RE: THSteps Provider Reminders

The Child Developmental Screening and Surveillance web training is available on the Texas Health Steps Online Provider Education website:

<http://www.txhealthsteps.com/>

The goal of this module is to equip Texas Health Steps providers and others to conduct developmental surveillance and screening during preventive medical checkups for children birth through 6 years, use approved screening tools, make appropriate referrals, and coordinate care in the primary care setting.

Continuing education units are available for physicians, nurses, social workers, and Certified Health Education Specialists.

If you have any questions or concerns please contact your Provider Relations Team M-F 8am-5pm 915-532-3778 x1507.
