RE: Omnipod 5 Added to Medicaid, CHIP Drug Formularies On Feb. 22

The Centers for Medicare and Medicaid Services (CMS) approved the Texas Medicaid State Plan Amendment (SPA) on Feb. 14, 2024, allowing HHSC to add Omnipod 5 to the VDP formulary. VDP added the product to the Medicaid and CHIP formularies on Feb. 22, 2024.

Omnipod 5 requires a physician's prescription but does not have a clinical or preferred drug list (PDL) prior authorization at this time.
