes in indicating a possible school accident and the Member has school insurance, the initial claim will be automatically processed as COB coverage.

- These claims will be sent to the Third Party Recovery (TPR) Department for primary carrier verification and system setup.
- If the TPR Department does not receive the proper verification, the claims will be denied with Denial Reason:
- D09- Paid by other Insurance
- No Coordination of benefits will be followed

**CHIP Perinatal Emergency Services Claims**

Emergency Medical Services for CHIP Perinatal Members are limited to those services directly related to the delivery of the unborn child until birth. Post delivery services or complications resulting in the need for emergency services for the mother of the CHIP unborn child are not covered benefits. In case of a medical emergency, the Member may seek emergency medical services from the nearest facility. To ensure continuity of care, the emergency facility is asked to contact El Paso Health within 24 hours or the next business day after providing the services. If the emergency visit results in an admission, the facility must also notify El Paso Health prior to claims submission. Out of network emergency services are covered as long as the emergency visit is an emergency as defined in this section.

**CHIP Perinatal Hospital Claims**

** All CHIP Perinatal hospital claims submitted for Members above 185% FPL (Rate Code 310 on El Paso Health ID card) should be submitted to El Paso Health.

** All CHIP Perinatal hospital claims submitted for Members at or below 185% FPL (Rate Code 309 on El Paso Health ID card) should be submitted to the Texas Medicaid Claims Administrator.

**Cost Sharing Schedule:** For CHIP Perinatal there is no cost sharing schedule that is applicable.

No co-payments exist for STAR Members, CHIP Perinate Members, CHIP Perinate Newborn Members, and CHIP Members who are Native Americans or Alaskan Natives.

Additionally, for CHIP Members there is no cost-sharing on benefits for well-baby and well-child services, preventive services, or pregnancy-related assistance.

El Paso Health does not process claims under capitation rates. All claims are paid through fee for service rates using the Medicaid fee schedule.

**BILLING MEMBERS**

**Co-payment**
Provider understands and agrees that Provider is responsible for collecting at the time of the service any applicable co-payments, given the limitations on those co-payments. Co-payments are the only amounts that a Provider may collect from Members.

**Non-Covered Services**
Providers must inform Members of the costs for non-covered services prior to rendering such services and must obtain a signed acknowledgement statement from the Member.
**Balance Billing**
Providers agree to accept payment made by El Paso Health as payment in full. The Member cannot be held liable for any balance related to covered services.

**Member Acknowledgement Statement**
A Provider may only bill a Member when the Member has signed the Member Acknowledgement Statement and the following conditions are met:
- A claim is denied as not being medically necessary
- A claim is denied as part of a non-covered service,
- The service is provided at the request of the client

**PRIVATE PAY**
If the Provider accepts the Member as a private pay patient and informs the Member at the time of service that the Member will be responsible for paying for all services, the Provider may bill the Member. In this situation, it is recommended that the Provider use a Private Pay Form. Without written, signed documentation that the Member has been properly notified of their private pay status, the Provider cannot ask for payment from a Member. The Private Pay Form can be found as ATTACHMENT 22 of this manual.

**RESOURCES FOR CLAIMS STATUS**

**Provider Care Unit (PCU)**
The PCU is a sub-unit of the claims department developed to assist providers with claims inquires. PCU can be reached at 915-532-3778 or 1-877-532-3778. When calling, you will reach a Claims Specialist who can assist you with:
- Claim status
- Answers to claim questions
- Answers to electronic claims submission rejections or questions
- Resolving claims
- Special billing for newborn claims, value added services (for compounded medications please contact NAVITUS)

Please note you have the right to appeal any disposition of a claim through a written formal appeal. Written request must be mailed to:

El Paso Health  
Attn: Complaints and Appeals Department  
P O BOX 971100, El Paso, Texas 79997-1370  
*Within 120 days from the date of your Provider Remittance Advice
WEB PORTAL ACCESS

El Paso Health Web Portal offers Member eligibility, claim status, and claims submission. Registration forms can be obtained at www.elpasohealth.com under the Forms link. By taking advantage of El Paso Health services, you can easily reduce your administrative costs and improve the accuracy of claim submissions.

HEALTHX

The Health X Fax System is an automated fax system created to provide status inquiries pertaining to Member eligibility, claims and pre-authorizations status. Providers can dial 915-225-5463 or 866-283-2792 and follow the automated instructions. Confirmation can be provided by fax or voice play back. A flow chart has been included as ATTACHMENT 23 of this manual.
SECTION 13: MEMBER RIGHTS AND RESPONSIBILITIES

MEDICAID MEMBER RIGHTS AND RESPONSIBILITIES

MEDICAID MEMBER RIGHTS

1. You have the right to respect, dignity, privacy, confidentiality and nondiscrimination. That includes the right to:
   a. Be treated fairly and with respect.
   b. Know that your medical records and discussions with your providers will be kept private and confidential.

2. You have the right to a reasonable opportunity to choose a health care plan and primary care Provider. This is the doctor or health care Provider you will see most of the time and who will coordinate your care. You have the right to change to another plan or Provider in a reasonably easy manner. That includes the right to:
   a. Be told how to choose and change your health plan and your primary care Provider.
   b. Choose any health plan you want that is available in your area and choose your primary care Provider from that plan.
   c. Change your primary care Provider.
   d. Change your health plan without penalty.
   e. Be told how to change your health plan or your primary care Provider.

3. You have the right to ask questions and get answers about anything you do not understand. That includes the right to:
   a. Have your Provider explain your health care needs to you and talk to you about the different ways your health care problems can be treated.
   b. Be told why care or services were denied and not given.

4. You have the right to agree to or refuse treatment and actively participate in treatment decisions. That includes the right to:
   a. Work as part of a team with your Provider in deciding what health care is best for you.
   b. Say yes or no to the care recommended by your Provider.

5. You have the right to use each available complaint and appeal process through the managed care organization and through Medicaid, and get a timely response to complaints, appeals and fair hearings. That includes the right to:
   a. Make a complaint to El Paso Health or to the state Medicaid program about your health care, your Provider or your health plan.
   b. Get a timely answer to your complaint.
   c. Use the plan’s appeal process and be told how to use it.
d. Ask for a fair hearing from the state Medicaid program and get information about how that process works.

6. You have the right to timely access to care that does not have any communication or physical access barriers. That includes the right to:
   a. Have telephone access to a medical professional 24 hours a day, 7 days a week to get any emergency or urgent care you need.
   b. Get medical care in a timely manner.
   c. Be able to get in and out of a health care Provider’s office. This includes barrier free access for people with disabilities or other conditions that limit mobility, in accordance with the Americans with Disabilities Act.
   d. Have interpreters, if needed, during appointments with your providers and when talking to your health plan. Interpreters include people who can speak in your native language, help someone with a disability, or help you understand the information.
   e. Be given information you can understand about your health plan rules, including the health care services you can get and how to get them.

7. You have the right to not be restrained or secluded when it is for someone else’s convenience, or is meant to force you to do something you do not want to do, or is to punish you.

8. You have a right to know that doctors, hospitals, and others who care for you can advise you about your health status, medical care, and treatment. Your health plan cannot prevent them from giving you this information, even if the care or treatment is not a covered service.

9. You have a right to know that you are not responsible for paying for covered services. Doctors, hospitals, and others cannot require you to pay copayments or any other amounts for covered services.

MEDICAID MEMBER RESPONSIBILITIES

1. You must learn and understand each right you have under the Medicaid program. That includes the responsibility to:
   a. Learn and understand your rights under the Medicaid program.
   b. Ask questions if you do not understand your rights.
   c. Learn what choices of health plans are available in your area.

2. You must abide by the health plan’s and Medicaid’s policies and procedures. That includes the responsibility to:
   a. Learn and follow your health plan’s rules and Medicaid rules.
   b. Choose your health plan and a primary care Provider quickly.
   c. Make any changes in your health plan and primary care Provider in the ways established by Medicaid and by the health plan.
   d. Keep your scheduled appointments.
   e. Cancel appointments in advance when you cannot keep them.
f. Always contact your primary care Provider first for your non-emergency medical needs.

g. Be sure you have approval from your primary care Provider before going to a specialist.

h. Understand when you should and should not go to the emergency room.

3. You must share information about your health with your primary care Provider and learn about service and treatment options. That includes the responsibility to:
   a. Tell your primary care Provider about your health.
   b. Talk to your providers about your health care needs and ask questions about the different ways your health care problems can be treated.
   c. Help your providers get your medical records.

4. You must be involved in decisions relating to service and treatment options, make personal choices, and take action to maintain your health. That includes the responsibility to:
   a. Work as a team with your Provider in deciding what health care is best for you.
   b. Understand how the things you do can affect your health.
   c. Do the best you can to stay healthy.
   d. Treat providers and staff with respect.
   e. Talk to your Provider about all of your medications.

CHIP MEMBER RIGHTS AND RESPONSIBILITIES

CHIP MEMBER RIGHTS

1. You have a right to get accurate, easy-to-understand information to help you make good choices about your child's health plan, doctors, hospitals and other providers.

2. Your health plan must tell you if they use a "limited Provider network." This is a group of doctors and other providers who only refer patients to other doctors who are in the same group. “Limited Provider network” means you cannot see all the doctors who are in your health plan. If your health plan uses "limited networks," you should check to see that your child's primary care Provider and any specialist doctor you might like to see are part of the same "limited network."

3. You have a right to know how your doctors are paid. Some get a fixed payment no matter how often you visit. Others get paid based on the services they give to your child. You have a right to know about what those payments are and how they work.

4. You have a right to know how the health plan decides whether a service is covered and/or medically necessary. You have the right to know about the people in the health plan who decide those things.

5. You have a right to know the names of the hospitals and other providers in your health plan and their addresses.

6. You have a right to pick from a list of health care providers that is large enough so that your child can get the right kind of care when your child needs it.
7. If a doctor says your child has special health care needs or a disability, you may be able to use a specialist as your child's primary care Provider. Ask your health plan about this.

8. Children who are diagnosed with special health care needs or a disability have the right to special care.

9. If your child has special medical problems, and the doctor your child is seeing leaves your health plan, your child may be able to continue seeing that doctor for three months, and the health plan must continue paying for those services. Ask your plan about how this works.

10. Your daughter has the right to see a participating obstetrician/gynecologist (OB/GYN) without a referral from her primary care Provider and without first checking with your health plan. Ask your plan how this works. Some plans may make you pick an OB/GYN before seeing that doctor without a referral.

11. Your child has the right to emergency services if you reasonably believe your child's life is in danger, or that your child would be seriously hurt without getting treated right away. Coverage of emergencies is available without first checking with your health plan. You may have to pay a co-payment, depending on your income. Co-payments do not apply to CHIP Perinatal.

12. You have the right and responsibility to take part in all the choices about your child's health care.

13. You have the right to speak for your child in all treatment choices.

14. You have the right to get a second opinion from another doctor in your health plan about what kind of treatment your child needs.

15. You have the right to be treated fairly by your health plan, doctors, hospitals and other providers.

16. You have the right to talk to your child's doctors and other providers in private, and to have your child's medical records kept private. You have the right to look over and copy your child's medical records and to ask for changes to those records.

17. You have the right to a fair and quick process for solving problems with your health plan and the plan's doctors, hospitals and others who provide services to your child. If your health plan says it will not pay for a covered service or benefit that your child's doctor thinks is medically necessary, you have a right to have another group, outside the health plan, tell you if they think your doctor or the health plan was right.

18. You have a right to know that doctors, hospitals, and others who care for your child can advise you about your child’s health status, medical care, and treatment. Your health plan cannot prevent them from giving you this information, even if the care or treatment is not a covered service.

19. You have a right to know that you are only responsible for paying allowable copayments for covered services. Doctors, hospitals, and others cannot require you to pay any other amounts for covered services.
CHIP MEMBER RESPONSIBILITIES

You and El Paso Health both have an interest in seeing your child's health improve. You can help by assuming these responsibilities.

1. You must try to follow healthy habits. Encourage your child to stay away from tobacco and to eat a healthy diet.
2. You must become involved in the doctor's decisions about your child's treatments.
3. You must work together with El Paso Health doctors and other providers to pick treatments for your child that you have all agreed upon.
4. If you have a disagreement with your El Paso Health you must try first to resolve it using the health plan's complaint process.
5. You must learn about what El Paso Health does and does not cover. Read your Member Handbook to understand how the rules work.
6. If you make an appointment for your child, you must try to get to the doctor's office on time. If you cannot keep the appointment, be sure to call and cancel it.
7. If your child has CHIP, you are responsible for paying your doctor and other providers co-payments that you owe them. If your child is getting CHIP Perinatal services, you will not have any co-payments for that child.
8. You must report misuse of CHIP or CHIP Perinatal services by health care providers, other Members, or health plans.
9. Talk to your child’s Provider about all of your child’s medications.

CHIP PERINATE MEMBER RIGHTS AND RESPONSIBILITIES

CHIP PERINATE MEMBER RIGHTS

1. You have a right to get accurate, easy-to-understand information to help you make good choices about your unborn child’s health plan, doctors, hospitals and other providers.
2. You have a right to know how the Perinatal providers are paid. Some may get a fixed payment no matter how often you visit. Others get paid based on the services they provide for your unborn child. You have a right to know about what those payments are and how they work.
3. You have a right to know how the health plan decides whether a Perinatal service is covered and/or medically necessary. You have the right to know about the people in the health plan who decide those things.
4. You have a right to know the names of the hospitals and other Perinatal providers in the health plan and their addresses.
5. You have a right to pick from a list of health care providers that is large enough so that your unborn child can get the right kind of care when it is needed.
6. You have a right to emergency Perinatal services if you reasonably believe your unborn child’s life is in danger, or that your unborn child would be seriously hurt without getting
treated right away. Coverage of such emergencies is available without first checking with
the health plan.

7. You have the right and responsibility to take part in all the choices about your unborn
child’s health care.

8. You have the right to speak for your unborn child in all treatment choices.

9. You have the right to be treated fairly by the health plan, doctors, hospitals and other
providers.

10. You have the right to talk to your Perinatal Provider in private, and to have your medical
records kept private. You have the right to look over and copy your medical records and to
ask for changes to those records.

11. You have the right to a fair and quick process for solving problems with the health plan and
the plan's doctors, hospitals and others who provide Perinatal services for your unborn
child. If the health plan says it will not pay for a covered Perinatal service or benefit that
your unborn child’s doctor thinks is medically necessary, you have a right to have another
group, outside the health plan, tell you if they think your doctor or the health plan was
right.

12. You have a right to know that doctors, hospitals, and other Perinatal providers can give
you information about your or your unborn child’s health status, medical care, or treatment.
Your health plan cannot prevent them from giving you this information, even if the care or
treatment is not a covered service.

**CHIP PERINATE MEMBER RESPONSIBILITIES**

You and your health plan both have an interest in having your baby born healthy. You can help
by assuming these responsibilities.

1. You must try to follow healthy habits. Stay away from tobacco and eat a healthy diet.

2. You must become involved in the doctor’s decisions about your unborn child’s care.

3. If you have a disagreement with the health plan, you must try first to resolve it using the
health plan's complaint process.

4. You must learn about what your health plan does and does not cover. Read your CHIP
Perinatal Member Handbook to understand how the rules work.

5. You must try to get to the doctor's office on time. If you cannot keep the appointment, be
sure to call and cancel it.

6. You must report misuse of CHIP Perinatal services by health care providers, other
Members, or health plans.

7. Talk to your Provider about all of your medications.

**CULTURAL SENSITIVITY**

El Paso Health places great emphasis on the wellness of our Members. A large part of quality
healthcare delivery is treating the whole patient and not just the medical condition. Sensitivity to
differing cultural influences, beliefs and backgrounds, can improve a Provider’s relationship with
patients and in the long run the health and wellness of the patients themselves. We coordinate interpreter and translation services to meet the Member’s needs. El Paso Health’s Cultural Competency and Linguistic Services Plan is available to its Network Providers upon request.

**Member Education**

Members receive various pieces of information from El Paso Health through mailings, internet resources and face-to-face contact. These materials include:

- El Paso Health Member Handbook
- Quarterly Newsletters
- Targeted Disease Management Brochures
- El Paso Health Provider Directories
- El Paso Health website
- Special mailings

All educational materials, including videos and written text, are available in both English and Spanish and in other languages if needed. These materials are also modified for 4th to 6th grade reading levels.
Health Insurance Portability and Accountability Act (HIPAA)

HIPAA is a federal law that has the goal of allowing persons to qualify immediately for comparable health insurance coverage when they change their employment relationships. The law also gives HHS the authority to mandate the use of standards for the electronic exchange of healthcare data; to specify what medical and administrative code sets should be used within those standards; to require the use of national identification systems for healthcare patients, providers, payers (or plans), and employers (or sponsors); and to specify the types of measures required to protect the security and privacy of personally identifiable healthcare information.

The final version of the HIPAA Privacy regulations went into effect on April 14, 2002; enforcement began on April 14, 2003. The Omnibus Final Rule (January 2013) strengthened privacy and security provisions of the HIPAA and the Health Information Technology for Economic and Clinical Health (HITECH) Acts.

WHO IS AFFECTED BY HIPAA?

HIPAA directly affects:

- Healthcare Providers.
- The health insurance business.
- Employers who provide healthcare benefits – plan sponsors (if they have 50+ eligible employees or have a 3rd party administrator of their plan).
- Businesses that provide goods or services to healthcare practitioners and other covered entities, including those classified as “Business Associates.”

Under HIPAA, El Paso Health requires you to protect and secure our Members’ personal and medical information. You are required to have privacy and security measures in place and document those in policies and procedures. Both federal and state privacy laws require that your employees be trained in the law and the policies & procedures of your office.

In general, HIPAA health information privacy rules will require:

- Staff training and documentation of that training, along with a mechanism to provide training for new employees.
- Safeguards for protecting, using, and disclosing health information, both physical and electronic.
- A manual describing these physical and informational security measures.

How easy is it to face a HIPAA audit? ANYONE can turn a practice in. Ever had an unhappy employee leave, or experience the anger of a dissatisfied patient? One simple call can bring any
practice to the attention of the Health and Human Services' Office of Civil Rights or the Texas Attorney General. El Paso Health’s staff is available to assist you if you have questions about the privacy laws and protecting our Members’ information.

PATIENT RIGHTS

Notice of Privacy Practices

It is important that patients understand how they can protect their own health information and how providers protect, use and disclose their information. The Notice of Privacy Practices (Notice) explains this information.

First-time patients should receive your Notice before they begin receiving care. Anyone, regardless of whether they are patients at your facility, may request a copy of the Notice at any time. When patients have questions about HIPAA, their rights, or your facility’s policies and practices, refer them to this Notice or to your facility’s privacy official.

El Paso Health’s Notice is posted in our facility and copies are available online at www.elpasohealth.com or by request. El Paso Health has HIPAA Privacy and Security Officers who are available to answer our Members’ questions or to receive complaints.
SECTION 15: FRAUD REPORTING

As government-funded programs, the Medicaid and CHIP programs include an important element of fraud and abuse prevention, which includes the cooperation and participation of El Paso Health’s Provider network in fraud and abuse prevention and reporting.

El Paso Health is committed to identifying, investigating, sanctioning and prosecuting suspected fraud and abuse. It is your responsibility as a participating Provider to report any Member or Provider suspected of fraud and abuse.

FRAUD INFORMATION

Reporting Waste, Abuse or Fraud by a Provider or Client

Medicaid Managed Care and CHIP

Do you want to report Waste, Abuse or Fraud?

Let us know if you think a doctor, dentist, pharmacist at a drug store, other health care providers, or a person getting benefits is doing something wrong. Doing something wrong could be waste, abuse or fraud, which is against the law. For example, tell us if you think someone is:

- Getting paid for services that weren’t given or necessary.
- Not telling the truth about a medical condition to get medical treatment.
- Letting someone else use their Medicaid or CHIP ID.
- Using someone else’s Medicaid or CHIP ID.
- Not telling the truth about the amount of money or resources he or she has to get benefits.

To report waste, abuse, or fraud, choose one of the following:

- Call the OIG Hotline at 1-800-436-6184;
- Visit https://oig.hhsc.state.tx.us/ and pick “Click Here to Report Waste, Abuse, and Fraud” to complete the online form; or
- You can report directly to your health plan:
  
  **El Paso Health**
  Compliance Director
  1145 Westmoreland Dr. El Paso, TX 79925
  1-866-356-8395 • www.elpasohealth.com
To report waste, abuse or fraud, gather as much information as possible.

- When reporting a Provider (a doctor, dentist, counselor, etc.) include:
  - Name, address, and phone number of Provider
  - Name and address of the facility (hospital, nursing home, home health agency, etc.)
  - Medicaid number of the Provider and facility if you have it
  - Type of Provider (doctor, dentist, therapist, pharmacist, etc.)
  - Names and phone numbers of other witnesses who can help in the investigation
  - Dates of events
  - Summary of what happened

- When reporting about someone who gets benefits, include:
  - The person’s name
  - The person’s date of birth, Social Security number, or case number if you have it
  - The city where the person lives
  - Specific details about the waste, abuse or fraud

All El Paso Health providers who receive five (5) million dollars or more from El Paso Health in any given year must be aware of the Deficit Reduction Act of 2005. El Paso Health’s Deficit Reduction Act of 2005 policy is readily available to all providers upon request.

A copy of the sample letter you would receive in the event you incur in billing errors and we need to recoup money from you can be found on ATTACHMENT 24.

PROCEDURES & SERVICES REQUIRING PRIOR AUTHORIZATION/NOTIFICATION
ALL REQUESTS MUST BE INDIVIDUALLY SUBMITTED

Submit requests at least 72 hours prior to scheduled date of service to allow us to process in a timely manner.

Prior authorization is based on information provided to El Paso Health at the time of request, it does not guarantee payment of benefits nor verify eligibility and is subject to all terms, conditions, limitations, and exclusions related to the member’s eligibility and subsequent medical review. Regardless of prior-authorization status, medical decisions concerning a course of treatment are solely between the physician and the patient.

INPATIENT ADMISSIONS
- Acute Medical
- Elective or Scheduled
- Hospice
- Psychiatric
- Rehabilitative
- Substance Use

OUTPATIENT SERVICES
- ASC Procedures
- Cardiac Cath
- Chemotherapy
- Dialysis
- Endoscopic Procedures
- Home Health (PDN, SN)*
- Outpatient Hospital
- PPECC
- Radiation
- Wound Clinic

XI. SCHEDULE OF BENEFITS, EXCLUDED SERVICES AND COVERED HEALTH SERVICES

I. INTRODUCTION
A. YOUR CHILD’S Coverage under EL PASO HEALTH

El Paso Health provides benefits to YOUR CHILD for Covered Health Services under CHIP and determines whether particular health services are Covered Health Services, as described in Section [XI], SCHEDULE OF BENEFITS, EXCLUDED SERVICES AND COVERED HEALTH SERVICES, below. If properly enrolled, YOUR CHILD is eligible for the benefits
described in Section [XI]. All services must be provided by participating Physicians and Providers except for Emergency Services and for out-of-network services that are authorized by El Paso Health. YOU have a Contract with El Paso Health. regarding matters stated in this Section I.A, as more fully described in this Contract.

B. YOUR Contract with CHIP

CHIP has determined that YOUR CHILD is eligible to receive Coverage and under what circumstances the Coverage will end. CHIP also has determined YOUR CHILD’S eligibility for other benefits under the CHIP program.

II. DEFINITIONS

ADMINISTRATOR: The contractor with the state that administers enrollment functions for CHIP health plans.

Adverse Determination: A decision that is made by US or OUR Utilization Review Agent that the health care services furnished or proposed to be furnished to a CHILD are not medically necessary or are experimental or investigational.

CHILD: Any child who CHIP has determined to be eligible for Coverage and who is enrolled under this Plan.

CHIP: The Children's Health Insurance Program which provides Coverage to each CHILD in accordance with an agreement between El Paso Health and the Health and Human Services Commission of the State of Texas.

Copayment: The amount that You are required to pay when your CHILD uses certain Covered Health Services within the Health Benefit Plan. Once the Copayment is made, You are not required to make further payment for these Covered Health Services.

Covered Health Services or Covered Services or Coverage: Those Medically Necessary Services that are listed in Section [XI], SCHEDULE OF BENEFITS, EXCLUDED SERVICES AND COVERED HEALTH SERVICES, of this Health Benefit Plan. Covered Services also include any additional services offered by the El Paso Health as Value Added Services (VAS) in Section [XI] SCHEDULE OF BENEFITS, EXCLUDED SERVICES AND COVERED HEALTH SERVICES, of this Health Benefit Plan.

Disability: A physical or mental impairment that substantially limits one or more of an individual’s major life activities, such as caring for oneself, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning, and/or working.
**Emergency Behavioral Health Condition:** Any condition, without regard to the nature or cause of the condition, which in the opinion of a prudent layperson possessing an average knowledge of health and medicine:

1. requires immediate intervention and/or medical attention without which a CHILD would present an immediate danger to themselves or others, or
2. that renders a CHILD incapable of controlling, knowing or understanding the consequences of their actions.

**Emergency Condition:** means an Emergency Medical Condition or an Emergency Behavioral Health Condition.

**Emergency Medical Condition:** A medical condition manifesting itself by acute symptoms of recent onset and sufficient severity (including severe pain), such that a prudent layperson, who possesses an average knowledge of health and medicine, could reasonably expect the absence of immediate medical care could result in:

1. placing the patient’s health in serious jeopardy;
2. serious impairment to bodily functions;
3. serious dysfunction of any bodily organ or part;
4. serious disfigurement; or
   • in the case of a pregnant woman, serious jeopardy to the health of a woman or her unborn child.

**Emergency Services and Emergency Care:** covered inpatient and outpatient services furnished by a Provider that is qualified to furnish such services and that are needed to evaluate or stabilize an Emergency Medical Condition and/or an Emergency Behavioral Health Condition, including post-stabilization care services.

**Experimental and/or Investigational:** A service or supply is Experimental and/or Investigational if WE determine that one or more of the following is true:

1. The service or supply is under study or in a clinical trial to evaluate its toxicity, safety or efficacy for a particular diagnosis or set of indications. Clinical trials include but are not limited to Phase I, II and III clinical trials.
2. The prevailing opinion within the appropriate specialty of the United States medical profession is that the service or supply needs further evaluation for the particular diagnosis or set of indications before it is used outside clinical trials or other research settings. WE will determine if this item 2. Is true based on:
   a. Published reports in authoritative medical literature; and
   b. Regulations, reports, publications and evaluations issued by government agencies such as the Agency for Health Care Policy and Research, the National Institutes of Health, and the FDA.
3. In the case of a drug, a device or other supply that is subject to FDA approval:
   a. It does not have FDA approval; or
b. It has FDA approval only under its Treatment Investigational New Drug regulation or a similar regulation;

c. It has FDA approval, but it is being used for an indication or at a dosage that is not an accepted off-label use. Unlabeled uses of FDA-approved drugs are not considered Experimental or Investigational if they are determined to be:

(i) included in one or more of the following medical compendia: The American Medical Association Drug Evaluations, The American Hospital Formulary Service Drug Information, The United States Pharmacopeia Information and other authoritative compendia as identified from time to time by the Secretary of Health and Human Services; or

(ii) in addition, the medical appropriateness of unlabeled uses not included in the compendia can be established based on supportive clinical evidence in peer-reviewed medical publications.

4. The Physician's or Provider's institutional review board acknowledges that the use of the service or supply is Experimental or Investigational and subject to that board's approval.

5. Research protocols indicate that the service or supply is Experimental or Investigational. This item 5, applies for protocols used by the CHILD'S Physician or Provider as well as for protocols used by other Physicians or Providers studying substantially the same service or supply.

Health Benefit Plan or Plan: The Coverage provided to CHILD issued by El Paso Health providing Covered Health Services.

HEALTH PLAN: El Paso Health otherwise referred to as US, WE, or OUR.

Home Health Services: Health services provided at a CHILD'S home by health care personnel, as prescribed by the responsible Physician or other authority designated by the El Paso Health.

Hospital: A licensed public or private institution as defined by Chapter 241, Texas Health and Safety Code, or in Subtitle C, Title 7, Texas Health and Safety Code.

Illness: A physical or mental sickness or disease.

Independent Review Organization: An entity that is certified by the Commissioner of Insurance under Chapter 4202 to conduct independent review of Adverse Determinations.

Injury or Accidental Injury: Accidental trauma or damage sustained by CHILD to a body part or system that is not the result of a disease, bodily infirmity or any other cause.

Life-threatening: A disease or condition for which the likelihood of death is probable unless the course of the disease or condition is interrupted.

Medically Necessary Services: Health services that are:

Physical:
Medically Necessary Services must be furnished in the most appropriate and least restrictive setting in which services can be safely provided and must be provided at the most appropriate level or supply of service which can safely be provided and which could not be omitted without adversely affecting the CHILD’s physical and/or mental health or the quality of care provided.

**Member:** Any covered CHILD, up to age 19, who is eligible for benefits under Title XXI of the Social Security Act and who is enrolled in the Texas CHIP program.

**Out-of-Area:** Any location outside El Paso Health CHIP Service Area.

**Pediatrician:** A Physician who is board eligible/board certified in pediatrics by the American Board of Pediatrics.

**Physician:** Anyone licensed to practice medicine in the State of Texas.

**Primary Care Physician or Primary Care Provider (PCP):** A physician or Provider who has agreed with the El Paso Health to provide a medical home to a CHILD and who is responsible for providing initial and primary care to patients, maintaining the continuity of patient care, and initiating referral for care.

**Provider:** Any institution, organization or person, other than a Physician, that is licensed to or otherwise authorized to provide a health care service in this state. The term includes, but is not limited to a hospital, doctor of chiropractic, pharmacist, registered nurse, optometrist, registered optician, pharmacy, skilled nursing facility, or home health agency.
Serious Mental Illness: The following psychiatric illnesses as defined by the American Psychiatric Association in the Diagnostic and Statistical Manual (DSM):

1. schizophrenia;
2. paranoid and other psychotic disorders;
3. bipolar disorders (hypomanic, manic, depressive, and mixed);
4. major depressive disorders (single episode or recurrent);
5. schizoaffective disorders (bipolar or depressive);
6. pervasive developmental disorders;
7. obsessive-compulsive disorders; and
8. depression in childhood and adolescence.

Service Area: [Description of the HMO's geographic service area for the CHIP program]

Specialist Physician: A participating Physician, other than a Primary Care Physician, under Contract with El Paso Health to provide Covered Health Services upon referral by the Primary Care Physician or Primary Care Provider.

Urgent Behavioral Health Care: A behavioral health condition that requires attention and assessment within twenty-four (24) hours but that does not place the CHILD in immediate danger to himself or herself or others and the CHILD is able to cooperate with treatment.

Urgent Care: A health condition including an Urgent Behavioral Health Care that is not an emergency but is severe or painful enough to cause a prudent layperson, possessing the average knowledge of medicine, to believe that his or her condition requires medical treatment evaluation or treatment within twenty-four (24) hours by the CHILD’s PCP or PCP designee to prevent serious deterioration of the CHILD’s condition or health.

Usual and Customary Charge: The usual charge made by a group, entity, or person who renders or furnishes covered services, treatments or supplies; provided the charge is not in excess of the general level of charges made by others who render or furnish the same or similar services, treatments or supplies.

Utilization Review: The system for retrospective, concurrent, or prospective review of the medical necessity and appropriateness of Covered Health Services provided, being provided, or proposed to be provided to a CHILD. The term does not include elective requests for clarification of coverage.

Utilization Review Agent: An entity that is certified by the Commissioner of Insurance to conduct Utilization Review.

YOU and YOUR: The family or guardian of the CHILD.

III. WHEN DOES AN ENROLLED CHILD BECOME COVERED?
Children enrolling in CHIP for the first time, or returning to CHIP after disenrollment, will be enrolled the 1st day of the next month following completion of the enrollment process. Children covered by private insurance within 90 days of application may be subject to a waiting period which extends for a period of 90 days after the last date on which the applicant was covered under a health benefits plan.

IV. COST-SHARING

Enrollment fees and co-pays are based on your family’s income. If you are required to pay an enrollment fee for your CHILD’S CHIP coverage, the fee is due with YOUR enrollment form.

No co-payments are required for preventive services or pregnancy-related assistance.

V. TERMINATION OF CHILD'S COVERAGE

A. Disenrollment due to loss of CHIP eligibility

Disenrollment may occur if YOUR CHILD loses CHIP eligibility. YOUR CHILD may lose CHIP eligibility for the following reasons:

1. "Aging-out" when CHILD turns nineteen;
2. Failure to re-enroll by the end of the 12-month coverage period;
3. Change in health insurance status, i.e., a CHILD enrolls in an employer-sponsored health plan;
4. Death of a CHILD;
5. CHILD permanently moves out of the state;
6. CHILD is enrolled in Medicaid or Medicare.
7. Failure to drop current insurance if CHILD was determined to be CHIP-eligible because health insurance cost under the current health plan totaled 10% or more of the family’s net income.
8. CHILD’S parent or Authorized Representative requests (in writing) the voluntary disenrollment of a CHILD.
9. Failure to respond to a request of income verification during month six of the enrollment period (only required for certain families) or if the income information provided indicates that the family’s income exceeds CHIP income limits.

B. Disenrollment by El Paso Health

YOUR CHILD may be disenrolled by US, subject to approval by the Health and Human Services Commission, for the following reasons:

1. Fraud or intentional material misrepresentation made by YOU after 15 days written notice;
2. Fraud in the use of services or facilities after 15 days written notice;
3. Misconduct that is detrimental to safe Plan operations and the delivery of services;
4. CHILD no longer lives or resides in the Service Area.
5. CHILD is disruptive, unruly, threatening or uncooperative to the extent that CHILD’s Membership seriously impairs El Paso Health or Provider’s ability to provide services to the CHILD or to obtain new Members, and the CHILD’s behavior is not caused by a physical or behavioral health condition.
6. CHILD steadfastly refuses to comply with El Paso Health restrictions (e.g., repeatedly using emergency room in combination with refusing to allow El Paso Health to treat the underlying medical condition).

We will not disenroll a CHILD based on a change in the CHILD'S health status, diminished mental capacity, or because of the amount of Medically Necessary Services that are used to treat the CHILD'S condition. WE will also not disenroll a CHILD because of uncooperative or disruptive behavior resulting from his or her special needs, unless this behavior seriously impairs OUR ability to furnish services to the CHILD or other enrollees.

VI. PREGNANT MEMBERS AND INFANTS

When WE receive notice from YOU, YOUR CHILD or YOUR CHILD'S Physician or Provider that a pregnancy has been diagnosed, WE will notify the HHSC Administrative Service Organization.

Depending on YOUR income and family size, the HHSC Administrative Service Organization may notify YOU and YOUR CHILD about her potential eligibility for Medicaid and of her ability to apply for Medicaid. In that situation, the Administrator will also provide appropriate resource information. A Member who is potentially eligible for Medicaid must apply for Medicaid. A Member who is determined to be Medicaid-eligible will no longer be eligible for CHIP.

If YOUR CHILD is not eligible for Medicaid, the Administrator will extend YOUR CHILD'S eligibility period, if her eligibility would otherwise expire, to ensure that she continues coverage during her pregnancy and through the end of the second full month following the month of the baby’s birth.

The HHSC Administrative Service Organization will enroll the newborn in the mother’s CHIP plan prospectively, following standard cut-off rules.

VII. YOUR CHILD’S HEALTH COVERAGE

A. Selecting YOUR CHILD'S Primary Care Physician or Primary Care Provider

YOU shall, at time of enrollment in the El Paso Health, select YOUR CHILD'S Primary Care Physician or Primary Care Provider (PCP). A female Member may select an Obstetrician/Gynecologist (OB/GYN) to provide Covered Health Services within the scope of the professional specialty practice of the OB/GYN. The selection shall be made from those Physicians and Providers listed in El Paso Health published list of Physicians and Providers. YOU have the
option to choose as a PCP a Family Practice Physician with experience in treating children, a Pediatrician, or other age-appropriate and qualified health care Provider.

YOU shall look to the selected PCP to direct and coordinate CHILD'S care, and recommend procedures and/or treatment.

**B. Changing YOUR CHILD'S Primary Care Physician or Primary Care Provider**

YOU may request a change in YOUR CHILD'S Primary Care Physician or Primary Care Provider and a change in YOUR CHILD'S OB/GYN. YOUR request must be made to El Paso Health at least thirty (30) days prior to the requested effective date of the change.

**C. Children with Chronic, Disabling or Life-threatening Illnesses**

A CHILD who has a chronic, disabling or Life-threatening Illness may be eligible to receive services above and beyond those normally provided. If YOUR CHILD is identified as having special health care needs, YOUR CHILD will be eligible for Case Management Services for Children with Special Health Care Needs (CSHCN) through the Texas Department of State Health Services.

A CHILD who has a chronic, disabling, or Life-threatening Illness may apply to El Paso Health medical director to use a non-primary Specialist Physician as a Primary Care Physician. The Specialist Physician must agree to the arrangement and agree to coordinate all of the CHILD'S health care needs.

**D. Emergency Services**

When YOUR CHILD is taken to a Hospital emergency department, free-standing emergency medical facility or to a comparable emergency facility, the treating Physician/Provider will perform a medical screening examination to determine whether a medical Emergency exists and will provide the treatment and stabilization of an Emergency Condition.

If additional care is required after the patient is stabilized, the treating Physician/Provider must contact El Paso Health. El Paso Health must respond within one hour of receiving the call to approve or deny Coverage of the additional care requested by the treating Physician/Provider.

If El Paso Health agrees to the care as proposed by the treating Physician/Provider, or if El Paso Health fails to approve or deny the proposed care within one hour of receiving the call, the treating Physician/Provider may proceed with the proposed care.

YOU should notify El Paso Health within twenty-four (24) hours of any out-of-network Emergency Services, or as soon as reasonably possible.

**E. Out-of-Network Services**

If Covered Health Services are not available to YOUR CHILD through network Physicians or Providers, El Paso Health, upon the request of a network Physician or Provider, shall allow referral
to an out-of-network Physician or Provider and shall fully reimburse the out-of-network Physician or Provider at the Usual and Customary Charge or at an agreed upon rate. El Paso Health further must provide for a review by a specialist of the same or similar specialty as the type of Physician or Provider to whom a referral is requested before El Paso Health may deny a referral.

F. Continuity of Treatment

The contract between El Paso Health and a Physician or Provider must provide that reasonable advance notice be given to YOU of the impending termination from the Plan of a Physician or Provider who is currently treating YOUR CHILD. The contract must also provide that the termination of the Physician or Provider contract, except for reasons of medical competence or professional behavior, does not release El Paso Health from its obligation to reimburse the Physician or Provider who is treating YOUR CHILD of special circumstance, such as a CHILD who has a Disability, acute condition, Life-threatening Illness, or is past the twenty-fourth week of pregnancy, for YOUR CHILD’S care in exchange for continuity of ongoing treatment for YOUR CHILD then receiving medically necessary treatment in accordance with the dictates of medical prudence.

Special circumstance means a condition such that the treating Physician or Provider reasonably believes that discontinuing care by the treating Physician or Provider could cause harm to YOUR CHILD. Special circumstance shall be identified by the treating Physician or Provider who must request that YOUR CHILD be permitted to continue treatment under the Physician’s or Provider’s care and agree not to seek payment from YOU for any amount for which YOU would not be responsible if the Physician or Provider were still on El Paso Health network. El Paso Health shall reimburse the terminated Physician or Provider for YOUR CHILD’S ongoing treatment for ninety days from the effective date of the termination, or for nine months if YOUR CHILD has been diagnosed with a terminal Illness. For a CHILD who at the time of termination is past the twenty-fourth week of pregnancy, El Paso Health shall reimburse the terminated Physician or Provider for treatment extending through delivery, immediate postpartum care, and follow-up checkup within six weeks of delivery.

G. Notice of Claims

YOU should not have to pay any amount for Covered Health Services except for Copayments or Deductibles. If YOU receive a bill from a physician or Provider that is more than your authorized Copayment or Deductible amounts, contact El Paso Health.

H. Coordination of Benefits

Your CHILD’S coverage under CHIP is secondary when coordinating benefits with any other insurance coverage. This means that the coverage provided under CHIP will pay benefits for covered services that remain unpaid after any other insurance coverage has paid.

I. Subrogation

El Paso Health receives all rights of recovery acquired by YOU or YOUR CHILD against any person or organization for negligence or any willful act resulting in Illness or Injury covered by El Paso Health, but only to the extent of such benefits. Upon receiving such benefits from the El
Paso Health, YOU and YOUR CHILD are considered to have assigned such rights of recovery to El Paso Health and YOU agree to give El Paso Health any reasonable help required to secure the recovery.

VIII. HOW DO I MAKE A COMPLAINT?

A. Complaint Process

“Complaint” means any dissatisfaction expressed by YOU orally or in writing to US with any aspect of OUR operation, including but not limited to, dissatisfaction with plan administration, procedures related to review or appeal of an Adverse Determination, the denial, reduction, or termination of a service for reasons not related to medical necessity; the way a service is provided; or disenrollment decisions.

If YOU notify US orally or in writing of a Complaint, WE will, not later than the fifth business day after the date of the receipt of the Complaint, send to YOU a letter acknowledging the date WE received YOUR Complaint. If the Complaint was received orally, WE will enclose a one-page Complaint form clearly stating that the Complaint form must be returned to US for prompt resolution.

After receipt of the written Complaint or one-page Complaint form from YOU, WE will investigate and send YOU a letter with OUR resolution. The total time for acknowledging, investigating and resolving your Complaint will not exceed thirty (30) calendar days after the date WE receive YOUR Complaint.

YOUR Complaint concerning an Emergency or denial of continued stay for hospitalization will be resolved in one business day of receipt of YOUR Complaint. The investigation and resolution shall be concluded in accordance with the medical immediacy of the case.

YOU may use the appeals process to resolve a dispute regarding the resolution of YOUR Complaint.

B. Appeals to the El Paso Health

1. If the Complaint is not resolved to YOUR satisfaction, YOU have the right either to appear in person before a Complaint appeal panel where YOU normally receive health care services, unless another site is agreed to by YOU, or to address a written appeal to the Complaint appeal panel. WE shall complete the appeals process not later than the thirtieth (30th) calendar day after the date of the receipt of the request for appeal.

2. WE shall send an acknowledgment letter to YOU not later the fifth day after the date of receipt of the request of the appeal.

3. WE shall appoint Members to the Complaint appeal panel, which shall advise US on the resolution of the dispute. The Complaint appeal panel shall be composed of an equal number of OUR staff, Physicians or other Providers, and enrollees. A Member of the appeal panel may not have been previously involved in the disputed decision.
4. Not later than the fifth business day before the scheduled meeting of the panel, unless YOU agree otherwise, WE shall provide to YOU or YOUR designated representative:
   
   a. any documentation to be presented to the panel by OUR staff;
   b. the specialization of any Physicians or Providers consulted during the investigation; and
   c. the name and affiliation of each of OUR representatives on the panel.

5. YOU, or YOUR designated representative if YOU are a minor or disabled, are entitled to:
   
   a. appear in person before the Complaint appeal panel;
   b. present alternative expert testimony; and
   c. request the presence of and question any person responsible for making the prior determination that resulted in the appeal.

6. Investigation and resolution of appeals relating to ongoing emergencies or denial of continued stays for hospitalization shall be concluded in accordance with the medical immediacy of the case but in no event to exceed one business day after YOUR request for appeal.

   Due to the ongoing Emergency or continued Hospital stay, and at YOUR request, WE shall provide, in lieu of a Complaint appeal panel, a review by a Physician or Provider who has not previously reviewed the case and is of the same or similar specialty as typically manages the medical condition, procedure, or treatment under discussion for review of the appeal.

7. Notice of OUR final decision on the appeal must include a statement of the specific medical determination, clinical basis, and contractual criteria used to reach the final decision.

C. Internal Appeal of Adverse Determination

An "Adverse Determination" is a decision that is made by US or OUR Utilization Review Agent that the health care services furnished or proposed to be furnished to a CHILD are not medically necessary or appropriate.

If YOU, YOUR designated representative or YOUR CHILD'S Physician or Provider of record disagree with the Adverse Determination, YOU, YOUR designated representative or YOUR CHILD'S Physician or Provider may appeal the Adverse Determination orally or in writing.

Within 5 business days after receiving a written appeal of the Adverse Determination, WE or OUR Utilization Review Agent will send YOU, YOUR designated representative or YOUR CHILD'S Physician or Provider, a letter acknowledging the date of receipt of the appeal. The letter will also include a list of documents that YOU, YOUR designated representative or YOUR CHILD'S Physician or Provider should send to US or to OUR Utilization Review Agent for the appeal.
If YOU, YOUR designated representative or YOUR CHILD'S Physician or Provider orally appeal the Adverse Determination, WE or OUR Utilization Review Agent will send YOU, YOUR designated representative or YOUR CHILD'S Physician or Provider a one-page appeal form. YOU are not required to return the completed form, but WE encourage YOU to because it will help US resolve YOUR appeal.

Appeals of Adverse Determinations involving ongoing emergencies or denials of continued stays in a Hospital will be resolved no later than 1 business day from the date all information necessary to complete the appeal is received. All other appeals will be resolved no later than 30 calendar days after the date WE or OUR Utilization Review Agent receives the appeal.

D. External Review by Independent Review Organization

If the appeal of the Adverse Determination is denied, YOU, YOUR designated representative or YOUR CHILD'S Physician or Provider of record have the right to request a review of that decision by an Independent Review Organization (IRO). When WE or OUR Utilization Review Agent deny the appeal, YOU, YOUR designated representative or YOUR CHILD'S Physician or Provider will receive information on how to request an IRO review of the denial and the forms that must be completed and returned to begin the independent review process.

In circumstances involving a Life-threatening condition, YOUR CHILD is entitled to an immediate review by an IRO without having to comply with the procedures for internal appeals of Adverse Determinations. In Life-threatening situations, YOU, YOUR designated representative or YOUR CHILD'S Physician or Provider of record may contact US or OUR Utilization Review Agent by telephone to request the review by the IRO and WE or OUR utilization review agent will provide the required information.

When the IRO completes its review and issues its decision, WE will abide by the IRO's decision. WE will pay for the IRO review.

The appeal procedures described above do not prohibit YOU from pursuing other appropriate remedies, including injunctive relief, declaratory judgment, or other relief available under law, if YOU believe that the requirement of completing the appeal and review process places YOUR CHILD'S health in serious jeopardy.

E. Filing Complaints with the Texas Department of Insurance

Any person, including persons who have attempted to resolve complaints through OUR complaint system process and who are dissatisfied with the resolution, may report an alleged violation to the Texas Department of Insurance, P. O. Box 149104, Austin, Texas 78714-9104. Complaints to the Texas Department of Insurance may also be filed electronically at www.tdi.texas.gov.

The Commissioner of Insurance shall investigate a complaint against US to determine compliance within sixty (60) days after the Texas Department of Insurance’s receipt of the Complaint and all information necessary for the Department to determine compliance. The Commissioner may
extend the time necessary to complete an investigation in the event any of the following circumstances occur:
1. additional information is needed;
2. an on-site review is necessary;
3. WE, the Physician or Provider, or YOU do not provide all documentation necessary to complete the investigation; or
4. other circumstances beyond the control of the Department occur.

F. Retaliation Prohibited

1. WE will not take any retaliatory action, including refusal to renew coverage, against a CHILD because the CHILD or person acting on behalf of the CHILD has filed a Complaint against US or appealed a decision made by US.

2. WE shall not engage in any retaliatory action, including terminating or refusal to renew a contract, against a Physician or Provider, because the Physician or Provider has, on behalf of a CHILD, reasonably filed a Complaint against US or has appealed a decision made by US.

IX. GENERAL PROVISIONS

A. Entire Agreement, Amendments

This Contract, and any attachments or amendments are the Entire Agreement between YOU and El Paso Health. To be valid, any changes to this Contract must be approved by an officer of El Paso Health and attached to this Contract.

B. Release and Confidentiality of Medical Records

El Paso Health agrees to maintain and preserve the confidentiality of any and all medical records of YOUR CHILD or YOUR family. However, by enrolling in El Paso Health, YOU authorize the release of information, as permitted by law, and access to any and all of medical records of YOUR CHILD for purposes reasonably related to the provision of services under this Contract, to El Paso Health, its agents and employees, YOUR CHILD’S Primary Care Physician or Primary Care Provider, participating Providers, outside Providers of Utilization Review Committee, CHIP and appropriate governmental agencies. El Paso Health privacy protections are described in more detail in its Notice of Privacy Practices. The Notice of Privacy Practices is available at [list website or address] or you may request a copy by calling [ ].

C. Clerical Error

Clerical error or delays in keeping records for YOUR and YOUR CHILD'S Contract with CHIP:

1. Will not deny Coverage that otherwise would have been granted; and
2. Will not continue Coverage that otherwise would have terminated.

If any important facts given to the CHIP about YOUR CHILD are not accurate and they affect Coverage:
1. the true facts will be used by CHIP to decide whether Coverage is in force; and
2. any necessary adjustments and/or recoupments will be made.

**D. Notice**

Benefits under Workers' Compensation are not affected.

**E. Validity**

The unenforceability or invalidity of any provision of this Evidence of Coverage shall not affect the enforceability or validity of the rest of this Contract.

**F. Conformity with State Law**

Any provision of this Contract that is not in conformity with the Texas HMO Act and state or federal laws or regulations governing CHIP, or other applicable laws or regulations shall not be rendered invalid but shall be construed and applied as if it were in full compliance with the Texas HMO Act, state and federal laws or regulations governing CHIP, and other applicable laws or regulations.

IX. SCHEDULE OF BENEFITS, EXCLUDED SERVICES AND COVERED HEALTH SERVICES

I. INTRODUCTION

A. YOUR UNBORN CHILD'S Coverage under El Paso Health

El Paso Health provides benefits to YOUR UNBORN CHILD for Covered Health Services under CHIP Perinatal Program and determines whether particular health services are Covered Health Services, as described in Section [VIII], SCHEDULE OF BENEFITS, EXCLUDED SERVICES AND COVERED HEALTH SERVICES, below. If properly enrolled, YOUR UNBORN CHILD is eligible for the benefits described in Section [VIII]. All services must be provided by participating Physicians and Providers except for Emergency Services and for out-of-
network services that are authorized by El Paso Health. YOU have a Contract with El Paso Health regarding matters stated in this Section I.A, as more fully described in this Contract.

**B. YOUR Contract with CHIP Perinatal Program**

CHIP Perinatal Program has determined that YOUR UNBORN CHILD is eligible to receive Coverage and under what circumstances the Coverage will end. CHIP Perinatal Program also has determined YOUR UNBORN CHILD’S eligibility for other benefits under the CHIP Perinatal Program.

**III. DEFINITIONS**

**ADMINISTRATOR:** The contractor with the State that administers enrollment functions for CHIP Perinatal Program health plans.

**Adverse Determination:** A decision that is made by US or OUR Utilization Review Agent that the health care services furnished or proposed to be furnished to YOUR UNBORN CHILD are not medically necessary or are experimental or investigational.

**CHIP Perinatal Program:** The Children's Health Insurance Program (CHIP) Perinatal Program, which provides Coverage to each UNBORN CHILD in accordance with an agreement between El Paso Health and the Health and Human Services Commission of the State of Texas.

**Covered Health Services or Covered Services or Coverage:** Those Medically Necessary Services that are listed in Section [VIII], SCHEDULE OF BENEFITS, EXCLUDED SERVICES AND COVERED HEALTH SERVICES, of this Health Benefit Plan. Covered Services also include any additional services offered by the El Paso Health as Value Added Services (VAS) in Section [VIII] SCHEDULE OF BENEFITS, EXCLUDED SERVICES AND COVERED HEALTH SERVICES, of this Health Benefit Plan.

**Disability:** A physical or mental impairment that substantially limits one or more of an individual’s major life activities, such as caring for oneself, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning, and/or working.

**Emergency Behavioral Health Condition:** Any condition, without regard to the nature or cause of the condition, which in the opinion of a prudent layperson possessing an average knowledge of health and medicine:

1. requires immediate intervention and/or medical attention without which the mother of the UNBORN CHILD would present an immediate danger to UNBORN CHILD or others, or
2. that renders the mother of the UNBORN CHILD incapable of controlling, knowing or understanding the consequences of their actions.

**Emergency Condition:** means an Emergency Medical Condition or an Emergency Behavioral Health Condition.
Emergency Medical Condition: A medical condition manifesting itself by acute symptoms of recent onset and sufficient severity (including severe pain), such that a prudent layperson, who possesses an average knowledge of health and medicine, could reasonably expect the absence of immediate medical care could result in:

1. placing the UNBORN CHILD’S health in serious jeopardy;
2. serious impairment to bodily functions to the UNBORN CHILD;
3. serious dysfunction of any bodily organ or part that would effect the UNBORN CHILD;
4. serious disfigurement to the UNBORN CHILD; or in the case of a pregnant woman, serious jeopardy to the health of a woman or her unborn child.

Emergency Services and Emergency Care: covered inpatient and outpatient services furnished by a Provider that is qualified to furnish such services and that are needed to evaluate or stabilize an Emergency Medical Condition and/or an Emergency Behavioral Health Condition, including post-stabilization care services related to labor and delivery of the UNBORN CHILD.

Experimental and/or Investigational: A service or supply is Experimental and/or Investigational if WE determine that one or more of the following is true:

1. The service or supply is under study or in a clinical trial to evaluate its toxicity, safety or efficacy for a particular diagnosis or set of indications. Clinical trials include but are not limited to Phase I, II and III clinical trials.
2. The prevailing opinion within the appropriate specialty of the United States medical profession is that the service or supply needs further evaluation for the particular diagnosis or set of indications before it is used outside clinical trials or other research settings.
   WE will determine if this item 2. Is true based on:
   a. Published reports in authoritative medical literature; and
   b. Regulations, reports, publications and evaluations issued by government agencies such as the Agency for Health Care Policy and Research, the National Institutes of Health, and the FDA.
3. In the case of a drug, a device or other supply that is subject to FDA approval:
   a. It does not have FDA approval; or
   b. It has FDA approval only under its Treatment Investigational New Drug regulation or a similar regulation;
   c. It has FDA approval, but it is being used for an indication or at a dosage that is not an accepted off-label use. Unlabeled uses of FDA-approved drugs are not considered Experimental or Investigational if they are determined to be:
      (i) Included in one or more of the following medical compendia: The American Medical Association Drug Evaluations, The American Hospital Formulary Service Drug Information, The United States Pharmacopeia Information and other authoritative compendia as identified from time to time by the Secretary of Health and Human Services; or
      (ii) In addition, the medical appropriateness of unlabeled uses not included in the compendia can be established based on supportive clinical evidence in peer-reviewed medical publications.
   d. The Physician's or Provider's institutional review board acknowledges that the use of the service or supply is Experimental or Investigational and subject to that board's approval.
   e. Research protocols indicate that the service or supply is Experimental or Investigational. This item 5, applies for protocols used by the UNBORN CHILD'S
Physician or Provider as well as for protocols used by other Physicians or Providers studying substantially the same service or supply.

**Health Benefit Plan or Plan:** The Coverage provided to the UNBORN CHILD issued by El Paso Health providing Covered Health Services.

**HEALTH PLAN:** El Paso Health otherwise referred to as US, WE, or OUR.

**Home Health Services:** Health services provided at a Member’s home by health care personnel, as prescribed by the responsible Physician or other authority designated by the El Paso Health.

**Hospital:** A licensed public or private institution as defined by Chapter 241, Texas Health and Safety Code, or in Subtitle C, Title 7, Texas Health and Safety Code.

**Illness:** A physical or mental sickness or disease.

**Independent Review Organization:** An entity that is certified by the Commissioner of Insurance under Chapter 4202 to conduct independent review of Adverse Determinations.

**Initial Admission:** hospitalization from birth including ICU; includes transfers from another hospital to a hospital with an NICU and any readmission that is less than 24 hours post discharge from the initial admission.

**Injury or Accidental Injury:** Accidental trauma or damage sustained by the UNBORN CHILD or the mother of the UNBORN CHILD to a body part or system that is not the result of a disease, bodily infirmity or any other cause and could cause harm to the UNBORN CHILD.

**Life-threatening:** A disease or condition for which the likelihood of death is probable unless the course of the disease or condition is interrupted.

**Medically Necessary Services:** Health services that are:

**Physical:**
- Reasonable and necessary to prevent Illness or medical conditions, or provide early screening, interventions, and/or treatments for conditions that cause suffering or pain, cause physical malformation or limitations in function, threaten to cause or worsen a Disability, cause Illness or infirmity of an UNBORN CHILD, or endanger life of the UNBORN CHILD;
- Provided at appropriate facilities and at the appropriate levels of care for the treatment of an UNBORN CHILD’S medical conditions;
- Consistent with health care practice guidelines and standards that are issued by professionally recognized health care organizations or governmental agencies;
- Consistent with diagnoses of the conditions;
- No more intrusive or restrictive than necessary to provide a proper balance of safety, effectiveness, and efficiency;
- are not Experimental or Investigative; and
• are not primarily for the convenience of the mother of the UNBORN CHILD or health care Provider.

**Behavioral:**
• reasonable and necessary for the diagnosis or treatment of a mental health or Chemical Dependency disorder to improve, maintain, or prevent deterioration of function resulting from the disorder;
• provided in accordance with professionally accepted clinical guidelines and standards of practice in behavioral health care;
• are not Experimental or Investigative; and
• are not primarily for the convenience of the mother of the UNBORN CHILD or health care Provider.

Medically Necessary Services must be furnished in the most appropriate and least restrictive setting in which services can be safely provided and must be provided at the most appropriate level or supply of service which can safely be provided and which could not be omitted without adversely affecting the UNBORN CHILD’S physical health and/or or the quality of care provided.

**Member:** Any covered UNBORN CHILD who is eligible for benefits and who is enrolled in the Texas CHIP Perinatal Program.

**Out-of-Area:** Any location outside El Paso Health CHIP Perinatal Program Service Area.

**Pediatrician:** A Physician who is board eligible/board certified in pediatrics by the American Board of Pediatrics.

**Physician:** Anyone licensed to practice medicine in the State of Texas.

**Perinatal Program Provider:** A Physician, Physician Assistant, or Advanced Practice Nurse or other qualified health care providers who is contracted with El Paso Health to provide Covered Health Services to an UNBORN CHILD and who is responsible for providing initial and primary care, maintaining the continuity of care, and initiating referrals for care.

**Provider:** Any institution, organization or person, other than a Physician, that is licensed to or otherwise authorized to provide a health care service in this State. The term includes, but is not limited to a hospital, doctor of chiropractic, pharmacist, registered nurse, optometrist, registered optician, pharmacy, clinic, skilled nursing facility, or home health agency.

**Service Area:** CHIP Perinatal Provider Service Area as defined by the Texas Health and Human Services Commission.

**Specialist Physician:** A participating Physician, other than a Perinatal Program Physician, under Contract with El Paso Health to provide Covered Health Services upon referral by the Perinatal Program Provider.

**UNBORN CHILD (CHIP Perinate):** Any child from conception to birth whom the CHIP Perinatal Program has determined to be eligible for Coverage and who is enrolled under this Plan.
**Urgent Behavioral Health Care:** A behavioral health condition that requires attention and assessment within twenty-four (24) hours but that does not place the mother of the UNBORN CHILD in immediate danger to the UNBORN CHILD or others and the mother of the UNBORN CHILD is able to cooperate with treatment.

**Urgent Care:** A health condition including an Urgent Behavioral Health Care that is not an emergency but is severe or painful enough to cause a prudent layperson, possessing the average knowledge of medicine, to believe that her condition as it relates to the UNBORN CHILD requires medical treatment evaluation or treatment within twenty-four (24) hours by the Prenatal Program Provider or the Prenatal Program Provider’s designee to prevent serious deterioration of the UNBORN CHILD’s condition or health.

**Usual and Customary Charge:** The usual charge made by a group, entity, or person who renders or furnishes covered services, treatments or supplies; provided the charge is not in excess of the general level of charges made by others who render or furnish the same or similar services, treatments or supplies.

**Utilization Review:** The system for retrospective, concurrent, or prospective review of the medical necessity and appropriateness of Covered Health Services provided, being provided, or proposed to be provided to an UNBORN CHILD. The term does not include elective requests for clarification of coverage.

**Utilization Review Agent:** An entity that is certified by the Commissioner of Insurance to conduct Utilization Review.

**YOU and YOUR:** Mother of the UNBORN CHILD.

### III. WHEN DOES AN ENROLLED UNBORN CHILD BECOME COVERED?

Coverage of the UNBORN CHILD begins on the first day of the month in which the UNBORN CHILD is determined eligible for the CHIP Perinatal Program.

### IV. COST-SHARING

No enrollment fees or cost sharing (such as co-pays) are required for CHIP Perinatal covered services.

### V. TERMINATION OF AN UNBORN CHILD'S COVERAGE

**A. Disenrollment due to loss of CHIP Perinatal Program eligibility**

Disenrollment may occur if your UNBORN CHILD loses CHIP Perinatal Program eligibility. Your UNBORN CHILD may lose CHIP Perinatal Program eligibility for the following reasons:

1. Change in health insurance status, e.g., a parent of an UNBORN CHILD enrolls in an employer-sponsored health plan;
2. Death of an UNBORN CHILD;
3. Mother of UNBORN CHILD permanently moves out of the State;
4. UNBORN CHILD’S parent or Authorized Representative requests (in writing) the voluntary disenrollment of an UNBORN CHILD;
5. Mother of UNBORN CHILD is enrolled in Medicaid or Medicare.

B. Disenrollment by El Paso Health

Your UNBORN CHILD may be disenrolled by US, subject to approval by the Health and Human Services Commission, for the following reasons:
1. Fraud or intentional material misrepresentation made by YOU after 15 days written notice;
2. Fraud in the use of services or facilities after 15 days written notice;
3. Misconduct that is detrimental to safe Plan operations and the delivery of services;
4. Mother of the UNBORN CHILD no longer lives or resides in the Service Area.
5. Mother of UNBORN CHILD is disruptive, unruly, threatening or uncooperative to the extent that UNBORN CHILD’s Membership seriously impairs El Paso Health or Provider’s ability to provide services to the UNBORN CHILD or to obtain a new Members, and the mother of the UNBORN CHILD’s behavior is not caused by a physical or behavioral health condition.
6. Mother of the UNBORN CHILD steadfastly refuses to comply with El Paso Health restrictions (e.g., repeatedly using emergency room in combination with refusing to allow El Paso Health to treat the underlying medical condition).

We will not disenroll an UNBORN CHILD based on a change in the UNBORN CHILD’S health status, diminished mental capacity of the mother of the UNBORN CHILD, or because of the amount of Medically Necessary Services that are used to treat the UNBORN CHILD’S condition. WE will also not disenroll an UNBORN CHILD because of uncooperative or disruptive behavior resulting from the mother of the UNBORN CHILD’s special needs, unless this behavior seriously impairs OUR ability to furnish services to the UNBORN CHILD or other enrollees.

VI. YOUR UNBORN CHILD’S HEALTH COVERAGE

A. Selecting YOUR UNBORN CHILD'S Perinatal Program Provider

YOU shall, at time of enrollment in the El Paso Health, select YOUR UNBORN CHILD'S Perinatal Program Provider. You may select an Obstetrician/Gynecologist (OB/GYN) to provide Covered Health Services within the scope of the professional specialty practice of the OB/GYN. The selection shall be made from those Physicians and Providers listed in El Paso Health published list of Physicians and Providers. YOU have the option to choose a Family Practice Physician with experience in prenatal care, or other qualified health care Providers as a Perinatal Program Provider.

YOU shall look to the selected Perinatal Program Provider to direct and coordinate your UNBORN CHILD'S care, and recommend procedures and/or treatment.

B. Changing YOUR UNBORN CHILD'S Perinatal Program Provider
YOU may request a change in YOUR UNBORN CHILD'S Perinatal Program Provider. YOUR request must be made to El Paso Health at least thirty (30) days prior to the requested effective date of the change.

C. Emergency Services

When you are taken to a Hospital emergency department, free-standing emergency medical facility, or to a comparable emergency facility for care directly related to the labor or delivery of your covered UNBORN CHILD, the treating Physician/Provider will perform a medical screening examination to determine whether a medical Emergency directly related to the labor with delivery of the covered UNBORN CHILD exists and will provide the treatment and stabilization of an Emergency Condition.

If additional care directly related to the labor and delivery of the covered UNBORN CHILD is required after the UNBORN CHILD is stabilized, the treating Physician/Provider must contact El Paso Health. El Paso Health must respond within one hour of receiving the call to approve or deny Coverage of the additional care requested by the treating Physician/Provider.

If El Paso Health agrees to the care as proposed by the treating Physician/Provider, or if El Paso Health fails to approve or deny the proposed care within one hour of receiving the call, the treating Physician/Provider may proceed with the proposed care. Post-delivery services or complications resulting in the need for emergency services for the mother of the CHIP Perinatal newborn are not a covered benefit.

YOU should notify El Paso Health within twenty-four (24) hours of any out-of-network Emergency Services, or as soon as reasonably possible.

D. Out-of-Network Services

If Covered Health Services are not available to YOUR UNBORN CHILD through network Physicians or Providers, El Paso Health, upon the request of a network Physician or Provider, shall allow referral to an out-of-network Physician or Provider and shall fully reimburse the out-of-network Physician or Provider at the Usual and Customary Charge or at an agreed upon rate. El Paso Health further must provide for a review by a specialist of the same or similar specialty as the type of Physician or Provider to whom a referral is requested before El Paso Health may deny a referral.

E. Continuity of Treatment

The contract between El Paso Health and a Physician or Provider must provide that reasonable advance notice be given to YOU of the impending termination from the Plan of a Physician or Provider who is currently treating YOUR UNBORN CHILD. The contract must also provide that the termination of the Physician or Provider contract, except for reasons of medical competence or professional behavior, does not release El Paso Health from its obligation to reimburse the Physician or Provider who is treating YOUR UNBORN CHILD of special circumstance, such as an UNBORN CHILD who has a Disability, an acute condition or a life-threatening Illness, or is
past the twenty-fourth week of gestation, for YOUR UNBORN CHILD’S care in exchange for continuity of ongoing treatment for YOUR UNBORN CHILD then receiving medically necessary treatment in accordance with the dictates of medical prudence.

Special circumstance means a condition such that the treating Physician or Provider reasonably believes that discontinuing care by the treating Physician or Provider could cause harm to YOUR UNBORN CHILD. Special circumstance shall be identified by the treating Physician or Provider who must request that YOUR UNBORN CHILD be permitted to continue treatment under the Physician’s or Provider’s care and agree not to seek payment from YOU for any amount for which YOU would not be responsible if the Physician or Provider were still on El Paso Health network. El Paso Health shall reimburse the terminated Physician or Provider for YOUR UNBORN CHILD’S ongoing treatment. For an UNBORN CHILD who at the time of termination is past the twenty-fourth week of gestation, El Paso Health shall reimburse the terminated Physician or Provider for treatment extending through delivery, immediate postpartum care, and follow-up checkups within sixty days of delivery.

F. Notice of Claims

YOU should not have to pay any amount for Covered Health Services. If YOU receive a bill from a physician or Provider, contact HEALTH PLAN.

G. Coordination of Benefits

Your UNBORN CHILD’S coverage under the CHIP Perinatal Program is secondary when coordinating benefits with any other insurance coverage. This means that the coverage provided under the CHIP Perinatal Program will pay benefits for covered services that remain unpaid after any other insurance coverage has paid.

H. Subrogation

El Paso Health receives all rights of recovery acquired by YOU or YOUR UNBORN CHILD against any person or organization for negligence or any willful act resulting in Illness or Injury covered by El Paso Health, but only to the extent of such benefits. Upon receiving such benefits from the El Paso Health, YOU and YOUR UNBORN CHILD are considered to have assigned such rights of recovery to El Paso Health and YOU agree to give El Paso Health any reasonable help required to secure the recovery.

VII. HOW DO I MAKE A COMPLAINT?

B. Complaint Process

“Complaint” means any dissatisfaction expressed by YOU orally or in writing to US with any aspect of OUR operation, including but not limited to, dissatisfaction with plan administration, procedures related to review or appeal of an Adverse Determination, the denial, reduction, or termination of a service for reasons not related to medical necessity; the way a service is provided; or disenrollment decisions.
If YOU notify US orally or in writing of a Complaint, WE will, not later than the fifth business day after the date of the receipt of the Complaint, send to YOU a letter acknowledging the date WE received YOUR Complaint. If the Complaint was received orally, WE will enclose a one-page Complaint form clearly stating that the Complaint form must be returned to US for prompt resolution.

After receipt of the written Complaint or one-page Complaint form from YOU, WE will investigate and send YOU a letter with OUR resolution. The total time for acknowledging, investigating and resolving your Complaint will not exceed thirty (30) calendar days after the date WE receive YOUR Complaint.

YOUR Complaint concerning an Emergency or denial of continued stay for hospitalization will be resolved in one business day of receipt of YOUR Complaint. The investigation and resolution shall be concluded in accordance with the medical immediacy of the case.

YOU may use the appeals process to resolve a dispute regarding the resolution of YOUR Complaint.

**B. Appeals to the El Paso Health**

1. If the Complaint is not resolved to YOUR satisfaction, YOU have the right either to appear in person before a Complaint appeal panel where YOU normally receive health care services, unless another site is agreed to by YOU, or to address a written appeal to the Complaint appeal panel. WE shall complete the appeals process not later than the thirtieth (30th) calendar day after the date of the receipt of the request for appeal.

2. WE shall send an acknowledgment letter to YOU not later the fifth day after the date of receipt of the request of the appeal.

3. WE shall appoint Members to the Complaint appeal panel, which shall advise US on the resolution of the dispute. The Complaint appeal panel shall be composed of an equal number of OUR staff, Physicians or other Providers, and enrollees. A Member of the appeal panel may not have been previously involved in the disputed decision.

4. Not later than the fifth business day before the scheduled meeting of the panel, unless YOU agree otherwise, WE shall provide to YOU or YOUR designated representative:
   a. Any documentation to be presented to the panel by OUR staff;
   b. The specialization of any Physicians or Providers consulted during the investigation; and
   c. The name and affiliation of each of OUR representatives on the panel.

5. YOU, or YOUR designated representative if YOU are a minor or disabled, are entitled to:
   a. Appear in person before the Complaint appeal panel;
   b. Present alternative expert testimony; and
   c. Request the presence of and question any person responsible for making the prior determination that resulted in the appeal.

6. Investigation and resolution of appeals relating to ongoing emergencies or denial of continued stays for hospitalization shall be concluded in accordance with the medical immediacy of the case but in no event to exceed one business day after YOUR request for appeal.
Due to the ongoing Emergency or continued Hospital stay, and at YOUR request, WE shall provide, in lieu of a Complaint appeal panel, a review by a Physician or Provider who has not previously reviewed the case and is of the same or similar specialty as typically manages the medical condition, procedure, or treatment under discussion for review of the appeal.

7. Notice of OUR final decision on the appeal must include a statement of the specific medical determination, clinical basis, and contractual criteria used to reach the final decision.

C. Internal Appeal of Adverse Determination

An "Adverse Determination" is a decision that is made by US or OUR Utilization Review Agent that the health care services furnished or proposed to be furnished to your UNBORN CHILD are not medically necessary or appropriate.

If YOU, YOUR designated representative or YOUR UNBORN CHILD'S Physician or Perinatal Program Provider of record disagree with the Adverse Determination, YOU, YOUR designated representative or YOUR UNBORN CHILD'S Physician or Perinatal Program Provider may appeal the Adverse Determination orally or in writing.

Within 5 business days after receiving a written appeal of the Adverse Determination, WE or OUR Utilization Review Agent will send YOU, YOUR designated representative or YOUR UNBORN CHILD'S Physician or Perinatal Program Provider, a letter acknowledging the date of receipt of the appeal. The letter will also include a list of documents that YOU, YOUR designated representative or YOUR UNBORN CHILD'S Physician or Prenatal Care Provider should send to US or to OUR Utilization Review Agent for the appeal.

If YOU, YOUR designated representative or YOUR UNBORN CHILD'S Physician or Perinatal Program Provider orally appeal the Adverse Determination, WE or OUR Utilization Review Agent will send YOU, YOUR designated representative or YOUR UNBORN CHILD'S Physician or Perinatal Program Provider a one-page appeal form. YOU are not required to return the completed form, but WE encourage YOU to because it will help US resolve YOUR appeal.

Appeals of Adverse Determinations involving ongoing emergencies or denials of continued stays in a Hospital will be resolved no later than 1 business day from the date all information necessary to complete the appeal is received. All other appeals will be resolved no later than 30 calendar days after the date WE or OUR Utilization Review Agent receives the appeal.

D. External Review by Independent Review Organization

If the appeal of the Adverse Determination is denied, YOU, YOUR designated representative or YOUR UNBORN CHILD'S Physician or Perinatal Program Provider of record have the right to request a review of that decision by an Independent Review Organization (IRO). When WE or OUR Utilization Review Agent deny the appeal, YOU, YOUR designated representative or YOUR UNBORN CHILD'S Physician or Perinatal Program Provider will receive information on how to request an IRO review of the denial and the forms that must be completed and returned to begin the independent review process.
In circumstances involving a Life-threatening condition, YOU are entitled to an immediate review by an IRO without having to comply with the procedures for internal appeals of Adverse Determinations. In Life-threatening situations, YOU, YOUR designated representative or YOUR UNBORN CHILD’S Physician or Perinatal Program Provider of record may contact US or OUR Utilization Review Agent by telephone to request the review by the IRO and WE or OUR utilization review agent will provide the required information.

When the IRO completes its review and issues its decision, WE will abide by the IRO’s decision. WE will pay for the IRO review.

The appeal procedures described above do not prohibit YOU, YOUR designated representative, or your UNBORN CHILD’S Perinatal Program Provider from pursuing other appropriate remedies, including injunctive relief, declaratory judgment, or other relief available under law, if YOU believe that the requirement of completing the appeal and review process places YOUR UNBORN CHILD’S health in serious jeopardy.

**E. Filing Complaints with the Texas Department of Insurance**

Any person, including persons who have attempted to resolve complaints through OUR complaint system process and who are dissatisfied with the resolution, may report an alleged violation to the Texas Department of Insurance, Consumer Protection, P. O. Box 149091, Austin, Texas 78714-9091. Complaints to the Texas Department of Insurance may also send an email to [http://www.tdi.texas.gov/consumer/complfrm.html](http://www.tdi.texas.gov/consumer/complfrm.html).

The Commissioner of Insurance shall investigate a complaint against US to determine compliance within sixty (60) days after the Texas Department of Insurance’s receipt of the Complaint and all information necessary for the Department to determine compliance. The Commissioner may extend the time necessary to complete an investigation in the event any of the following circumstances occur:

1. Additional information is needed;
2. An on-site review is necessary;
3. WE, the Physician or Provider, or YOU do not provide all documentation necessary to complete the investigation; or
4. Other circumstances beyond the control of the Department occur.

**F. Retaliation Prohibited**

1. WE will not take any retaliatory action, including refusal to renew coverage, against an UNBORN CHILD because the UNBORN CHILD or person acting on behalf of the UNBORN CHILD has filed a Complaint against US or appealed a decision made by US.

2. WE shall not engage in any retaliatory action, including terminating or refusal to renew a contract, against a Physician or Perinatal Program Provider, because the Physician or Perinatal Program Provider has, on behalf of an UNBORN CHILD, reasonably filed a Complaint against US or has appealed a decision made by US.
VIII. GENERAL PROVISIONS

A. Entire Agreement, Amendment

This Contract, and any attachments or amendments are the Entire Agreement between YOU and El Paso Health. To be valid, any changes to this Contract must be approved by an officer of El Paso Health and attached to this Contract.

B. Release and Confidentiality of Medical Records

El Paso Health agrees to maintain and preserve the confidentiality of any and all your medical records. However, by enrolling in El Paso Health, YOU authorize the release of information, as permitted by law, and access to any and all of your medical records for purposes reasonably related to the provision of services under this Contract, to El Paso Health, its agents and employees, YOUR UNBORN CHILD'S Perinatal Program Provider, participating Providers, outside Providers of Utilization Review Committee, CHIP Perinatal Program and appropriate governmental agencies. El Paso Health privacy protections are described in more detail in its Notice of Privacy Practices. The Notice of Privacy Practices is available at [list website or address] or you may request a copy by calling [   ].

C. Clerical Error

Clerical error or delays in keeping your records for YOUR and YOUR UNBORN CHILD’S Evidence of Coverage with CHIP Perinatal Program:

1. Will not deny Coverage that otherwise would have been granted; and
2. Will not continue Coverage that otherwise would have terminated.

If any important facts given to the CHIP Perinatal Program about YOU or your UNBORN CHILD are not accurate and they affect Coverage:

1. The true facts will be used by CHIP Perinatal Program to decide whether Coverage is in force; and
2. Any necessary adjustments and/or recoupments will be made.

D. Notice

Benefits under Workers' Compensation are not affected.

E. Validity

The unenforceability or invalidity of any provision of this Evidence of Coverage shall not affect the enforceability or validity of the rest of this Contract.

F. Conformity with State Law
Any provision of this Contract that is not in conformity with the Texas HMO Act, and State or federal laws or regulations governing CHIP, or other applicable laws or regulations shall not be rendered invalid but shall be construed and applied as if it were in full compliance with the Texas HMO Act, and State or federal laws or regulations governing CHIP, and other applicable laws or regulations.

IX. SCHEDULE OF BENEFITS, EXCLUDED SERVICES AND COVERED HEALTH SERVICES
I. INTRODUCTION

A. YOUR CHILD'S Coverage under HEALTH PLAN

HEALTH PLAN provides benefits to YOUR CHILD for Covered Health Services under CHIP and determines whether particular health services are Covered Health Services, as described in Section [X], SCHEDULE OF BENEFITS, EXCLUDED SERVICES AND COVERED HEALTH SERVICES, below. If properly enrolled, YOUR CHILD is eligible for the benefits described in Section [X], SCHEDULE OF BENEFITS, EXCLUDED SERVICES AND COVERED HEALTH SERVICES, below. All services must be provided by participating Physicians and Providers except for Emergency Services and for out-of-network services that are authorized by HEALTH PLAN. YOU have a Contract with HEALTH PLAN regarding matters stated in this Section I.A, as more fully described in this Contract.

B. YOUR Contract with CHIP

CHIP has determined that YOUR CHILD is eligible to receive Coverage and under what circumstances the Coverage will end. CHIP also has determined YOUR CHILD’S eligibility for other benefits under the CHIP program.

IV. DEFINITIONS

ADMINISTRATOR: The contractor with the State that administers enrollment functions for CHIP Perinatal Program health plans.

- Adverse Determination: A decision that is made by US or OUR Utilization Review Agent that the health care services furnished or proposed to be furnished to a CHILD are not medically necessary or not appropriate. This exclusion is an adverse determination and is eligible for review by an IRO (as described in D. External Review by Independent Review Organization).

CHILD: Any child who CHIP has determined to be eligible for Coverage and who is enrolled under this Plan.

CHIP or CHIP Perinatal Program: The Children's Health Insurance Program which provides Coverage to each CHILD in accordance with an agreement between HEALTH PLAN and the Health and Human Services Commission of the State of Texas.

Covered Health Services or Covered Services or Coverage: Those Medically Necessary Services that are listed in Section [X], SCHEDULE OF BENEFITS, EXCLUDED SERVICES AND COVERED HEALTH SERVICES, of this Health Benefit Plan. Covered Services also include any additional services offered by the HEALTH PLAN as Value Added...
Services (VAS) in Section [X] SCHEDULE OF BENEFITS, EXCLUDED SERVICES AND COVERED HEALTH SERVICES, of this Health Benefit Plan.

Disability: A physical or mental impairment that substantially limits one or more of an individual’s major life activities, such as caring for oneself, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning, and/or working.

Emergency Behavioral Health Condition: Any condition, without regard to the nature or cause of the condition, which in the opinion of a prudent layperson possessing an average knowledge of health and medicine:

3. requires immediate intervention and/or medical attention without which a CHILD would present an immediate danger to themselves or others, or
4. that renders a CHILD incapable of controlling, knowing or understanding the consequences of their actions.

Emergency Condition means an Emergency Medical Condition or an Emergency Behavioral Health Condition.

Emergency Medical Condition: A medical condition manifesting itself by acute symptoms of recent onset and sufficient severity (including severe pain), such that a prudent layperson, who possesses an average knowledge of health and medicine, could reasonably expect the absence of immediate medical care could result in:

5. placing the patient’s health in serious jeopardy;
6. serious impairment to bodily functions;
7. serious dysfunction of any bodily organ or part;
8. serious disfigurement; or
• in the case of a pregnant woman, serious jeopardy to the health of a woman or her unborn child

Emergency Services and Emergency Care: covered inpatient and outpatient services furnished by a Provider that is qualified to furnish such services and that are needed to evaluate or stabilize an Emergency Medical Condition and/or an Emergency Behavioral Health Condition, including post-stabilization care services.

Experimental and/or Investigational: A service or supply is Experimental and/or Investigational if WE determine that one or more of the following is true:

6. The service or supply is under study or in a clinical trial to evaluate its toxicity, safety or efficacy for a particular diagnosis or set of indications. Clinical trials include but are not limited to Phase I, II and III clinical trials.
7. The prevailing opinion within the appropriate specialty of the United States medical profession is that the service or supply needs further evaluation for the particular diagnosis or set of indications before it is used outside clinical trials or other research settings.

WE will determine if this item 2. Is true based on:

a. Published reports in authoritative medical literature; and
b. Regulations, reports, publications and evaluations issued by government agencies such as the Agency for Health Care Policy and Research, the National Institutes of Health, and the FDA.

8. In the case of a drug, a device or other supply that is subject to FDA approval:
   f. It does not have FDA approval; or
   g. It has FDA approval only under its Treatment Investigational New Drug regulation or a similar regulation;
   h. It has FDA approval, but it is being used for an indication or at a dosage that is not an accepted off-label use. Unlabeled uses of FDA-approved drugs are not considered Experimental or Investigational if they are determined to be:
      (iii) Included in one or more of the following medical compendia: The American Medical Association Drug Evaluations, The American Hospital Formulary Service Drug Information, The United States Pharmacopeia Information and other authoritative compendia as identified from time to time by the Secretary of Health and Human Services; or
      (iv) In addition, the medical appropriateness of unlabeled uses not included in the compendia can be established based on supportive clinical evidence in peer-reviewed medical publications.
   i. The Physician's or Provider's institutional review board acknowledges that the use of the service or supply is Experimental or Investigational and subject to that board's approval.
   j. Research protocols indicate that the service or supply is Experimental or Investigational. This item 5, applies for protocols used by the CHILD’S Physician or Provider as well as for protocols used by other Physicians or Providers studying substantially the same service or supply.

Health Benefit Plan or Plan: The Coverage provided to CHILD issued by HEALTH PLAN providing Covered Health Services.

HEALTH PLAN: El Paso Health otherwise referred to as US, WE, or OUR.

Home Health Services: Health services provided at a CHILD’S home by health care personnel, as prescribed by the responsible Physician or other authority designated by the HEALTH PLAN.

Hospital: A licensed public or private institution as defined by Chapter 241, Texas Health and Safety Code, or in Subtitle C, Title 7, Texas Health and Safety Code.

Illness: A physical or mental sickness or disease.

Independent Review Organization: An entity that is certified by the Commissioner of Insurance under Chapter 4202 to conduct independent review of Adverse Determinations.

Initial admission: Hospitalization from birth including ICU; includes transfers from another hospital to a hospital with an NICU and any readmission that is less than 24 hours post-discharge from the initial admission.

Injury or Accidental Injury: Accidental trauma or damage sustained by CHILD to a body part or system that is not the result of a disease, bodily infirmity or any other cause.
Life-threatening: A disease or condition for which the likelihood of death is probable unless the course of the disease or condition is interrupted.

Medically Necessary Services: Health services that are:

**Physical:**
- Reasonable and necessary to prevent illness or medical conditions, or provide early screening, interventions, and/or treatments for conditions that cause suffering or pain, cause physical malformation or limitations in function, threaten to cause or worsen a Disability, cause Illness or infirmity of a CHILD, or endanger life;
- Provided at appropriate facilities and at the appropriate levels of care for the treatment of CHILD'S medical conditions;
- Consistent with health care practice guidelines and standards that are issued by professionally recognized health care organizations or governmental agencies;
- Consistent with diagnoses of the conditions; and
- No more intrusive or restrictive than necessary to provide a proper balance of safety, effectiveness, and efficiency;
- are not Experimental or Investigative; and
- are not primarily for the convenience of the CHILD or health care Provider.

**Behavioral:**
- Reasonable and necessary for the diagnosis or treatment of a mental health or Chemical Dependency disorder to improve, maintain, or prevent deterioration of function resulting from the disorder;
- Provided in accordance with professionally accepted clinical guidelines and standards of practice in behavioral health care;
- are not Experimental or Investigative; and
- are not primarily for the convenience of the CHILD or health care Provider.

Medically Necessary Services must be furnished in the most appropriate and least restrictive setting in which services can be safely provided and must be provided at the most appropriate level or supply of service which can safely be provided and which could not be omitted without adversely affecting the CHILD'S physical and/or mental health or the quality of care provided.

**Member:** Any covered CHILD, up to age 19, who is eligible for benefits under Title XXI of the Social Security Act and who is enrolled in the Texas CHIP program.

**Out-of-Area:** Any location outside HEALTH PLAN'S CHIP Perinatal Service Area.

**Pediatrician:** A Physician who is board eligible/board certified in pediatrics by the American Board of Pediatrics.

**Physician:** Anyone licensed to practice medicine in the State of Texas.

**Primary Care Physician or Primary Care Provider (PCP):** A physician or Provider who has agreed with the HEALTH PLAN to provide a medical home to a CHILD and who is responsible
for providing initial and primary care to patients, maintaining the continuity of patient care, and initiating referral for care.

**Provider:** Any institution, organization or person, other than a Physician, that is licensed to or otherwise authorized to provide a health care service in this State. The term includes, but is not limited to a hospital, doctor of chiropractic, pharmacist, registered nurse, optometrist, registered optician, pharmacy, skilled nursing facility, or home health agency.

**Serious Mental Illness:** The following psychiatric illnesses as defined by the American Psychiatric Association in the Diagnostic and Statistical Manual (DSM):

10. Schizophrenia;
11. Paranoid and other psychotic disorders;
12. Bipolar disorders (hypomanic, manic, depressive, and mixed);
13. Major depressive disorders (single episode or recurrent);
14. Schizo-affective disorders (bipolar or depressive);
15. Pervasive developmental disorders;
16. Obsessive-compulsive disorders; and
17. Depression in childhood and adolescence.

**Service Area:** CHIP Perinatal Program service area as defined by the Texas Health and Human Services Commission.

**Specialist Physician:** A participating Physician, other than a Primary Care Physician, under Contract with HEALTH PLAN to provide Covered Health Services upon referral by the Primary Care Physician or Primary Care Provider.

**Urgent Behavioral Health Care:** A behavioral health condition that requires attention and assessment within twenty-four (24) hours but that does not place the CHILD in immediate danger to himself or herself or others and the CHILD is able to cooperate with treatment.

**Urgent Care:** A health condition including an Urgent Behavioral Health Care that is not an emergency but is severe or painful enough to cause a prudent layperson, possessing the average knowledge of medicine, to believe that his or her condition requires medical treatment evaluation or treatment within twenty-four (24) hours by the CHILD’s PCP or PCP designee to prevent serious deterioration of the CHILD’s condition or health.

**Usual and Customary Charge:** The usual charge made by a group, entity, or person who renders or furnishes covered services, treatments or supplies; provided the charge is not in excess of the general level of charges made by others who render or furnish the same or similar services, treatments or supplies.

**Utilization Review:** The system for retrospective, concurrent, or prospective review of the medical necessity and appropriateness of Covered Health Services provided, being provided, or proposed to be provided to a CHILD. The term does not include elective requests for clarification of coverage.
**Utilization Review Agent:** An entity that is certified by the Commissioner of Insurance to conduct Utilization Review.

**YOU and YOUR:** The family or guardian of the CHILD.

### III. WHEN DOES AN ENROLLED CHILD BECOME COVERED?

Children enrolling in CHIP for the first time, or returning to CHIP after disenrollment, will be enrolled the 1st day of the next month following completion of the enrollment process. Children covered by private insurance within 90 days of application may be subject to a waiting period which extends for a period of 90 days after the last date on which the applicant was covered under a health benefits plan. CHIP Perinatal Program Members are exempt from the waiting period.

### IV. COST-SHARING

No enrollment fees or cost sharing (such as co-pays) are required for CHIP Perinatal covered services.

### V. TERMINATION OF CHILD'S COVERAGE

#### A. Disenrollment due to loss of CHIP eligibility

Disenrollment may occur if YOUR CHILD loses CHIP eligibility. YOUR CHILD may lose CHIP eligibility for the following reasons:

8. "Aging-out" when CHILD turns nineteen;
9. Failure to re-enroll by the end of the 12-month coverage period;
10. Change in health insurance status, i.e., a CHILD enrolls in an employer-sponsored health plan;
11. Death of a CHILD;
12. CHILD permanently moves out of the State;
13. CHILD is enrolled in Medicaid or Medicare.
14. Failure to drop current insurance if child was determined to be CHIP-eligible because health insurance cost under the current health plan totaled 10% or more of the family’s net income.

8. Child’s parent or Authorized Representative requests (in writing) the voluntary disenrollment of a child.

9. Failure to respond to a request of income verification during month six of the enrollment period (only required for certain families) or if the income information provided indicates that the family’s income exceeds CHIP income limits.

#### B. Disenrollment by HEALTH PLAN
YOUR CHILD may be disenrolled by US, subject to approval by the Health and Human Services Commission, for the following reasons:

4. Fraud or intentional material misrepresentation made by YOU after 15 days written notice;
5. Fraud in the use of services or facilities after 15 days written notice;
6. Misconduct that is detrimental to safe Plan operations and the delivery of services;
4. CHILD no longer lives or resides in the Service Area.
5. CHILD is disruptive, unruly, threatening or uncooperative to the extent that CHILD’s Membership seriously impairs HEALTH PLAN’s or Provider’s ability to provide services to the CHILD or to obtain new Members, and the CHILD’s behavior is not caused by a physical or behavioral health condition.
6. CHILD steadfastly refuses to comply with HEALTH PLAN restrictions (e.g., repeatedly using emergency room in combination with refusing to allow HEALTH PLAN to treat the underlying medical condition).

We will not disenroll a CHILD based on a change in the CHILD'S health status, diminished mental capacity, or because of the amount of Medically Necessary Services that are used to treat the CHILD'S condition. WE will also not disenroll a CHILD because of uncooperative or disruptive behavior resulting from his or her special needs, unless this behavior seriously impairs OUR ability to furnish services to the CHILD or other enrollees.

VI. YOUR CHILD'S HEALTH COVERAGE

A. Selecting YOUR CHILD'S Primary Care Physician or Primary Care Provider

YOU shall, at time of enrollment in the HEALTH PLAN, select YOUR CHILD'S Primary Care Physician or Primary Care Provider (PCP). A female Member may select an Obstetrician/Gynecologist (OB/GYN) to provide Covered Health Services within the scope of the professional specialty practice of the OB/GYN. The selection shall be made from those Physicians and Providers listed in HEALTH PLAN'S published list of Physicians and Providers. YOU have the option to choose as a PCP a Family Practice Physician with experience in treating children, a Pediatrician, or other age appropriate and qualified health care Provider.

YOU shall look to the selected PCP to direct and coordinate CHILD'S care, and recommend procedures and/or treatment.

B. Changing YOUR CHILD'S Primary Care Physician or Primary Care Provider

YOU may request a change in YOUR CHILD'S Primary Care Physician or Primary Care Provider and a change in YOUR CHILD'S OB/GYN. YOUR request must be made to HEALTH PLAN at least thirty (30) days prior to the requested effective date of the change.

C. Children with Chronic, Disabling or Life-threatening Illnesses

A CHILD who has a chronic, disabling or Life-threatening Illness may be eligible to receive services above and beyond those normally provided. If YOUR CHILD is identified as having
special health care needs, YOUR CHILD will be eligible for Case Management Services for Children with Special Health Care Needs (CSHCN) through the Texas Department of State Health Services.

A CHILD who has a chronic, disabling, or Life-threatening Illness may apply to HEALTH PLAN'S medical director to use a non-primary Specialist Physician as a Primary Care Physician. The Specialist Physician must agree to the arrangement and agree to coordinate all of the CHILD'S health care needs.

D. Emergency Services

When YOUR CHILD is taken to a Hospital emergency department, free-standing emergency medical facility, or to a comparable emergency facility, the treating Physician/Provider will perform a medical screening examination to determine whether a medical Emergency exists and will provide the treatment and stabilization of an Emergency Condition.

If additional care is required after the patient is stabilized, the treating Physician/Provider must contact HEALTH PLAN. HEALTH PLAN must respond within one hour of receiving the call to approve or deny Coverage of the additional care requested by the treating Physician/Provider.

If HEALTH PLAN agrees to the care as proposed by the treating Physician/Provider, or if HEALTH PLAN fails to approve or deny the proposed care within one hour of receiving the call, the treating Physician/Provider may proceed with the proposed care.

YOU should notify HEALTH PLAN within twenty-four (24) hours of any out-of-network Emergency Services, or as soon as reasonably possible.

E. Out-of-Network Services

If Covered Health Services are not available to YOUR CHILD through network Physicians or Providers, HEALTH PLAN, upon the request of a network Physician or Provider, shall allow referral to an out-of-network Physician or Provider and shall fully reimburse the out-of-network Physician or Provider at the Usual and Customary Charge or at an agreed upon rate. HEALTH PLAN further must provide for a review by a specialist of the same or similar specialty as the type of Physician or Provider to whom a referral is requested before HEALTH PLAN may deny a referral.

F. Continuity of Treatment

The contract between HEALTH PLAN and a Physician or Provider must provide that reasonable advance notice be given to YOU of the impending termination from the Plan of a Physician or Provider who is currently treating YOUR CHILD. The contract must also provide that the termination of the Physician or Provider contract, except for reasons of medical competence or professional behavior, does not release HEALTH PLAN from its obligation to reimburse the Physician or Provider who is treating YOUR CHILD of special circumstance, such as a CHILD who has a Disability, acute condition, or Life-threatening Illness—for YOUR CHILD'S care in
exchange for continuity of ongoing treatment for YOUR CHILD then receiving medically necessary treatment in accordance with the dictates of medical prudence.

Special circumstance means a condition such that the treating Physician or Provider reasonably believes that discontinuing care by the treating Physician or Provider could cause harm to YOUR CHILD. Special circumstance shall be identified by the treating Physician or Provider who must request that YOUR CHILD be permitted to continue treatment under the Physician’s or Provider’s care and agree not to seek payment from YOU for any amount for which YOU would not be responsible if the Physician or Provider were still on HEALTH PLAN’S network. HEALTH PLAN shall reimburse the terminated Physician or Provider for YOUR CHILD’S ongoing treatment for ninety days from the effective date of the termination, or for nine months if YOUR CHILD has been diagnosed with a terminal Illness.

G. Notice of Claims

YOU should not have to pay any amount for Covered Health Services except for Copayments or Deductibles. If YOU receive a bill from a physician or Provider, contact HEALTH PLAN.

H. Coordination of Benefits

Your CHILD’S coverage under CHIP is secondary when coordinating benefits with any other insurance coverage. This means that the coverage provided under CHIP will pay benefits for covered services that remain unpaid after any other insurance coverage has paid.

I. Subrogation

HEALTH PLAN receives all rights of recovery acquired by YOU or YOUR CHILD against any person or organization for negligence or any willful act resulting in Illness or Injury covered by HEALTH PLAN, but only to the extent of such benefits. Upon receiving such benefits from the HEALTH PLAN, YOU and YOUR CHILD are considered to have assigned such rights of recovery to HEALTH PLAN and YOU agree to give HEALTH PLAN any reasonable help required to secure the recovery.

VII. HOW DO I MAKE A COMPLAINT?

C. Complaint Process

“Complaint” means any dissatisfaction expressed by YOU orally or in writing to US with any aspect of OUR operation, including but not limited to, dissatisfaction with plan administration; procedures related to review or appeal of an Adverse Determination, the denial, reduction, or termination of a service for reasons not related to medical necessity; the way a service is provided; or disenrollment decisions.

If YOU notify US orally or in writing of a Complaint, WE will, not later than the fifth business day after the date of the receipt of the Complaint, send to YOU a letter acknowledging the date WE received YOUR Complaint. If the Complaint was received orally, WE will enclose a one-
page Complaint form clearly stating that the Complaint form must be returned to US for prompt resolution.

After receipt of the written Complaint or one-page Complaint form from YOU, WE will investigate and send YOU a letter with OUR resolution. The total time for acknowledging, investigating and resolving your Complaint will not exceed thirty (30) calendar days after the date WE receive YOUR Complaint.

YOUR Complaint concerning an Emergency or denial of continued stay for hospitalization will be resolved in one business day of receipt of YOUR Complaint. The investigation and resolution shall be concluded in accordance with the medical immediacy of the case.

YOU may use the appeals process to resolve a dispute regarding the resolution of YOUR Complaint.

**B. Appeals to the HEALTH PLAN**

8. If the Complaint is not resolved to YOUR satisfaction, YOU have the right either to appear in person before a Complaint appeal panel where YOU normally receive health care services, unless another site is agreed to by YOU, or to address a written appeal to the Complaint appeal panel. WE shall complete the appeals process not later than the thirtieth (30th) calendar day after the date of the receipt of the request for appeal.

9. WE shall send an acknowledgment letter to YOU not later the fifth day after the date of receipt of the request of the appeal.

10. WE shall appoint Members to the Complaint appeal panel, which shall advise US on the resolution of the dispute. The Complaint appeal panel shall be composed of an equal number of OUR staff, Physicians or other Providers, and enrollees. A Member of the appeal panel may not have been previously involved in the disputed decision.

11. Not later than the fifth business day before the scheduled meeting of the panel, unless YOU agree otherwise, WE shall provide to YOU or YOUR designated representative:

   d. Any documentation to be presented to the panel by OUR staff;

   e. The specialization of any Physicians or Providers consulted during the investigation; and

   f. The name and affiliation of each of OUR representatives on the panel.

12. YOU, or YOUR designated representative if YOU are a minor or disabled, are entitled to:

   d. Appear in person before the Complaint appeal panel;

   e. Present alternative expert testimony; and
f. Request the presence of and question any person responsible for making the prior determination that resulted in the appeal.

13. Investigation and resolution of appeals relating to ongoing emergencies or denial of continued stays for hospitalization shall be concluded in accordance with the medical immediacy of the case but in no event to exceed one business day after YOUR request for appeal.

Due to the ongoing Emergency or continued Hospital stay, and at YOUR request, WE shall provide, in lieu of a Complaint appeal panel, a review by a Physician or Provider who has not previously reviewed the case and is of the same or similar specialty as typically manages the medical condition, procedure, or treatment under discussion for review of the appeal.

14. Notice of OUR final decision on the appeal must include a statement of the specific medical determination, clinical basis, and contractual criteria used to reach the final decision.

C. Internal Appeal of Adverse Determination

An "Adverse Determination" is a decision that is made by US or OUR Utilization Review Agent that the health care services furnished or proposed to be furnished to a CHILD are not medically necessary or appropriate.

If YOU, YOUR designated representative or YOUR CHILD'S Physician or Provider of record disagree with the Adverse Determination, YOU, YOUR designated representative or YOUR CHILD'S Physician or Provider may appeal the Adverse Determination orally or in writing.

Within 5 business days after receiving a written appeal of the Adverse Determination, WE or OUR Utilization Review Agent will send YOU, YOUR designated representative or YOUR CHILD'S Physician or Provider, a letter acknowledging the date of receipt of the appeal. The letter will also include a list of documents that YOU, YOUR designated representative or YOUR CHILD'S Physician or Provider should send to US or to OUR Utilization Review Agent for the appeal.

If YOU, YOUR designated representative or YOUR CHILD'S Physician or Provider orally appeal the Adverse Determination, WE or OUR Utilization Review Agent will send YOU, YOUR designated representative or YOUR CHILD'S Physician or Provider a one-page appeal form. YOU are not required to return the completed form, but WE encourage YOU to because it will help US resolve YOUR appeal.

Appeals of Adverse Determinations involving ongoing emergencies or denials of continued stays in a Hospital will be resolved no later than 1 business day from the date all information necessary to complete the appeal is received. All other appeals will be resolved no later than 30 calendar days after the date WE or OUR Utilization Review Agent receives the appeal.
D. External Review by Independent Review Organization

If the appeal of the Adverse Determination is denied, YOU, YOUR designated representative or YOUR CHILD'S Physician or Provider of record have the right to request a review of that decision by an Independent Review Organization (IRO). When WE or OUR Utilization Review Agent deny the appeal, YOU, YOUR designated representative or YOUR CHILD'S Physician or Provider will receive information on how to request an IRO review of the denial and the forms that must be completed and returned to begin the independent review process.

In circumstances involving a Life-threatening condition, YOUR CHILD is entitled to an immediate review by an IRO without having to comply with the procedures for internal appeals of Adverse Determinations. In Life-threatening situations, YOU, YOUR designated representative or YOUR CHILD'S Physician or Provider of record may contact US or OUR Utilization Review Agent by telephone to request the review by the IRO and WE or OUR utilization review agent will provide the required information.

When the IRO completes its review and issues its decision, WE will abide by the IRO's decision. WE will pay for the IRO review.

The appeal procedures described above do not prohibit YOU from pursuing other appropriate remedies, including injunctive relief, declaratory judgment, or other relief available under law, if YOU believe that the requirement of completing the appeal and review process places YOUR CHILD'S health in serious jeopardy.

E. Filing Complaints with the Texas Department of Insurance

Any person, including persons who have attempted to resolve complaints through OUR complaint system process and who are dissatisfied with the resolution, may report an alleged violation to the Texas Department of Insurance, P. O. Box 149104, Austin, Texas 78714-9104. Complaints to the Texas Department of Insurance may also be filed electronically at www.tdi.texas.gov.

The Commissioner of Insurance shall investigate a complaint against US to determine compliance within sixty (60) days after the Texas Department of Insurance’s receipt of the Complaint and all information necessary for the Department to determine compliance. The Commissioner may extend the time necessary to complete an investigation in the event any of the following circumstances occur:

4. Additional information is needed;
5. An on-site review is necessary;
6. WE, the Physician or Provider, or YOU do not provide all documentation necessary to complete the investigation; or
4. Other circumstances beyond the control of the Department occur.

F. Retaliation Prohibited
2. WE will not take any retaliatory action, including refusal to renew coverage, against a CHILD because the CHILD or person acting on behalf of the CHILD has filed a Complaint against US or appealed a decision made by US.

2. WE shall not engage in any retaliatory action, including terminating or refusal to renew a contract, against a Physician or Provider, because the Physician or Provider has, on behalf of a CHILD, reasonably filed a Complaint against US or has appealed a decision made by US.

VIII. GENERAL PROVISIONS

A. Entire Agreement, Amendment

This Contract, and any attachments or amendments are the Entire Agreement between YOU and HEALTH PLAN. To be valid, any changes to this Contract must be approved by an officer of HEALTH PLAN and attached to this Contract.

B. Release and Confidentiality of Medical Records

HEALTH PLAN agrees to maintain and preserve the confidentiality of any and all medical records of YOUR CHILD or YOUR family. However, by enrolling in HEALTH PLAN, YOU authorize the release of information, as permitted by law, and access to any and all of medical records of YOUR CHILD for purposes reasonably related to the provision of services under this Contract, to HEALTH PLAN, its agents and employees, YOUR CHILD'S Primary Care Physician or Primary Care Provider, participating Providers, outside Providers of Utilization Review Committee, CHIP and appropriate governmental agencies. HEALTH PLAN’s privacy protections are described in more detail in its Notice of Privacy Practices. The Notice of Privacy Practices is available at [list website or address] or you may request a copy by calling [   ].

C. Clerical Error

Clerical error or delays in keeping records for YOUR and YOUR CHILD'S Contract with CHIP:

1. Will not deny Coverage that otherwise would have been granted; and

2. Will not continue Coverage that otherwise would have terminated.

If any important facts given to the CHIP about YOUR CHILD are not accurate and they affect Coverage:

1. The true facts will be used by CHIP to decide whether Coverage is in force; and

2. Any necessary adjustments and/or recoupments will be made.

D. Notice

Benefits under Workers' Compensation are not affected.
E. Validity

The unenforceability or invalidity of any provision of this Evidence of Coverage shall not affect the enforceability or validity of the rest of this Contract.

F. Conformity with State Law

Any provision of this Contract that is not in conformity with the Texas HMO Act, and State or federal laws or regulations governing CHIP, or other applicable laws or regulations shall not be rendered invalid but shall be construed and applied as if it were in full compliance with the Texas HMO Act, and State or federal laws or regulations governing CHIP, and other applicable laws or regulations.

ATTACHMENT 10

About the Your Texas Benefits Medicaid Card

The design of the new card conforms to the standards of the Workgroup for Electronic Data Interchange (WEDI). It is designed to show the same type of information shown on private health insurance cards.

The front of the card has:

- Member name and Medicaid ID number. (i.e. patient control number – PCN).
- Managed care program name, if applicable (STAR, STAR Health, STAR+PLUS).
- Date the card was issued.
- Billing information for pharmacies.
- Health plan names and plan phone numbers.
- Pharmacy and physician information for members in the Medicaid Limited program.

The back of the card has:

- A statewide toll-free number that members can call if they need help or have questions about using the card.
- A website (www.YourTexasBenefits.com) where members can get more information about the Medicaid card and access their personal Medicaid health history. The website will be fully functional in a later phase of the project.

Visit the website for providers:

**COMMENTS:**

---

**PLEASE NOTE:** All services requiring pre-certification (other than emergency basis) must be submitted in advance by a HPDO Medical Director/designee. Pre-certification is subject to all terms and conditions of the Health Service Contract and is only valid for eligible health plan members at time of service.
Texas Standard Prior Authorization Request Form for Health Care Services

Please read all instructions below before completing this form.

Please send this request to the issuer from whom you are seeking authorization. Do not send this form to the Texas Department of Insurance, the Texas Health and Human Services Commission, or the patient’s or subscriber’s employer.

Beginning September 1, 2015, health benefit plan issuers must accept the Texas Standard Prior Authorization Request Form for Health Care Services if the plan requires prior authorization of a health care service.

In addition to commercial issuers, the following public issuers must accept the form: Medicaid, the Medicaid managed care program, the Children’s Health Insurance Program (CHIP), and plans covering employees of the state of Texas, most school districts, and the University of Texas and Texas A&M Systems.

Intended Use: Use this form to request authorization by fax or mail when an issuer requires prior authorization of a health care service. An Issuer may also provide an electronic version of this form on its website that you can complete and submit electronically, through the issuer’s portal, to request prior authorization of a health care service.

Do not use this form to: 1) request an appeal; 2) confirm eligibility; 3) verify coverage; 4) request a guarantee of payment; 5) ask whether a service requires prior authorization; 6) request prior authorization of a prescription drug; or 7) request a referral to an out of network physician, facility or other health care provider.

Additional Information and Instructions:

Section I – Submission:
An issuer may have already entered this information on the copy of this form posted on its website.

Section II – General Information:
Urgent reviews: Request an urgent review for a patient with a life-threatening condition, or for a patient who is currently hospitalized, or to authorize treatment following stabilization of an emergency condition. You may also request an urgent review to authorize treatment of an acute injury or illness, if the provider determines that the condition is severe or painful enough to warrant an expedited or urgent review to prevent a serious deterioration of the patient’s condition or health.

Section IV – Provider Information:
- If the Requesting Provider or Facility will also be the Service Provider or Facility, enter “Same.”
- If the requesting provider’s signature is required, you may not use a signature stamp.
- If the issuer’s plan requires the patient to have a primary care provider (PCP), enter the PCP’s name and phone number. If the requesting provider is the patient’s PCP, enter “Same.”

Section VI – Clinical Documentation:
- Give a brief narrative of medical necessity in this space, or in an attached statement.
- Attach supporting clinical documentation (medical records, progress notes, lab reports, etc.), if needed.

Note: Some issuers may require more information or additional forms to process your request. If you think more information or an additional form may be needed, please check the issuer’s website before faxing or mailing your request.

Note: If the requesting provider wants to be called directly about missing information needed to process this request, you may include the provider’s direct phone number in the space given at the bottom of the request form. Such a phone call cannot be considered a peer-to-peer discussion required by 28 TAC §19.1710. A peer-to-peer discussion must include, at a minimum, the clinical basis for the URA’s decision and a description of documentation or evidence. If any, that can be submitted by the provider of record that, on appeal, might lead to a different utilization review decision.

MAXIMUS Federal Services

HHS-Administered Federal External Review Request Form

MAXIMUS Federal Services needs the information on this form to review your medical claim. We may not be able to do the review without this information.

In most cases, you must complete any mandatory appeals or opportunities for reconsideration offered by your health plan or insurance issuer before we can do an external review. In urgent situations, we may be able to do a review even if you have not made all appeals and reconsiderations.

We must receive the completed form within four months of the date your insurer sent you a final decision denying your services or your claim for payment.

Please read and complete all sections of this form.

### Section 1: Covered person

This section is about the person who received or will receive the benefit or treatment.

<table>
<thead>
<tr>
<th>Name:</th>
<th>Email address:</th>
</tr>
</thead>
<tbody>
<tr>
<td>Street address:</td>
<td></td>
</tr>
<tr>
<td>City:</td>
<td>County:</td>
</tr>
<tr>
<td>State:</td>
<td>Zip code:</td>
</tr>
<tr>
<td>Daytime phone:</td>
<td>Evening phone:</td>
</tr>
</tbody>
</table>

Please complete this section if you are the covered person’s parent or legal guardian

<table>

<td>Insurance company phone number:</td>
</tr>
</tbody>
</table>

Please attach a copy of the claim that was denied or any correspondence you have received from your insurance carrier. **Please do not send originals. Send only copies.**

<table>
<thead>
<tr>
<th>Insurance company #2:</th>
<th>Insurance plan or plan option (if applicable):</th>
</tr>
</thead>
<tbody>
<tr>
<td>Policyholder:</td>
<td>Policy number:</td>
</tr>
<tr>
<td>Claim number:</td>
<td>Insurance company phone number:</td>
</tr>
</tbody>
</table>

Please attach a copy of the claim that was denied or any correspondence you have received from your insurance carrier. **Please do not send originals. Send only copies.**

### Section 3: Services in dispute

Please describe the health services that were denied by your health insurance plan or issuer:

Have you already received these health services?  □ Yes  □ No

If so, when were the services received? (Month, day, year) ________________________________

Please state the reason that you believe the health insurance company's decision was not correct:

**Questions?** Call 1-888-866-6205 Monday – Friday 8:00am – 5:00pm EST
Section 4: Claims for urgent care situations

If you believe your situation is urgent, you may ask for an expedited (fast) review.

An urgent care situation is one in which your health may be in serious jeopardy or, in your doctor’s opinion you may have pain that cannot be controlled while you wait for the external review decision.

To ask for an expedited external review:
Fax this form to 1-888-866-6190 OR mail this form to:

In urgent care situations, MAXIMUS Federal Services will accept a request for external review from a medical professional who knows about the claimant's condition. The medical professional will not be required to submit proof of authorization.

If you have questions about your external review, call: 1-888-866-6205.

Is this external review for urgent care?  ☐ Yes  ☐ No

Section 5: Claims involving a rescission of coverage

A **rescission** is an action by a health insurance issuer to retroactively cancel (back to an earlier date) or discontinue a policyholder's coverage.

Is this request for external review of a rescission of health insurance coverage?  ☐ Yes  ☐ No

Section 6: Additional information you may give

MAXIMUS Federal Services will use the information on this form to get the relevant information and documents from your insurer. You may add supporting information and documents you think the insurer may not be able to provide.

For example, you may choose to give us:
- Documents to support the claim, such as physicians’ letters, reports, bills, medical records, and Explanation of Benefits (EOB) forms
- Letters you sent to your insurance plan or issuer about the claim
- Letters the plan or issuer sent to you about the claim

You do not have to give us this additional information. However, if you do not give us any additional information, MAXIMUS Federal Services may decide your case based only on the information your insurance issuer or plan gives us.

You can give MAXIMUS additional information for your external review by sending it with this form:
Fax to 1-888-866-6190 OR mail this form to:

If you have questions about your external review, call 1-888-866-6205.

Questions?  Call 1-888-866-6205 Monday – Friday 8:00am – 5:00pm EST
Sign the consent form.

Please sign and date the form.

Signature: ___________________________  Date: ___________________________

Printed name: ___________________________

I am the:  ☐ Covered person  ☐ Parent or legal guardian  ☐ Authorized Representative

NOTE: The covered person must sign this consent form, unless they have a legal guardian, personal representative, are incapacitated, or have otherwise delegated authority to complete this form. If the covered person cannot sign this form, the authorized representative must give written proof of his or her authority to sign. You may write or call MAXIMUS in order to obtain a form to allow appointment of an Authorized Representative.

Privacy Act Statement: The following website provides a notice of your rights under the Privacy Act and includes information about how the information on this form will be used and about our legal authority to collect this information: http://cciio.cms.gov/resources/other/index.html.

Re: Request for Corrected Claims and Notice of Recoupment

Thank you for the service you have provided to El Paso Health (El Paso Health) and our Members. This is to inform you of the findings identified during a recent audit of your medical records.

As you are probably aware, the federal and state governments have been making a combined effort to reduce waste, abuse and fraud in all government funded healthcare programs, including CHIP and STAR. Providers making minor coding violations, without intent, are required to be educated in efforts to avoid future claim errors. El Paso Health is responsible for recouping all identified overpayments up to $100,000.

Pursuant to these efforts, Texas enacted House Bill 2292 to require all managed care payers, like El Paso Health, to establish a Special Investigations Unit (SIU) and establish a plan to prevent and reduce waste, abuse and fraud in the various managed care programs, such as CHIP and STAR. This law requires El Paso Health to establish a plan to monitor and improve the accuracy of claims payments made to physicians and other providers in efforts to prevent and reduce the possibilities of waste, abuse, or fraud.

El Paso Health retains Health Management Systems (HMS) as its hired claims analyst. The following is the analysis of your claims for dates X/XX/XX to X/XX/XX.

(INDIVIDUAL AUDIT FINDINGS AND EDUCATION)

Recoupment for No Documentation/Inappropriate Coding

The service dates that did not meet appropriate documentation for the services billed and the subsequent overpayment amount are documented in the “Notice of Recoupment” (Attachment A). The amount of recoupment for these services is $X.XX. It is the expectation of El Paso Health that all network providers submit all the requested medical documentation for audit at the time of the initial certified request for medical records letter. Any medical record or documentation for a billed service that was not submitted with the certified request was subject for full recoupment. This type of finding cannot be appealed due to Office of Inspector General (OIG) guidance that post audit submission could be suspect as being potentially doctored or created after the fact. Your
medical records were submitted with an Affidavit certifying medical records were original and complete or exact duplicates of the original records on file.

Recoupment for Not Meeting Evaluation and Management (E/M) Documentation Guidelines

Additionally, there were (__) services that did not meet documentation guidelines and were identified as upcoded. Your office may submit a corrected claim for the services identified as upcoded with the correct service code. Request for Corrected Claims (Attachment B) identifies those services. Submission of a corrected claim will amount to a recoupment of $X.XX vs. $X.XX if no corrected claim is received. Corrected claims have to be dropped to paper and submitted to Alma Meraz. Please do not file corrected claims electronic. If claims are filed electronic will result in total recoupment of the claim.

You have the right to appeal the findings, please be advised that your written appeal must submitted no later than 30 calendar days from receipt of this letter.

As per The OIG’s directive, El Paso Health must recoup overpayment amounts via claims adjustments and cannot accept payment by check.

El Paso Health requests that you please take the necessary steps to eliminate the occurrence of these coding issues.
