RE: Rental of Dual-Function Home Ventilators a Benefit of Texas Medicaid Effective April 1, 2025

Effective April 1, 2025, dual-function home ventilators are available for rental with a limit of one per month.

New benefit added to Texas Medicaid:

- Procedure code E0468 - home ventilator, dual-function respiratory device, also performs additional function of cough stimulation, includes all accessories, components and supplies for all functions.
- Clients, all ages, must meet medical necessity criteria for both a mechanical ventilator and a cough augmentation device.

Additional Information:

A provider notification is now available at TMHP.com. Effective July 1, 2025, the updated benefit will be published in the Texas Medicaid Provider Procedures Manual (TMPPM) to include the following procedure codes that are considered bundled in the rental for the dual-function ventilator:
