EVV Proprietary System Operator (PSO) 2026 Onboarding Schedule is Now Available

The Texas Medicaid & Healthcare Partnership (TMHP) has released the 2026 EVV Proprietary System (PSO) Onboarding Schedule. A Proprietary EVV System allows program providers or FMSAs to exchange EVV data with the EVV Aggregator instead of using the state-provided system.

HHSC encourages program providers and financial management services agencies (FMSAs) who wish to become a PSO to:

- Submit an EVV Proprietary System Request Form to begin the onboarding process.
- Forms can be submitted anytime via the TMHP EVV Portal.
- Already submitted? If your form is marked as “Completed,” no need to resubmit – you’ll be able to onboard in 2026.
